History of Brunswick Islands Baptist Church

In October 1989, 13 men and women met at the Brunswick Association Resource Center for the purpose of forming a new church (mission) in the Holden Beach Area. Three meetings were held at the Resource Center. James A. Hartman agreed to lead the group in starting Holden Beach Baptist Mission.

Sunday Morning Worship services and Tuesday night Bible study were held in the old Powell Funeral Home building in Shallottee during November and December. The Brunswickland Carpet building became available, so beginning January 9, 1990, the services were held there. This building very soon became too small so on March 30 the mission began meeting in a building on Highway 130, formally used as a clothing outlet. Doug Ponder, James A. Hartman and James Murphy shared the pulpit and James A. Hartman lead Bible Study. There was enough room at this location to allow for the addition of several more Sunday School classes.

Antioch Baptist Church agreed to be our sponsoring church and on June 5, 1990, 37 names were turned over to Antioch as members. On July 31, 1990, Dr. Jack D. Hancox, retired missionary, was called as interim pastor. Holden Beach Mission became Brunswick Islands Baptist Church in a Constitution Service on May 3, 1992.

With the help of volunteers from several states, a new home for Brunswick Islands Baptist Church was built. The 8 acre tract of land located on Mt. Pisgah Road at the intersection of Highway 130 was purchased from Tracy and Dorothy Brown and Dean and Nancy Hewett. The first service was held on September 5, 1993. A dedication service was conducted on October 17, 1993, with over 300 in attendance.

Jack D. Hancox resigned as pastor to return to France on a six month mission tour. Larry A. Knowles was called as pastor in February, 1994. He served as pastor for a year. In September, 1995, David M. Stratton, was called as the new pastor. An early informal worship service was added in April, 1996. Membership has grown from the 37 on June 5, 1990 to 318.

Brunswick Islands Baptist Church is the sponsoring church for a mission at Calabash, N.C.

Director of Missions Report

The Brunswick Baptist Association has the greatest opportunity to reach people for Jesus than any time in history. Brunswick County is one of the fastest growing counties in the country. People are coming from everywhere to settle in Brunswick County. We have a golden opportunity to share Jesus with them through Bible study, preaching, good fellowship, and witnessing. Jesus gave us the Great Commission for the purpose of sharing His love with others. It was not a suggestion, it was a command. As Brunswick Baptist we have a responsibility to help others who come our way to know Jesus as their Savior. As we approach the year 2000 our goal should be to share Jesus with every person that will allow us to do so.

As we look toward the future, we need to: evaluate the past, organize and plan for that which God would have you do and be in the future. If we do not plan for tomorrow then we will not be ready for tomorrow. We are standing at a critical time in history and we should ask ourselves the question, "What will the future generation say about us?" The greatest question to ask, "Is God pleased with what we are doing for His Kingdom in the association?" Many good things have been accomplished in the association but we should never feel as if we have arrived or God's work is completed. We should always strive to do and be better.

Recap of the Year 1995-96

This past year our main focus was the World Missions Conference. There were 24 churches that participated in the conference from Sunday, April 21, to Wednesday, April 24, 1996. We had 10 foreign missionaries, 10 home missionaries, and 4 state missionaries to come and share with us. As a result of the conference we had 5 professions of faith and 7 recommitments. We had 8,372 persons to attend all meetings. The conference was a great experience for Brunswick Baptist. Some 130 children were present at the Mission Fair on Sunday afternoon at the associational office. The missionaries signed autograph books for the children and shared with them about their specific work and calling.

On November 27-29 a Listening Team from the Baptist State Convention came to our association in order to listen to our people share how the convention could better help us as an association and some specific needs surfaced that we needed to address.

During the months of November, December, January, February, and March many of the church people worked at remodeling the First Baptist Church build-

ing at Calabash. Approximately 125 people from churches in the Association worked to make the church available for people to worship.

Throughout the year the Long Range Planning Committee met to fulfill the charge that was given by the association to retire the land debt and to work on plans to build the ball fields. Two hurricanes slowed the process down. However, we are close to retiring the land debt.

This year the association voted to start a counseling center and the Counseling Advisory Board met for the first time on January 22, 1996. On September 9, 1996, Dr. John Gray came through the pastoral section of the Baptist Hospital to start a two day center at the Baptist resource center. Many have already received help as a result of a vision of the association.

We have had so many opportunities for training and worship this year some of the opportunities are as follows:

1. Backyard Bible Club Training - February 26, 1996
2. Church Decision Making Conference - February 19, 1996
3. VBS Training - April 18, 1996
4. Associational Leadership Training - March 11, 1996
5. WMU Rally - February 16, 1996
6. Key Leadership at Caswell - May 6-7, 1996
7. Sunday School Training - September 9-10, 1996
8. Associational Youth Rally - September 21, 1996
9. Associational Youth Leadership Training - September 23, 1996

Miss Tabitha Hickman worked with us this summer in the area of Resort, Migrant, and Backyard Bible Club Ministries. She helped coordinate, along with each director, the work in these areas. She came on the field June 3, 1996 and completed her work on August 9, 1996.

There were other opportunities and many kinds of ministries taking place in the association such as:

A. Disaster Relief - Used the Disaster Trailer and Boot Camp at Caswell to help remodel and build, that which was necessary to help others, after the destruction of the hurricanes.

B. RA Fishing Tournament - September 2, 1996.

C. Recreation for church and non-church members - softball, basketball, volleyball, and golf.

We are grateful to great people who are interested in their association being all it can be for the glory of God. You have done much more than I could ever put on paper. We love you and thank you for your work and commitment.

WHAT'S COMING

This year we will focus on helping church leaders to provide the information they need to help themselves and others serve their church.

The main focus for the association will be the Bible Conference in 1997.

William L. Smith
Director of Missions

1996 Clerk's Report to the Association

At this time, I have received the Annual Church Profiles from 33 churches in our association. I appreciate the hard work of the Church Clerks in getting these prepared and in my hands. I have not yet heard from Shallotte First, Bolivia, Fellowship, Friendship, Goshen, Grace, Lebanon, Leland and Woodburn. I hope there are those here today who have brought ACPs from those churches.

From the reporting churches I found these interesting statistics:

Total baptisms for the year 226 a decrease of 54.
6 churches report no baptisms.
All other additions to church rolls 308, a decrease of 36
Sunday School enrollment 4719
Discipleship Training enrollment 1282
VBS 2,784
Total reported membership of all churches to date is 7,970.

Although the response has been good in getting the Annual Church Profiles before the annual meeting, I still need your help in getting the others. When I do not have all the letters, I cannot give you an accurate report. Often it also means that when the letters are not received in time, those churches are not included in the information sent to SBC Headquarters in Nashville and the State office in Cary. Too, it holds up the information going to the printer. Either way, it works to our disadvantage in doing the work of the Association. My reports are due two weeks after the Annual Meeting and have to be compiled from 43 sources.

Since there is no place to specify how many annuals each church wants, please contact me so I will know how many to order for your church. The cost will be $3.00.

There are approximately 75 1995 annuals that have not been delivered. I have them here today. If you have not received yours and are interested, please see me after the afternoon session.

Lalon Willoughby, Clerk

Executive Board Meeting

October 9, 1995

The Executive Board of the Brunswick Baptist Association met in regular quarterly session Monday, October 9, 1995, at Soldier Bay Baptist Church with Vice-Moderator Avery Lumsden residing.

Then, there was a time of prayer by Rev. Doug Worley, pastor of Gospel Center Baptist Church.

He brought the following recommendation from the First Baptist Church of Calabash which met in conference on August 30; Be resolved that the property, the building and furnishings of the First Baptist Church of Calabash, N.C. hereby be deeded to Brunswick Baptist Association, with request that the Association be asked to assist in working toward a viable church ministry in the Calabash area. Whereas the Brunswick Baptist Association will refer to this new work as the Baptist Mission of Calabash sponsored by the Baptist Association of Brunswick County. We further resolve that at any time the work grows to the point of a Brunswick Baptist self supporting congregation, the property will be deeded to that congregation. The Brunswick Baptist Association will be awarded all rights and legal authority to use the property to continue Baptist work in the Calabash area. Jack Hancox made the motion to accept this recommendation. It was seconded by Leo Cannon, voted upon and carried. Next, a motion was made to pay attorney's fees, preparation and deeds and title searches out of miscellaneous in the budget. It was seconded, voted upon and carried.

Following the call to order by the Moderator, the welcome and devotion was given by Terrell Watts, Pastor of Southport Baptist Church. Special music was presented by the Children's Choir of Mt. Olive Baptist Church led by Mrs. Sue Wescott.

The roll call showed 12 churches were represented, 9 pastors, 18 representatives and 8 visitors for a total of 35. Minutes were read and approved for the April Executive Board Meeting. The treasurer's report was presented and accepted. After a congregational hymn, the Mt. Olive Baptist Church Children's Choir presented more special music.

No unfinished business.

New business: David Stratton, Chairman of the Counseling Center revised the start date for the center to be September 1, 1996. He brought a motion from the Counseling Center Advisory Board that a wall with a door in it be constructed in the vacant upstairs room of the Resource Center. This wall will divide the outer reception area from the counselor's office in the space that will be used for the counseling center. A local contractor is generously donating the materials and labor for this project. The motion was seconded, voted upon and carried.

Next, Avery Lumsden brought a motion from the Missions Performance Committee that we have a two (2) day Bible Conference in the 1997 calendar year, and that a steering committee be named with at least seven (7) members and that the said conference be included in the 1996-97 budget. The motion was seconded, voted upon and carried.

Next, Avery Lumsden brought a motion from the Missions Performance Committee that we budget $2,000.00 for the Bible Conference in 1997. The motion was seconded, voted upon and carried.

Next, Avery Lumsden brought a motion from the Missions Performance Committee that the Bible Conference steering committee pick the date, time, theme, place, and speakers. The motion was seconded, voted upon and carried.

Next, Avery Lumsden brought a motion from the Missions Performance Committee for the following persons to serve on the steering committee:

John Peverett
Anthony Clemmons
Mike Blevins
Chris Hall
Debbie Simmons

Furthermore, to allow Avery Lumsden and the Director of Missions to elect two (2) more persons, preferably women, for the steering committee, and bring back the names at the next executive board meeting. The motion was seconded, voted upon and carried.

Next, Avery Lumsden brought a motion from the Missions Performance Committee that of the $3,454.81 left over from the World Missions Conference, that $700.00 immediately go for the 1996 summer mission work and then $1,600.00 of said money go to pay Tabitha Hickman's salary for our summer mission work. We also recommend that the balance of $1,154.81 be put aside for missions development. The motion was seconded, voted upon and carried.

Next, Avery Lumsden brought a motion from the Missions Performance Committee that the associational office purchase software programs needed for our new office computer. The cost will be approximately $1,478.70 plus tax. The motion was seconded, voted upon and carried.

Next, Charlie Smith, Chairman of the Nominating Committee brought a motion from the Nominating Committee for the following persons to serve in the year 1996-97:

Brunswick Baptist Association Report
N.C. Baptist Assembly at Fort Caswell
October 25, 1996

The past year has been productive, challenging and has provided us a chance to work with you in ministering to the people of our association and our state.

More than 35,000 guests have come to our corner of Brunswick County this year. More than 900 of those were senior adults representing 70 churches from across the state. The rest were guests who came for Convention-sponsored and church-sponsored retreats.

We launched two new ministries this year with the help of N.C. Baptist Men. The first, our Father-Son retreat, was held in March. We called this overnight retreat *Treasure Island* and invited fathers with sons in first through fifth grades to get away together to play, pray and talk to each other. Norman Jameson of Baptist Children's Homes of North Carolina was the guest speaker and offered guidance to fathers about growing closer to their sons.

The retreat was so successful that we planned a second father-son retreat to be held in early November as well as a father-daughter retreat which was held in late September. We have more father-child retreats planned for next spring and fall.

Our second new ministry, Mission Boot Camp, allowed us to work more closely with you. In July, more than 150 teen-agers from across the state came to Brunswick County to help repair houses and lead Vacation Bible Schools. Among other things, the kids built a shed and screen for the heating unit at Hope Harbor Home, painted houses in Sunset Harbor, led beach worship on Oak Island and worked with migrant children in Ash.

Of course, Hurricane Bertha interrupted our week, but the camp was successful and we've scheduled the second camp for next summer.

We'd like to thank the many Brunswick members who helped us coordinate and carry out Mission Boot Camp as well as the many of you who spent your time after Bertha helping us finish our Boot Camp projects. Our appreciation goes to John Ross and Juan Cohen of Antioch Baptist; Gwen and Gary Jones of Mill Creek Baptist; Jim Brown, Gil Stringer and Doris Portis of Brunswick Islands Baptist; Bob Swann of Southport Baptist; the Rev. Ron Lewis and Janie Icard of Calabash Baptist; the Rev. Charlie Smith of Ash Baptist; Tabitha Hickman, who worked with the Association this summer and is a former Assembly staffer; and of course Bill Smith, our Director of Missions.

We'd like to invite you all to ExAlt!, our New Year's Eve celebration, this December 31 through January 1. The program will feature inspiring musicians and challenging speakers. Buddy Freeman, dean of admissions at Gardner-Webb University and Randy Kilby, president of Fruitland Bible Institute, will host the event this year. There will be a separate teen track, as well.

Christian Life/Public Affairs

Thirty four hundred and fifty years ago Moses declared that his generation was ". . .a perverse and crooked generation. . .". (Deu. 32:5) About half way between Moses' time on earth and today, the apostle Paul wrote, "That ye may be blameless and harmless, the sons of God, without rebuke in the midst of a crooked and perverse nation, among whom ye shine as lights in the world. " (Phil. 2:15) Both Moses and Paul's or literally the Holy Spirit's evaluation of their generations is surely applicable to our generation.

In this year we have been involved in an attempt to keep sexually oriented businesses from locating in Brunswick County. I have been in contact with both christian and political leaders across this nation who are leading the battle against the onslaught of moral polution which runs wild in our nation today. In talking with them I discovered that the judicial system in our nation has made it virtually impossible to completely close the door on most of these sexually oriented businesses. Our County Commissioners did a wonderful job in putting together a county ordinance which will greatly restrict and discourage such businesses from locating here. It is surely not the closed door policy which we would like to have, but under the present judicial system it seems to be the best we can get.

Dear Christian, we are ". . in the midst of a crooked and perverse generation. ." This is the place and time that God has chosen for us to serve as His witness. Let us draw close to our God and Saviour that we may ". .shine as lights in the world."

Evangelism Report

Many things have happened this year first, and foremost, because of the Lord Jesus. Then, second, because of believers in Christ having a mind to work and yielding themselves to the Holy Spirit in a life of "service for the King."

In November, we were at Old Shallotte Baptist Church for an outreach installation service. It became more an exhortation service for each individual to be a witness for our Lord.

In July, we had a people search for Vacation Bible School prospects at Cornerstone Baptist Church. A group of teens and their leaders from the State Convention known as "The Missions Boot Camp" worked hard in this great effort. Many of the youth and the leaders went door to door passing out literature for VBS while others were participating in Backyard Bible Clubs. In August, Cornerstone Baptist Church had a great Vacation Bible School for the first time in this new work.

Media/Library Report

April 1996 had a very good meeting with 14 present. The meeting was held at my home.

As director, I helped Leland First Baptist get a their media/library restarted.

After attending Key Leadership Conference and State Library Convention at Caswell I had another meeting for TACMO (The Associational Church Media/ Library Organization) in July on promotion. Bad weather kept many from attending but packets on program were sent to all those churches who reported having a media/library.

We hope that more churches in the association will get involved in 1996-97. As your associational librarian many new books, equipping centers and videos have been added.

TACMO has been changed to Media Ministry.

I hope more churches will realize how important their media ministry can be. Call 253-6849 if you need assistance.

Migrant Ministry Report

It has been an exciting year for the Migrant Ministry. God has blessed our association richly in outreach opportunities and Christian fellowship with our migrant friends. The Boot Camp Ministry was instrumental in providing a Vacation Bible School for the migrants in the Ash community. We enrolled sixteen children. Mill Creek, Bethel, Elah, Faith, FBC, Boiling Spring Lakes, and FBC, Oak Island were churches involved in collecting and assembling eighty care kits for the migrant families. These kits contained basic care items. On July 22, 1996, twelve children and adults carried the care kits to the Ash community where the migrant families live. Since July, more care kits, clothes and food have been collected. These were distributed during the month of August. They were happy we came and welcomed us back to pick up their children for Sunday School.

The language barrier has made it difficult to communicate with the migrants during the past years. Mr. Juan Cohen of Antioch Church came to us this year with a burden for the migrants. He is excited about God's call on his life to minister to them. Juan was instrumental in collecting and distributing food and clothes to the migrant community. He has worked hard to establish a relationship with the people to meet their needs. Please pray for Juan as he prepares to visit and minister to the migrants.

There was a young lady who brought much sunshine to our association this summer. Tabitha Hickman, Summer Missions Intern, was instrumental in collecting and assembling care kits for the migrants. With her church's van, she and Representatives of Mission Friends, Girls in Action, Royal Ambassadors, Brotherhood, and Women on Mission carried care kits to the migrant families. Thanks Tabitha for a job well done!!

The following are some goals for the coming year. . .

(1) Continue to develop programs of building fellowship with the migrants.
(2) Continue to collect and distrbute food and clothes where needed.
(3) Share the Gospel and provide places for worship.
(4) Provide English classes in areas where needed.
(5) Provide nurseries for children of those in English classes.
(6) Involve as many churches as possible.
(7) Encourage migrants to get involved in the local church.
(8) Encourage migrants to develop their own program of worship under the leadership of the local church.

Missions Development Report

The World Missions Conference held during April was a tremendous success. The twenty-four participating churches have all reported new interest in all phases of their mission involvement - local and world-wide.

There were six churches represented in our August Missions Development session. Our resort ministries were the best ever, and we thank the Lord for the leadership of Tabitha Hickman, our summer missions intern. (Please read her report which is included in this 1996 Annual.)

Migrant ministries moved forward significantly under the leadership of Charlie Smith and the folks of Soldier Bay Church, Tabitha and especially our Spanish translator, Juan Cohen. More of our churches could help out in this vital work.

Our newest church start, Cornerstone Baptist Church, at Calabash, under the leadership of Ron Lewis, Church Planter Apprentice, has experienced significant growth in the past year. It has been housed at the old First Baptist Church of Calabash since March. The church building was put in first class condition by volunteers throughout the association.

The second Habitat house (located in the Bonaparte area) is nearing completion. Over 40 applications for homes are on hand at this time. The work of Hope Harbor Home continues to grow. There were 52 new clients in July and an additional 31 continuing clients for the month. Hope Harbor has added a second thrift store in the Leland area. Both stores need volunteers. The Literacy Council continues it's good ministry. Hospice is at work throughout our community training new volunteer workers. All of the above mentioned ministries need support from our churches.

There are still unlimited opportunities available for our churches here in the Brunswick association. Continue to make it a matter of serious concern in your church. Let the Lord lead you to minister to "the least of these; our brethren." There is so much out there that God wants us to do together in His son's name!

Brunswick Baptist Association
1995-1996 Recreation Annual Report

Again this year, God has blessed our association richly in outreach opportunities and Christian fellowship through athletics. Our largest program, coed softball, was again successful and remains our most popular program. The league fielded 15 teams from Beach Road, Brunswick Islands, Boiling Spring Lakes, Faith, Gospel Center, Lebanon, Leland, Mt. Olive, Mt. Pisgah, Sabbath Home, Southport, and Supply/Bolivia combined. Southport Baptist and Boiling Spring Lakes Baptist each had two teams in the league. Mt. Olive again "ruled the roost" winning both regular season and the tournament.

The annual golf tournament, held in November, continues to draw churches and players from Leland, Southport, Supply, Bolivia, Shallotte, Calabash, Ash, and all the beaches. A total of 128 men and women played in the 1995 tournament won by Southport Baptist Church for the second consecutive year. The tournament date this year is Saturday, November 16, 1996 and will be held again at the Brierwood Golf Course in Shallotte.

Interest is high for resuming coed volleyball among our young adults and teens. Last year we were not able to play volleyball due to the lack of facilities. At the time of writing this report, we were negotiating with the Supply Elementary School for using that gym for coed volleyball and men's basketball. We no longer have the assistance of the Brunswick County Recreation Department to secure these facilities due to a change in the relationship between the school system and the county recreation department. Although this will increase our costs for conducting these sports, we will continue these important ministries with God's help.

On behalf of the participating athletes in the association, I wish to thank the association for its support in allowing us to construct softball facilities at the newly acquired association property. Heavy summer rain and two hurricanes have hampered the development of these facilities but we are still trying to have them ready for the Spring. Please pray that God will bless this effort and that we can finish these facilities soon.

Please keep me in your prayers as I humbly attempt to follow God's direction as He opens doors of opportunity with recreation. God bless you all!!

In His service and for His sake,
Jay Houston

1996 Summer Missions

RESORT MINISTRIES

The North Carolina Baptist Assembly at Fort Caswell was the setting for an exciting youth conference June 17-20, 1996 which twenty-six youth and adults from my home church and a group from Kernersville, N.C. attended together. The week challenged these youth to "fuel their flame" for Christ by sharing His word and their testimonies boldly among their peers.

Awesome! Saturday morning, June 22, the spark in each youth was fanned into a roaring flame! They walked along Caswell, Yaupon and Long Beaches giving away sixty "Jesus Loves You" beach balls to the children and sharing tracts with their parents. The response was exciting! People need the Lord. . .We have to love the unloved by sharing the "Son" on our beaches.

The Fourth of July celebration was a wonderful opportunity to share the gospel with unreached people for Jesus. July 03, 1996 started our events. Roses Department Store in Southport proudly allowed us to use their front facilities for face painting and making salvation "Power" bands. Members of FBC Boiling Spring Lakes and FBC Oak Island served lovingly in this capacity. Nineteen children (seeds) were planted for Jesus! The sounds of helium balloons being blown up for the parade started at near dawn on the fourth. Teens began to arrive at the church ever so excited to be made up as clowns. As they all journeyed to Southport to the parade, they were jamming down to "Jesus Is Doing A New Thing". . . Praise the Lord for our youth! Balloons were passed out by the clowns. Sharing these balloons and tracts reached more than four hundred people and a "little clowning around" Jesus style!

This summer Caswell started a new program. "Mission Boot Camp" is designed for youth teams to walk their talk by actively serving Jesus in mission projects in New Hanover and Brunswick counties.

I had the privilege to coordinate mission opportunities for the choral team which consisted of twenty-five youth representing churches all over North Carolina. We were welcomed at Captain Willie's for a noon concert and at Holden Beach Pier later that afternoon. Hurrican Bertha sang a tune of a different note when she whistled in late Wednesday night. Fort Caswell was evacuated and Mission Boot Camp was drawn to an early end. Despite the storm, the efforts of these youth touched hearts to make a difference in our countries.

Saturday, July 20, "Walk your Talk Beach Ministry Day" was supported by five

area churches. Forty-three people from these churches met at Holden Beach to minister to unreached people for Jesus. They redistributed more than five hundred shells with bible verses written on them. Fifty "Jesus Loves You" beach balls were given to the children. One hundred "salvation" balloons and they shared more than two hundred tracts on the beach and at the local pier. "How beautiful are the feet of those who bring good news!" Romans 10:15.

Saturday, July 27, "Troll for a Soul" was an effort by our Brunswick Baptist men and boys to enjoy a day of fishing but to foremost cast their nets for lost souls. It was encouraging to see men taking a stand for Jesus in our county. Raising our standards as soldiers for Christ will win the battle in our communities and churches! We are commanded to be fishers of men!

Saturday, August 03, five Caswell staffers and four members of FBC of BSL went to Bald Head Island to coast for Christ in a beach clean up. Six bags of trash was collected. "God saw all that he had made, and it was very good." Genesis 1:31

MIGRANT MINISTRY

Literally thousands of migrant workers crisscross the United States each year to work in the fields. They work long hours, often at low wages, with little or no benefits. Too often they are poor and oppressed. The gospel indeed offers them hope and comfort. Mill Creek, Bethel, Elah, Faith, FBC Boiling Spring Lakes and FBC Oak Island were the churches instrumental in collecting and assembling eighty care kits for the migrant families. These kits contained basic care items. July 22, 1996 twelve children and adults carried the care kits to the Ash community were the migrant families live. Mr. Charlie Smith, pastor at Soldier Bay, led as we gave the care kits as an expression of our love to ten migrant families. "Mommie, I want to be a missionary too!" came the cry from a two year old to her mother during the distribution of the care kits. This mother then encouraged her little one to share a care kit with another two-year-old child there. We were welcomed with happy expressions on each migrant face. From a two-year-old child, mission friends, Girls in Action, R.A.'s, Brotherhood, and Women on Mission were represented in this time of sharing. They were happy we came and welcomed us back to pick up their children for Sunday School. Since this date more care kits, clothes and food have been collected. These are scheduled to be distributed during August.

I have prayed all summer for God to send someone who could lead the migrants in worship and in a decision time. God is never late! The last week of July, Mr. Juan Cohen of Antioch church contacted me with a burden to lead a bible study in the migrant community and establish a relationship with people to meet their needs. Mr. Cohen is excited about God's call on his life to minister to the migrants. Mr. Charlie Smith, who is serving as our Associational director to the migrants is truly sharing Jesus with them by his gentle spirit. He was blessed to see the smiles appear on the children's faces as Mr. Charlie walked into their yards. Please pray for Pastor Charlie Smith and Juan Cohen as they prepare to visit and minister to the migrants.

Jesus was concerned about people's physical and spiritual needs. He expressed interest and concern for children. Backyard Bible Clubs are two ways for churches to take the gospel to people where they are.

Rose Brinson is actively serving as director of their ministry. Rose will submit her final report in this ministry later this summer. She has served wholeheartedly with a joyful spirit! I had the opportunity to serve in my own backyard the last week in July. An average of ten children and youth attended three mornings. "Let the little children come to me, and do not hinder them, for the kindom of God belongs to such as these." Luke 18:16

Sunday School/ASSISTEAM

This year the association was able to help six people to attend the National Sunday School Conference in March. Also, the Baptist State Convention lead a Regional Sunday School Conference in April in our association.

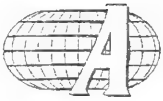
The February ice storm prevented the ASSISTeam from attending the State ASSIST Training Conference in Cary, N.C., but we held a small training session in June. This was followed by Associational Sunday School Conferences in September at Calvary and Town Creek which were lead by our ASSISTeam.

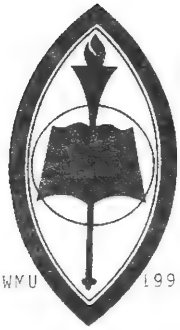
Wayne Turnage
Sunday School Director

Backyard Bible Clubs

Seeds were planted! Several very successful Backyard Bible Clubs were held in the association during the summer. Approximately 150 children and youth learned of God's love in these sessions.

Rose Brinson,
Backyard Bible Club Director





Our journey for 1995-96 has ended! And what an incredible journey it was! We began at Mt. Pisgah with leadership training and 126 people came to learn and carry back information to share with their churches. WMU organizations went through name changes no longer are there Baptist Women or Baptist Young Women; we were and still are that, but women in the Brunswick Baptist Association became Women on Mission! A name change, but the purpose and tasks never changed -- **TO TELL OTHERS ABOUT JESUS, TO UPGIRD THE WORK OF THE CHURCHES AND ASSOCIATION.**

One of our national and state goals was to work with the local association during a World Mission Conference. We definitely accomplished that goal! The Brunswick WMU became the official hostess for the Brunswick Baptist Association World Mission Conference. We were there at the Rally on Saturday night; on Sunday, at the Mission Fair, we were the "air-conditioned" food booth in the Resource Center; on Tuesday we hosted a "special" luncheon for the missionaries. We fixed "goody" bags for them to carry home with them to remind them of the Brunswick Baptist Association. In return they helped us to go on a missarionary journey as they shared with us about their work at home and abroad.

Foreign Mission Study and the Week of Prayer for Foreign Missions were held in 31 churches. Churches exceeded their goals for the Lottie Moon Christmas Offering for Foreign Missions.

We made a journey of love and sharing as we donated pocket calendars for the Red Christmas Boxes for the North Carolina Prison Ministry. We collected over 300 calendars.

A Celebration experience at First Baptist, Leland was well-attended, and those present celebrated the point they had reached in their WMU Journey. The WMU Rally (Banquet) at Southport, a time of celebration and love as we fellowshipped and shared together our love for missions. Another destination reached as we traveled on our missions journey.

Another point on our journey was Home Mission Study and Week of Prayer for Home Missions, only 22 churches went on this journey, but others joined the journey by their contribution to the Annie Armstrong Easter Offering for Home Missions.

In March, The Brunswick WMU was well-represented at the Mission Extravaganza in Ridgecrest! What a journey that was, we were led to mountaintop experiences as we listened to the missionaries and attended the training workshops.

GA's took part in the journey during '95-'96 with a very special Mother-Daughter Banquet. GA Camp at Caswell was an exciting experience for them as they did mission-action projects, learned about missions, and fellowshipped together. Laura Sillings was an exciting tour guide on the GA journey.

During College Spring Break, our journey carried us to Caswell on Friday and Saturday, where we provided food and beverage for over 150 International Students worshipping at Caswell.

Our final journey of '95-'96 was our annual meeting at Friendship. Jane Barnes, Resort, Community, and Olympic missionary from the Home Mission Board, spoke to us. We gave her 100 Slip-Disc with the Planway of Salvation on them to use in her missions work. We shared celebration experiences and realized we had weathered the name changes; we no longer minded the terms facilitator and coordinator for Women on Mission, Acteens, GA's, and Mission Friends that make up Women's Missionary Union and "We Are Laborers, Together With GOD." WE HAVE RISK THE JOURNEY in '95-'96 and now we stand HAND IN HAND as we face '96-'97 to carry and send the Gospel Story.

In His Service,
Jacqueline B. Smith

Associational Youth Ministry Annual Report

Beginning and Maintaining a Youth Ministry was the topic of a presentation by Hal Melton at Mt. Pisgah Baptist Church on March 12th. There were 31 youth workers and leaders representing 12 churches from our association in attendance. Hal covered the basics of youth ministry; the planning, the budgeting, the "advertising" and most of all the reaching out to youth in the local church community. Hal works with Youth and Campus Ministries through the North Carolina Baptist State Convention. Our sincere thanks to Mt. Pisgah and the wonderful people there for hosting this event.

Our annual Spring Associational Youth Night was held on March 16th at Shallotte First Baptist Church. The Baptist Student Union from the University of North Carolina at Wilmington led a creative workshop service for 130 youth and their leaders from our association. The team used powerful dramatic presentations as well as music to help the assembled youth understand what their relationship with Jesus Christ should be. A couple of young men from UNC-W talked with the youth, sharing personal moments from their lives. They invited the youth to turn their lives over to Jesus. A number of youth responded.

Our thanks to Shallotte First Baptist for hosting this event and for the wonderful cookout before the service. We appreciate your time and efforts on behalf of associational youth ministry.

Old Shallotte Baptist Church was the scene for our Fall Youth Rally on September 21st. About 90 youth and their leaders from 11 churches in the association came together for a time of fellowship. The wonderful people at Old Shallotte provided a tasty meal of hamburgers with all the trimmings and a bountiful buffet of desserts. Thank-you to everyone at Old Shallotte for the great job in hosting this associational event. We appreciate your efforts in making this a successful associational youth ministry happening.

The Baptist Student Union from Campbell University provided the service for the evening. They began with an hilarious skit about that "first kiss" that kept the audience in stitches. The team then lead the youth in a number of popular inspirational songs and choruses. These and additional skits helped prepare the youth for a powerful message from Shawn Goss, a senior at Campbell majoring in Religion and Philosophy. Shawn shared some of the moments from his life when doctors had told his parents that there was little hope for him to live beyond a certain age. It was a powerful message about a God that loves us and cares for us in our loneliest moments.

On Monday evening September 23rd, Hal Melton from the Baptist State Convention office in Cary joined us at First Baptist Church Boiling Springs. We had 18 youth leaders and parents of teenagers from 8 different churches in the association.

The topic of Hal's discussion for the evening was how to get parents involved in the local church youth ministry. He covered a number of things that the youth leader in a church could do to encourage parental support for the youth program in the local church. Chief among these was the need to keep parents informed of what is going on and why. When parents know when something is going to happen (and not two days down the calendar) and what you hope to accomplish, parents have shown increased interest and provided increased support for local youth ministries.

Hal also covered the concept of Lead Teams in planning your youth ministry work. Lead Teams provide an avenue for anyone in the church to help with youth ministry on varying levels of participation. The idea here is to have your youth ministry calendar planned well in advance and then solicit support from interested members of you church to plan and carry out the "important" events in your calendar. In many instances, Lead Team volunteers become "hooked on" youth ministry and become a resource for the future from which to draw youth leaders and teachers.

Our thanks to First Baptist Church Boiling Springs for hosting this important training event for the youth leaders of our association. One final thought from that evening. See if you know what this means. . .

Making Life for Older Adults...

The Best of Times

The continuing goal of Baptist Retirement Homes is to provide more and better services for Older Adults. During 1996 several developments have moved us toward this goal.

Some new staff members have been added to help provide the kind of total care which residents need and deserve. Tanja Keay has been employed as Vice President of the Health Services Division. Paulette Richmond came as the new manager of the Hamilton Baptist Home. Carla Hyde was named director of the small group program for residents with dementia, a program designed to enhance their quality of life. Patricia Fling is the director of the In Home Care program which began a few months ago. Dr. Earl Watts, an Associate Professor at the Bowman Gray School of Medicine, is serving as the medical director for In Home Care.

Early in the year, renovation of the Hamilton Baptist Home was completed providing a more attractive and comfortable place for residents in that facility. The new Cecil and Gertrue Young Solarium at the Rickman Nursing Center in Asheville will provide space for the small group program for residents with dementia. At Brookridge, renovated space in the Assisted Living section, and named "Stokes Court," will house the new Assisted Independent Living Unit. A new passenger van will facilitate transportation for residents at the Taylor House in Albemarle as they attend church, keep appointments, go shopping, or participate in social/recreational events.

During the year, Baptist Retirement Homes has provided assistance in the planning for Cliffwood, a new continuing care retirement community being built in Fayetteville. Two Fayetteville churches, First Baptist and Snyder Memorial Baptist, have formed a nonprofit corporation to lead this project. A 27-acre site has been selected. Plans call for 105 Independent Living units, 20 beds in Assisted Living, and 20 beds in a nursing care unit. All units will be available on a rental basis with no entrance fees.

The James M. Hayes Society has been formed to recognize and thank those persons who remember the Baptist Retirement Homes in their estate planning. Thirty-three charter members constitute this group named in honor of the "Homes" founding superintendent.

Finally, we recognize with deep gratitude those North Carolina Baptists who gave through their churches to support the ministry during the past year. Through the cooperative program, the special February Offering, and other church gifts, the "Homes" received a total of $1,030,052 during the 12 month period ending September 30, 1995.

The trustees and staff are grateful to North Carolina Baptists for helping us to make life for Older Adults. . . . **The Best of Times!**

Christian Action League of North Carolina, Inc.
1996 Annual Report To The Associations

In a recent survey released by the Family Research Council, 66% of those polled said that our country was headed down "the wrong track." When asked whether the nation's wrong direction could be attributed to the lack of jobs and economic health or a decline in moral values and family breakdown, over 60% indicated the latter. We at the Christian Action League agree that our state and nation need a restoration of biblical, moral and family values. In 1996 we were honored to assist communities in their battles for civic and moral righteousness and to promote laws in the General Assembly that have helped to restore family values to the State of North Carolina.

A. *Christian Values*. The Christian Action League joined with other Christian organizations to promote Christian Heritage Week in North Carolina, March 17-23. We experienced a wonderful week as presentations and commemorations were held in many churches, schools and communities across our state. The week culminated with an awards ceremony and reception for the winners of the statewide essay contest and their families. The League provided decorations and programs for the event and hosted the reception at the State Archives and History Building in Raleigh.

The League undertook a project in association with the American Rights Coalition to distribute thousands of copies of the Ten Commandments throughout North Carolina. To date, over 5,000 copies of the 11x14 prints have been distributed throughout the state to individuals and churches.

B. *Lottery.* We saw renewed efforts to push a lottery bill through the General Assembly for a statewide referendum. Representative Fitch introduced two lottery bills: HB 606 (Rules Committee) and HB 838 (JII Committee). The League actively lobbied against these bills and both bills died in their respective committees. North Carolina continues to be the largest state in the nation and the only state in the Bible belt with no state-sponsored gambling. Please keep us in prayer as the League faces this battle each year.

C. *Sex Education.* CAL actively lobbied for HB 834, Abstinence Until Marriage, a law that mandated that abstinence until marrige be the focus in sex education in North Carolina schools and was passed in the 1995 session. CAL and other pro-family, Christian organizations have been working with the Dept. of Public Instruction and State Board of Education in 1996 encouraging them to implement the law through abstinence-based curricula. We have also assisted communities in seeing that this law is properly implemented at the local level.

D. *Homosexuality.* CAL participated in efforts to get SB 1487 (No Same-Sex Marriage) passed during the short session of the General Assembly. The bill passed both houses and became law.

Alerted our members in the Winston-Salem area about the Family March on June 30 and encouraged them notify their churches to participate. This march was in response to the homosexual community march held in that city. The Family March attendance was estimated at 8,000.

E. *Abortion.* The League actively supported Representative Decker's HB 624, a Woman's Right to Know. This bill would have required the doctor to share vital information with the patient about the risks of abortion and would require a 24-hour waiting period. We were disappointed that the bill did not pass this session; however, we will work for its passage again next session.

F. *Alcohol.* CAL assisted several communities in setting up an organization to combat liquor referendums.

My friends, we are living in times when the Christian community needs to exercise spiritual discernment and stand strong for Biblical principles that further righteousness, strengthen families and bless our state and nation. We are grateful to God for the prayer and financial support that the League receives from the churches of your association that allows us to be on the front lines in this spiritual warfare.

Highlights from the FOREIGN MISSION BOARD

FALL 1996

We will lead Southern Baptists to be on mission with God to bring all the peoples of the world to saving faith in Jesus Christ.

As in all past years, our Lord has abundantly blessed the work of the Foreign Mission Board through countless ways. We wish to thank all Southern Baptists for their roles which undergrid the FMB. Without the concerted, cooperative effort of all Southern Baptist churches, the work and mission of the FMB would be only a shadow of its present position.

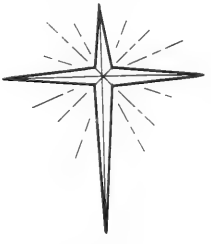
We are distinctly privileged to follow our Lord's command found in the Great Commission. Each year brings us closer to taking the gospel to all nations (best rendered as ethno-linguistic people groups).

The following annual growth levels reflect the combined reports from all foreign mission points as of the start of this year:

- A record number of newly constituted churches: 2,612
- Total number of countries where missionaries reside: 131
- Total number of baptisms overseas: 287,806
- Number of new people groups touched by the gospel: 41
- Baptisms among least-reached peoples: 6,548
- Total number of missionaries: 4,129
- Total number of short-term volunteers: Over 15,000
- Total number of newly appointed missionaries: 544
- Record amount of Lottie Moon Offering: $89.9 million
- Increase in enrollment in discipleship programs: 74%
- Number of new cities opened to the gospel: 528

Southern Baptists support the Foreign Mission Board in multiple ways.

Daily prayer assistance tops the list. Likewise, sacrificial giving through the Cooperative Program and the Lottie Moon Christmas Offering have provided innumerable opportunities to spread the gospel. As missionaries preached, taught, healed and counseled, you were there. The Foreign Mission Board counts it an honor to partner with you to spread the Good News of Jesus Christ to every shore.



1995 Annual Report Summary/Highlights

The Home Mission Board (HMB) is a missionary-sending agency of the Southern Baptist Convention (SBC). With national offices in the Atlanta, Georgia area, the HMB's purpose is to serve Southern Baptists by assisting churches to proclaim the gospel of Jesus Christ, start and grow New Testament congregations, and minister to people in the name of Christ.

As of December 31, 1995, there were 4,857 missions personnel serving in the United States, the Caribbean, Guam, American Samoa, and Canada. The HMB also has endorsed more than 2,400 chaplains who are serving in healthcare agencies, institutions, businesses, the military, and pastoral-care roles. Nearly 2,300 Mission Service Corps volunteers are serving on home mission fields. During the year there were 1,458 church starts, the second highest number in 10 years. Southern Baptist churches baptized 393,811 people in 1995, an increase of nearly 15,000 over 1994.

Approximately half of the HMB's support comes from the annual Annie Armstrong Easter Offering for Home Missions. In 1995, gifts to the offering totaled $38,908,339, the largest in HMB history. One hundred percent of the offering goes to support the work of home missionaries in the field. The 1996 Annie Armstrong Easter Offering goal is $42 million. About 35 percent of the HMB's income comes from the denomination's Cooperative Program.

The following is a summary of program/support ministry highlights from 1995:

Chaplaincy Ministries–The 2,412 Southern Baptists now serving as chaplains and pastoral counselors reported more than 27,000 professions of faith. During the year, 179 Southern Baptist ministers were endorsed for the first time by the Chaplains Commission of the SBC.

Church Loans–The Church Loans Division closed 98 church loans totaling $25 million, including $3.4 million of refinancing.

Associational Administrative Service–In more than 1,025 associations, 950 associational missionaries have an extremely significant role in leading churches to strategize and work in partnership to evangelize, minister, and start churches in all places and among all people groups.

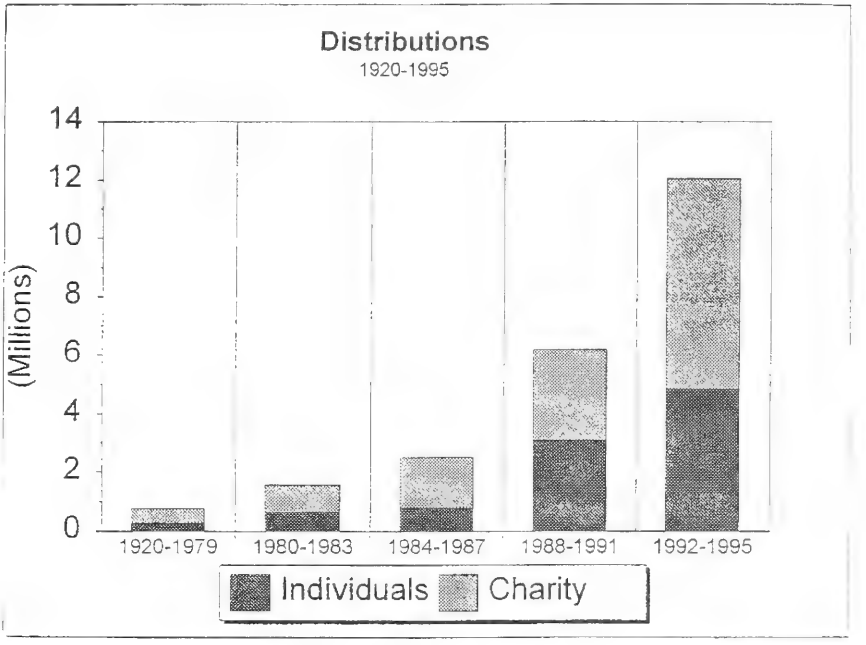
Language Missions–Home missionaries in the Language Church Extension Division worked among 106 ethnic groups and 98 American Indian tribes, using 106 languages and dialects, in addition to sign language.

Volunteers–Volunteers continue to serve in record numbers and represent more than $100 million in value to the HMB. In 1995, more than 70,000 persons served as volunteers. Mission Service Corps missionaries, numbering 2,193, represent a cadre of committed people responding to God's call to be personally involved in home missions. They were responsible for leading more than 5,600 people to Christ.

Prayer and Spiritual Awakening–The Home Missions Intercessory Prayerline received 82,000 calls in 1995. Missionary prayer requests were given in more than 178,000 English and Spanish *PrayerGrams*.

Mass Evangelism–This department assisted in implementing the *Here's Hope. Jesus Cares For You.* Harvest Revivals. An estimated 25,000 to 35,000 churches participated in some portion of the *Here's Hope* emphasis.

Alternatives to Abortion Ministries–As a result of ministries in 37 crisis pregnancy centers, 806 persons prayed to receive Christ and 1,823 babies were born.



The mission of the North Carolina Baptist Foundation since its inception in 1920 has been to assist the Convention and its institutions and agencies in generating endowment to enhance their permanent financial support. The uniqueness of the ministries and services provided by the institutions and General Board staff merits increased individual collective financial support. The Baptist Foundation is committed to assisting individual church members through creative stewardship methods to provide permanent financial undergirding of these ministries.

As of December 31, 1995, the Foundation held $55,608,452 under management. In 1995, $3,144,471 was distributed to Baptist work and $1,125,383 was distributed to individuals for a total distribution of $4,269,854.

The income distributions for the entire 76 year history of the N.C. Baptist Foundation totals: $9,673,682 income paid to individuals and $13,458,579 to Baptist churches, institutions and mission causes for a grand historical total of $23,132,261.

Meeting the Challenges of Health Care

1996 Report to the Association

"Touching Lives With Hope"

HOSPITAL HIGHLIGHTS FOR 1996

DIVISION OF PASTORAL CARE

During this year the 18 to 40 Chaplains present at various times at the Hospital made over 55,000 pastoral contacts.

As of July 1, 1996, the counseling centers will be called CareNet, Inc., of The North Carolina Baptist Hospitals, Inc. Over 26,000 hours of counseling were provided through the eleven centers across the state of North Carolina. Two additional centers will open in the fall of this year.

The Center for Congregational Health has, since inception in 1992, provided ministry at some level to over 225 North Carolina Baptist Churches.

Mission dollars from the Cooperative Program enabled the above ministries to be carried out and to touch thousands of lives.

BAPTIST BENEVOLENT CARE FUND

North Carolina Baptists joined us in a mutual mission through the Mother's Day Offering. We channeled every penny of the MDO, which amounted to $461,647, to help patients who had no health-care insurance and no financial means to pay their hospital bills. We are grateful to everyone who made this ministry possible.

POINTS OF EMPHASIS AND PROGRESS

Financial Stewardship - The Medical Center is constantly seeking ways to lighten the financial burden of those who are ill. Recently the room rates were reduced by $50 per day.

Aegis - This is an alliance of primary-care clinicians who serve patients regardless of their medical plans or HMO/PPO affiliated. "Aegis" means protection or sponsorship: Aegis Family Health Centers is a network of primary care physicians affiliated with The Medical Center. It now has 33 providers in 10 practice sites.

QualChoice of North carolina - QualChoice is The Medical Center's managed care company. Eighteen months old, it serves approximately 30,500 enrollees, giving quality health-care and patient/physician choice.

Regional Integrated Information Network - RIDS is a regional computer network now in the pilot phases. The network allows providers in the region to exchange patient information electronically, saving time and money. RIDS is a plan which assists communities in our service area to develop a coordinated continuum of care. In this plan, primary care physicians, community hospitals, nursing homes and other patient care providers link their services with those of The Medical Center. The desired outcome is improved patient care and cost-effective services.

The J. Paul Sticht Center on Aging - The Center devotes itself to the special problems of older adults. When the center moves to its new home in 1996, its services will not only provide specilized health care but will also include a day care program for the elderly that will serve as a link between hospital and home, helping to reduce rates of rehospitalization and premature placement in nursing homes.

A CLOSING WORD

Since its founding in 1922, the Hospital has taken pride in our ministry of service. In doing so, we seek to make tomorrow's patient care and tomorrow's workplace constantly better. That has been our mission historically, and it continues to this day. I firmly believe that our best lies yet ahead, and I am committed to that reality.

ARTICLE I - NAME

The Association shall be denominational and shall be known as the Brunswick Baptist Association.

ARTICLE II - PURPOSE

The prime purpose of the Association shall be to counsel together for enlargement and strengthening of God's Kingdom and promoting unity and growth among the churches composing it, and by cooperating with the Baptist State Convention of North Carolina and the Southern Baptist Convention and their agencies in the work of Missions, Christian Education, and Social Service.

The means of accomplishing the purpose of this Association shall be in strict conformity with the New Testament and the guidance of the Holy Spirit.

ARTICLE III - MEMBERSHIP

Section 1. This Association shall be composed of the cooperating churches which have been received into and continued in the fellowship of the Association.

Churches may be received into fellowship only after having been under the watchcare of the Association for one (1) full year. Application for membership shall be made in accordance with the rules and regulations established by the Association. Churches under watchcare of the Association shall make written reports of their progress and cooperative efforts as required by the Association.

Section 2. The Association shall be the sole judge of its membership and may receive churches into its fellowship, or reject churches, according to its Constitution and Bylaws. Affiliated churches may also withdraw as they desire. For a body to be considered for membership in the Association, it must:

(1) Be a church applying from a sister association, coming in good standing, or

ARTICLE IV - MEETINGS

Section 1. The Associational year shall close on the 30th of September. Letters from the churches shall, as soon thereafter as possible, be transmitted to the Clerk of the Association for consolidation and use at the annual session, which shall convene on Thursday afternoon, Thursday night, and Friday morning and after-

noon, after the third Lord's Day in October of each year, except, however, when compelling conditions make it necessary to change this date, in which event the Executive Board shall be empowered with authority to determine the date of the session.

Section 2. Special meetings may be called by the Moderator provided two (2) weeks' notice is given to all affiliated churches.

Section 3. Messengers of the churches to the meetings of the Association shall be composed of the Pastor or Interim Pastor of each of said churches, and three (3) messengers from each church whose membership is 200 or less, and one (1) additional messenger for every 100 members or fraction thereof in excess of 200. Such messengers must be certified by their churches to the Association.

Section 4. Only certified messengers from affiliated churches shall vote on matters before the Association.

ARTICLE V - AUTHORITY

Section 1. The New Testament is the sole authority for the faith and practice of this Association. The doctrinal statement known as the New Hampshire Declaration of Faith, as revised by the Southern Baptist Convention in 1963, reflects in general the doctrinal beliefs of this body.

Section 2. In no instance shall the Association presume to direct or control any member church with reference to its own government or internal policy, but shall be ready and willing at all times to counsel, advise or assist any member church, when so requested.

ARTICLE VI - GENERAL OFFICERS

Section 1. The general officers of the Association shall be Moderator, Vice Moderator, Clerk, Statistician, Treasurer, Parliamentarian, and Chairman of Trustees. These officers shall be known collectively as the Administrative Service Officers.

Section 2. They shall be elected annually by the Association and shall assume their responsibilities at the close of the session at which they are elected and serve throughout the ensuing year.

Section 3. The elective term of the Moderator shall be limited to two (2) consecutive years; provided, however, after a lapse of two (2) years he shall be eligible to again be elected.

Section 4. In the event a vacancy occurs in the office of the Moderator, then the Vice Moderator shall immediately and automatically become the Moderator for the unexpired term of office. In the event a vacancy occurs in any other administrative service officer position, then that office shall be filled by the Executive Board upon a majority vote.

The Executive Board shall be composed of the General Officers of the Association, the Pastor, or Interim Pastor, of each church in the Association, two (2) members from each of the participating churches (the latter to be elected annually by their respective churches), the Director of Missions, the General Board Member and the Director/Chairman of each ministry/program committee established by the Association.

Section 2. The Executive Board shall act in behalf of the Association between annual sessions and supervise the work of the Association in promoting the programs of the Baptist State Convention and the Southern Baptist Convention.

Section 3. The Executive Board shall meet annually on the Monday night after the second Sunday in January and at least quarterly thereafter each year on nights established by said Board at the annual January meeting.

Brief History of Soldier Bay Baptist Church

The Baptist Church in Ash, North Carolina was constituted the 15th day of May, 1886, by elders Nathan Miliken, Ephraim L. Swain and James A. Mintz. The church was named Soldier Bay. The name Soldier Bay dates back to the Civil War. A large bay located near the Waccamaw River was a very popular hideout for the soldiers of the Confederacy. Because so many soldiers hid in the bay, it was called "Soldier Bay."

The organizational meeting of the church was held in the kitchen of a log cabin owned by J.A. Smith. Shortly after the organizational meeting members of the church got together to build a meeting house. The building was approximately 30 feet by 20 feet. It was located near the present site of the home of Edward Smith on what is now known as Ash-Little River Road. There were fifteen (15) members of this first church. The first pastor, in 1886, was Rev. James A. Mintz.

In 1902 the church was moved to its present location. The members wanted the church to be in the middle of the community. The church site is on the corner of Highway 130 and Longwood Road, not far from the Waccamaw School and near the Ash post office. The present church building was proposed and approved in church conference on May 16, 1943, and was completed in October, 1947.

The covenant of the church was written by the early founders and serves as a guiding inspiration for our members today.

From 1886 to 1997 Soldier Bay has had 34 pastors. The early church had fifteen (15) members and today there are 211 members. One hundred and four (104) are enrolled in Sunday School with an average of sixty-eight (68). The church has full-time ministry with weekly Sunday Morning Sunday School and morning worship service, Sunday night services and Wednesday night prayer meetings. We have an annual Vacation Bible School. The enrollment this year (1997) was 117. The church is in the Brunswick Association. We contribute 6% of its income to the cooperative program and 4% to the Brunswick Association for the advancement of missions.

Our present pastor is Rev. Charlie A. Smith. The worship service is enhanced by the choir, choir director, pianist and organist. The Women on Missions, Acteens and G.A.'s stay busy with home missions. The Brotherhood and R.A.'s are organizing and planning to work together to better the church and the community. The church is enjoying the new sound system, the newly landscaped grounds and the prayer garden. Soldier Bay continues to grow and when you are in the area please worship with us and enjoy the friendly and warm hospitality.

New Business: David Stratton from the Missions Performance Group brought a motion: On October 13, 1997, it was mentioned at our Associational Executive Board meeting that Goshen Baptist Church, one of our associational churches, had voted to call a woman to be the pastor of that congregation. Some within our association promised us that action would be brought before the messengers of this Annual of this promise, the Missions Performance Group discussed the matter. It is the conviction of the Missions Performance Group that prayer and study should properly precede any action on this issue. Therefore . . .

The Missions Performance Group moves that the Moderator in conjunction with the Nominating Committee recommend a study group of not more than six (6) and not less than four (4) persons to study this topic: Women in the Pastorate as it Relates to Associational Work. The names of those serving on this study group will be presented for approval to the January, 1998 meeting of the Executive Board. The study group will make its final report and recommendation to the messengers of the 1998 Annual Meeting. Furthermore, the Missions Performance Group requests that we make this a matter of prayer within our association for the next year. This motion passed with the following changes - six (6) months time instead of the one year - making the final report and recommendation to the April 13th Executive Board Meeting. David Stratton made another motion that we except the New Ebenezer Baptist Church into our association. This motion was seconded, voted on and passed.

Director of Missions Report

Brunswick County, according to all reports, is still one of the top growing counties in the United States. Many economists, and others who specialize in migration trends, say that from Myrtle Beach, S.C. to Wilmington, N.C. is the fastest growing area in the United States.

We are seeing a migration of people at a phenomenal rate to Brunswick County. The *Star News*, in an article dated October 19, 1997, quoted Charles F. Longino, Jr., a Wake Forest University professor specializing in migration trends, has categorized the people coming to Brunswick County as "amenity migrants," usually pre-retirees looking to stay ahead of the baby boomer pack moving to the coast. He also said that Southeastern North Carolina has everything they are looking for; a low crime rate, mild weather, good hospitals, and a low overall cost of living. "This is the golden stream coming our way - the cream of the crop." He said, "They have a lot of wealth and a lot of ability."

Many changes are taking place in Brunswick County. My guess is within 5-10 years Brunswick County will take on a new personality. It will look different, act different, and be a mixture of varied groups of people. We, as Brunswick Baptist, must take a good hard look at the information given us by these resourceful people and make adjustments in order that we might minister and reach this group of people.

This year the New Ebenezer Baptist Church congregation came to us and asked for membership in the Brunswick Association. New Ebenezer is a Black congregation now building a new church on Highway 211, east of Supply. The Pastor, Ronnie McCray, asked for membership because of what the Brunswick Association was doing to help people. After many hours of discussion with Ronnie and his congregation, the Mission Performance Group agreed to recommend a motion be brought before the association to accept New Ebenezer Church under the watchcare of the association. Beach Road Baptist Church has agreed to accept the New Ebenezer Church under their watchcare and sponsorship for a one year period. The association will be voting on this matter at the Annual Meeting on October 24, 1997, at Soldier Bay Baptist Church.

We are continuing to work with the Cornerstone Baptist Church and are beginning to see good possibilities for future ministry in the Calabash area. The Rev. Bill Haskins is presently serving as interim at Cornerstone.

The Associational Centennial Committee is continuing to work toward the association's 100 year celebration in 1999. This past year the committee has met to discuss everything from program to history. At the present, we are asking that every church prepare its own history in order that it might be a part of the Centennial Meeting in 1999. We look forward to this special celebration. The Annual Meeting will be on October 22, 1999, and the Centennial Celebration will be October 23, 1999.

The Brunswick Counseling Service, Inc. has been in operation for little over a year now. Dr. Gray has had the opportunity to minister to many people since the service opened. He has been well received by the people and the counseling service is continuing to grow.

During the July, 1997 Executive Board Meeting, the Missions Performance Group brought a motion to call Brother Jack Hancox as our part-time Missions Ministry Director for the association. He would be called to serve twenty (20) hours a week. Jack would be our Missions Development person and work with all the churches in the association in this area. We appreciate the work Jack is doing.

Charlie Smith, our Migrant and Spanish Speaking Director, is continuing to work with this group and has made some progress in establishing a work.

We have had many opportunities for training and other ministries this year and some of them are listed as follows:

1997 Clerk's Report to the Association

As of this date I have received the Annual Church Profiles from 36 churches in our Association. I really appreciate the time, hard work and effort of the Church Clerks to get these to me.

I have not received the ACP's from Bethel, Lebanon, Leland, Longwood, Oak Grove, Sunset Harbor First and Woodburn. I hope there are people here today that have brought the ACP's from those churches.

Although the response has been good in getting the Annual Church Profiles to me before the annual meeting, I still need your help in getting the others. If I do not have all the letters I cannot give you an accurate report. Most times it also means that those churches are not included in the information sent to SBC Headquarters in Nashville and the State office in Cary.

Some of the statistics from the reporting churches are as follows:

Total baptisms for the year -- 229 - a decrease of 3
All other additions to church rolls - 326 - an increase of 10
Total Sunday School Enrollment - 5,222 - a decrease of 21
Discipleship Training Enrollment - 1,326 - a decrease of 62
Vacation Bible School - 2,882
Total to date of all reported membership - 9,026 - an increase of 328

There are some annuals from last year that have not been delivered. If you have not received yours and are interested, please see me or Patricia after the afternoon session. The cost is $3.00 per copy. Also, if anyone wants to order annuals for this year you can see me for that also.

They are open two (2) days a week, and have seen 38 different people. He requested help from the local churches and pastors in letting people know that they are there to help.

Over 1/2 of the people seen are members of the churches in our association. In cooperation with the town commissioner, judge, parents, and the sheriff's department, he is going to lead a support group for people with family and friends on drugs. They will meet at Columbia Brunswick Hospital in a room they offered them.

Media/Library Report

The year started off with a meeting at the director's home with a program on promotion and things coming up. Packets of materials were mailed to those churches who did not attend. Had fourteen (14) in attendance representing Southport, Faith, Calvary, Ocean View and Boiling Spring Lakes First.

In April, 1997, three (3) media/library personnel from Boiling Spring Lakes First Baptist Church attemded the N.C. Church Media/Library Workshop at Caraway Conference Center and made plans to come to our next meeting and share with the other churches what they learned.

May, 1997, found your director attending the Key Leadership Conference at Caswell.

June, 1997, found Velvyn Shirley, director of the media/library at Boiling Spring Lakes First, coming to Southport Baptist as hostess and in charge of the meeting. Southport wanted the meeting held there so that the other churches could see their new library colors and shelves. Great job Southport!

All during the year your director has been cataloging many new books and videos and putting in new shelves at the Associational Resource Center.

Also, went to Boiling Spring Lakes First during the year and gave them information on how to have and run an effective media/library.

Call me at 253-6849 if I can be of help.

The Resource Center has many new items that would be of benefit to your church. Come see us and check some things out.

Missions Development Report

God is moving mightily among us these days. And it is a great cause for rejoicing. Some of our churches are responding to the great mission field which is moving in on us. Between 1990-1996, over 10,000 newcomers arrived in our county. Another 2,000 are expected before the end of 1997. To meet this challenge some of our churches are developing new and effective outreach programs. Several churches have two (2) Sunday morning churches all year long.

Great strides are being made in several areas of ministry by our churches. We are moving outward and forward in our mission commitment and we thank the Lord for His leadership. My goal for the number of churches directly involved in missions development is twenty (20). Today thirteen (13) churches are assisting and others are about ready to get in with us.

The migrant/Spanish language work has made important gains this year. Charlie Smith and Soldier Bay Church are leading out with the significant assistance of Juan Cohen (Antioch). Other churches need only to contact Charlie to get involved directly.

Resort ministries at Sea Mist were ably led by Terry Foss, pastor of Bonaparte Baptist Church. The Cabana services at Long Beach were led by Wilton Lennon and First Baptist Church of Oak Island with great help from Jeff Johnson and Southport Baptist, Lucy Lumsden and First Baptist of Boiling Spring Lakes, and Gaylin Huff and the Caswell Staff. We expect to see this ministry expand greatly next summer.

More churches are realizing that ministry opportunities exist for church volunteers in Hospice, Hope Harbor Home, Habitat for Humanity, Literacy Council, and our newest helping agency, Providence Home, Emergency Teen Shelter at Southport. Providence Home has already held it's dedication, the staff is in place, and in November, 1997, the home will be fully functioning.

Several of our churches have been blessed by their involvement in the Communities in School "Adopt-a-School" Program. We anticipate that by next fall we shall see at least twelve (12) of our churches in this exciting ministry.

A food distribution program managed by Peace Memorial Church now touches people throughout the county. The Lord is blessing this ministry in a great way. They now are open every Thursday at 6:00 P.M. to assist the hungry.

Some of our church people are helping with the Brunswick Learning Center, Southport, in a "be a friend" program. That matches up students, teachers, and church people on the campus daily!

Other Ministries in which our people from our churches have been involved include: Caswell Boot Camp, Backyard Bible Clubs, Promise Keepers, Tailgate "Food" programs at local football games, a bus ministry to kids, outreach to singles, sending children and youth to camps (those unable to pay), Bible classes in the high schools, outreach to nursing/retirement homes, home repairs and raking leaves for shut-ins, a CROP Walk for the hungry.

The associational WMU held a successful Child Advocacy/Missions Fair at Mill Creek Baptist Church.

Relationships with our brothers and sisters in the black churches have deepened and expanded. A large group of our men and women have assisted in "project drywall" with New Ebenezer Church. Other projects are underway.

So much is going on and all we can do is praise the Lord. New ministries being planned by our churches range from participation in a jail ministry, establishing a soup kitchen and an "In As Much" campaign. We have had a great year in missions development and God has greater things ready for us --- when our churches are ready! So let the Lord lead you to minister to the "least of these" our brethren and His children. Continue to pray to Him that outreach may become a matter of serious concern in our churches.

Brunswick Baptist Association
1997 Recreation Annual Report

God has blessed our association richly in outreach opportunities and Christian fellowship through athletics during the past year. For the first year since recreation became a part of Association programs, it was self-supporting in that no Association funds, other than some for mailing and printing, were used. This was accomplished by each sport collecting entry fees which covered the costs. The annual golf tournament actually made money which will be used to fund future programs and to supply equipment. To God be the Glory!

Our largest program, coed softball, was again successful and remains our most popular program. The league fielded 14 teams from Beach Road, Brunswick Islands/Supply combined, Boiling Spring Lakes, Faith, Gospel, Center, Lebanon, Leland, Mt. Olive, Mt. Pisgah, Sabbath Home, and Southport. Southport Baptist and Leland Baptist each had two teams in the league. Mt. Olive Baptist Church again won both regular season and the tournament.

The annual golf tournament, held in November, continues to draw churches and players from Leland, Southport, Supply, Bolivia, Shallotte, Calabash, Ash, and the beaches. A total of 108 men and women played in the 1996 tournament won by Shell Point Baptist Church in a card play-off with Calvary Baptist Church after both teams posted a score of 61. The tournament date this year is Saturday, November 15, 1997, and will be held again at the Brierwood Golf Course in Shallotte.

We are trying to resume coed volleyball among our young adults and teens. We have not played volleyball in two years due to the lack of facilities. We have renewed a relationship with the Brunswick County Recreation Department which may prove to provide access to the Brunswick County School facilities. Please pray that God will provide these facilities for us.

On behalf of the participating atheltes in the association, I wish to thank the association for its support in allowing us to utilize the association property for softball fields. Our promises from contractors to assist with the building of the fields have not come to fruition at this point apparently due to the tremendous growth our area is experiencing. Please pray that God will convict those who have promised that God's work should come first and that we can complete the construction that has already started.

Please pray for me and for our athletes as we attempt to follow God's direction as He opens doors of opportunity with recreation. God bless you all!!!

In His service and for His sake,
Jay Houston

Dear Pastors, Clerks, Historians and Church Members,

Our past is a rich heritage. We, as Baptists, share a common heritage that binds us together as a distinct denomination in the larger family of Christendom. The Brunswick Baptist Centennial Committee wants you to commit yourself to the recording and preservation of this heritage. The following information is offered to help you understand both the Association's past and its hope for the future.

Pastors need to compile their biographical data, photographs, newspaper clippings, and other items. Keep biographical data current. Make a collection of your personal letters, diaries, manuscripts, sermons and other materials. The Z. Smith Reynolds Library at Wake Forest University is the official depository for N.C. Baptist historical materials and relics. The staff will compile a biography file for you which will be preserved permanently in their collection.

Clerks need to prepare a collection of church records to be microfilmed. These include church minutes, histories, clippings, occasional photographs, church programs and anniversary brochures. A complete list of the types of records that churches may have and are to be included in such a collection are listed in the brochure, "Preserve your Church Records by Microfilm" available from the N.C. Baptist Historical Collection. The staff will microfilm your valuable records without cost and then return them to you immediately. All churches are invited to place their non-current records in the collection.

Historians need to promote the researching and writing of a church history. A resource kit designed to strengthen the history work of your church is available from The Southern Baptist Historical Society (1-800-966-2278). Guidelines are given to help you plan, research, write and publish your church history. Members of the Brunswick Baptist Associational Centennial Committee are also available to help you if problems arise. A quality history of your church will have long-term value for your church members.

Church members need to commit to the importance of maintaining accurate and complete church records. Some of the things you can do include:

** encouraging your pastor to save his personal records and sermons,
** securing a current photography of your church and pastor for your church records,
** videoing or cassette taping worship services and sermons,
** creating a church history committee to oversee the history work of your church,
** helping to locate and preserve church records,
** wanting church records microfilmed,
** seeing the value of an oral history program (interview oldest member and leaders),
** photographing your church's people, events, etc,
** dramatizing your church's history through dramatic presentations, pageants, skits,
** displaying and exhibiting your church history in a heritage room,
** celebrating your church's anniversary,

** observing Baptist Heritage Month in June, and
** preparing a History Time Line showing key dates and events in your church's history.

The Brunswick Baptist Association Centennial Committee wants every church to become involved in our Centennial Celebration to be held October 22 and 23, 1999. This will be a time to celebrate our heritage and to highlight the activities of each church. To have your church's history (2,000 words or less) included in the Centennial History Book we will need it by October, 1998. Pictures of current pastors along with a biographical sketch will be included in the book. An interview with your oldest member, along with a picture, is needed.

Can you help? Does anyone have in their possession any written original records pertaining to Associational meetings? Does anyone have original records of church activities that you think may be of value to the committee? Where are the records of the Union meetings held on the 5th Saturday of each quarter? Does anyone have the church records of an extinct church? How about a picture of one of these churches? Does anyone have pictures of the groundbreaking for the Resource Center? Does anyone have suggestions or ideas for the committee to consider? Does anyone have a picture of one of our former Associational Missionaries? We need information on these people, also.

This will be your history. It will be a written record of your accomplishments. Your achievements will be recorded for all people to see. Let's work together to preserve the irreplacable heritage that we have.

Associational History Committee

All three members of this committee are working closely with the Centennial History Committee. Two members serve on the Centennial Committee and the other one serves in a support role.

We are requesting that all churches update their church history for inclusion in the Centennial History Book. If you need help with writing your history, contact a member of the committee. We need a picture of your current pastor. Locate your oldest member and interview them for the book. We need your input and suggestions for the book.

A Church History Conference was held on October 20, 1997, at Mt. Pisgah Baptist Church. Attending were church historians, clerks, media coordinators, pastors and other interested persons. The conference was led by John R. Woodard, Director of the N.C. Historical Collection at Wake Forest University. Topics of discussion included preserving and utilizing church records, forming a church committee and points on writing a church history.

We share a common heritage that binds us together as a distinct denomination therefore, we should preserve the irreplaceable history that we have for future generations of Baptists.

Discipleship Training Report

Discipleship Training is often difficult to report because many churches have their own program of discipleship that is sometimes not reportable. Unlike Sunday School, Discipleship Training, cannot be counted and contained in a neat box. Discipleship Training is ongoing, short term, long term, at home, at night, etc.

It is interesting to note that in the 1996 annual church profile only 16 churches reported having a discipleship training program. Twenty-one churches reported that they had no discipleship training. There were some churches that did not have any reports, of any kind, published. Does this mean that out of all our churches, only 16 are discipling? I pray not! It has been well documented that when churches drip discipleship and outreach they begin to die. Let us once again take seriously the great commission that commands us to "make disciples."

Some of the most exciting programs and studies are presently being produced by our Sunday School Board, these include "Experiencing God," "Mind of Christ," "Discovering and Using Your Spiritual Gifts," "The Spirit Life," "Sharing Christ, Meeting Needs," etc. In addition, there are workshops being held periodically on "Money Management and Personal Financial Health," "Master Life," "Marriage Covenant," etc.

There is a catalog entitled "Adult Discipleship and Family Development Catalog" that gives a wonderful outline of materials that are available. These materials include new member training, prayer encounters, parenting training, help for those going through difficult times, such causes as "Making Peace With Your Past" and "Moving Beyond Your Past" and "Search for Significance." These are but a few, there are many, many more. Please get a copy of "Adult Discipleship and Family Development Catalog."

We want stronger churches, more committed believers . . . we pray for revival . . . these courses will definitely help your church to become a stronger fellowship and a greater influence in the community.

If you need any help in your discipleship program, please do not hesitate to call me at Calvary Baptist Church, 754-9425.

Respectfully submitted,
John M. Peverett
Discipleship Training Director

Girls in Action 1997

GA Missions Fair was November 8, 1997, at Boiling Spring Lakes First Baptist Church. Hot dogs, chips, and desserts were served. Countries represented were Mexico, Taiwan, China, United Kingdom, Africa, Bahamas, and Germany. Prizes for the best booth, costume, food, passport were given. Girls made passports before arriving. Had books stamped at each country as they visited. There were 61 in attendance from seven (7) churches.

GA Mother/Daughter Banquet was March 15, 1997, at Supply Baptist Church. The meal was a covered dish with meat provided by GA Association. Theme was "Showers of Blessings" with Joy Drew presenting the program relating a missions trip to Honduras. Ten (10) churches participated with $354.00 collected by GA's for AAEO-Good Work.

Went to Myrtle Waves on June 14, 1997, with 59 participants. Last year had 120.

Ordered 59 T-shirts; red with white print.

GA/RA Camp was held August 15-16, 1997, at the North Carolina Baptist Assembly. The cost was $25. Bonnie and Charles Wiggs, missionaries from Korea and Albania, were guest speakers. Ate lots of ice cream and cookies. The theme was "Tell All the World." Made salvation bracelets and over 200 toiletry bags for the Medical/Dental Bus. Had dinner and breakfast in the cafe this year. It cost more but it was a lot less taxing on my preparation and everyone was more relaxed at meals. Kentucky Fried Chicken for lunch is always a big hit.

I want to thank you all for the support you have given me for the past eight (8) years. GAs has been fun. Carla Shipman is the new GA Consultant. Make sure you show her the same great support.

GA Consultant/Activities Director

Women's Missionary Union 1996/1997

Thank you Lord for our WMU in the Brunswick Association. The emphasis for our 1996/97 year was HAND IN HAND, "For we are laborers together with God." (I Corinthians 3:9a, KJV) Our project hope "Child Advocacy" should be a continuing project in our life.

OCTOBER

Thanks to the Wilmington Association for providing their WMU leadership team to lead our WMU Leadership Training. This was held at First Baptist Church of Leland, October 23. Thirteen churches were represented; 11 Brunswick churches and two Wilmington churches, with fifty-two in attendance.

NOVEMBER

Our gift to the Women's Prison Ministry was gloves. Our goal was 300. We gave 378 with 13 churches participating.

On November 8, a GA Fair was held at Boiling Spring Lakes First Baptist Church. Seven churches participated representing seven countries with 84 GA's and leaders attending. The fair was organized by Laurie Sillings, GA Activities Director for the association.

Several of our churches held the Foreign Mission Study "Overseas Churches, Continue the Mission Focus" during November and December.

Baptist Women's Day of Prayer "Celebrate the Day of Christ" was observed on November 4 in several of our churches.

DECEMBER

December 1-8 our WMU in our churches observed the Week of Prayer for Foreign Missions and the Lottie Moon Christmas Offering.

FEBRUARY

Supply Baptist Church hosted an associational observance of WMU Focus Week on February 14. Shannon Baker with Communities In School informed us on how we as individuals and church groups can become involved in the after-school programs.

Some mission studies on "Start Something New" were held in our area churches.

MARCH

The Week of Prayer for Home Missions "Start Something New" and the Annie Armstrong Easter Offering was observed on March 2-9.

March is when the GA's had their GA Mother/Daughter Banquet at Supply Baptist Church. This was organized by Laurie Sillings.

The WMU State Convention was held at Ridgecrest March 21-23. We rented a bus and 25 ladies from the county and the WMU council climbed aboard. It is always an inspiration to go to Ridgecrest. I am glad Romona Long had the opportunity to travel with us even though she was very sick. She has since gone to be with the Lord. Thanks to Gayla Varnam for arranging the trip.

APRIL

April 11-12 the International Student Conference was held at Fort Caswell. We got gracious thanks from not only Velma Ferrell with Youth and Campus Ministries, but also from Melinda Fillingim from Chowan College for refreshments our WMU ladies provided.

JUNE

On June 14 Laurie Sillings coordinated GA Myrtle Waves Day for our GAs.

JULY

On July 12-19 the second annual Boot Camp was held at Fort Caswell. Our WMU ladies helped feed over 300 youth and adults July 12, 13, and 14. We have also given money to offset the cost of Boot Camp.

AUGUST

On August 15 and 16 Laurie Sillings organized a GA/RA Camp at Fort Caswell. Thanks to all who helped with the camp.

The new Associational WMU Council attended leadership training at Fort Caswell on August 22-23.

SEPTEMBER

September 14-21 we observed the Week of Prayer for North Carolina Missions.

On September 6 the WMU council sponsored a N.C. Missions and Child Advocacy Display. Thanks to Susan Carson and Vera Bowling for organizing the event. Mill Creek Church hosted the event. You missed some great information. Over 50 people attended. We have been asked to repeat this event.

Our WMU Annual Meeting was held on September 26 at Beach Road Baptist Church. We started with dinner prior to our meeting. What a meeting! Our theme was "Hand in Hand With Children." Special music was presented by Beatriz Benize in her native language. Patricia Frazier did a wonderful job of presenting Lottie Moon to us. All who were present, I believe, learned a lot more than we knew about Lottie. The evening was topped off by gracious gifts of teddy bears to our sheriff's department to be used with children. Thanks to Jackie Smith for organizing this marvelous event.

I thank each one who has helped me this year as WMU Director for the Brunswick Association. We are a great organization with a great love of missions. "For we are laborers together with God." (I Corinthians 3:9a KJV)

In Christ's Love,
Patsy Elliott
WMU Director

Associational Youth Ministry Report

Our annual spring Associational Youth Night was held on March 22, 1997, at Mt. Pisgah Baptist Church. David Holland from the First Baptist Church of Beaufort, S.C. was the speaker. The Beaufort youth group accompanied Mr. Holland and participated in the fellowship and worship. They led in puppetry drama and music. We had about 130 youth in attendance.

The First Baptist Church of Leland sponsored the fall Youth Rally on September 20, 1997, and was lead and coordinated by Robert Brown, Associate Pastor/Minister of Youth of First Baptist Leland. There was a pizza blast at 6:00 p.m. At 7:00 p.m. the musical, "The Circle" was presented by the Leland First Baptist Youth group. The speaker for the night was Jonge Tate from Southeastern Baptist Theological Seminary. There were approximately 160 people present for the rally.

We appreciate Mt. Pisgah Baptist Church and Leland First Baptist Church for helping to make these events an Associational Youth Ministry Happening.

Youth Coordinator

Resolutions Committee Report

We wish to express our appreciation to the members of Soldier Bay Baptist Church for their gracious "country style" hospitality and the warm reception they have extended to this annual meeting of the Brunswick Baptist Association.

Be it resolved that we of this association give our full support to it in all its endeavors undertaken for the good of the Christian community and others in need of Christian love and service.

Be it further resolved that we all undertake the task of spreading the gospel, as outlined in the Great Commission, here at home and from here to the needy and hurting of the world.

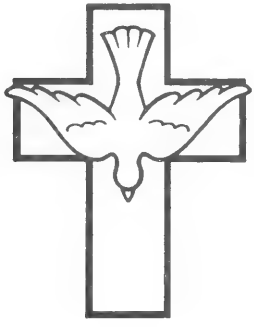
Let us pray that God will give all of us that loving and caring heart so needed to see our assignment through to the end.

Respectfully submitted,
Selene R. Robinson

Music Report

Finding the time and money for Christmas and Easter cantatas can be exhaustive and expensive. Books range from $5.00 to $7.00 each. Accompanient tapes/CDs can be as much as $80.00. To help lighten the cost for churches we instituted an Associational Music Library. In the library there are copies of Cantatas/Accomp. Tapes/Rehearsal trax and such for churches to borrow. There is no cost for using these cantatas. However, when duplicating the practice trax please contact the publisher for a duplication agreement. The cost is minimal for duplication of these tapes. If your church has any cantatas they would like to offer to the library or you would like to use any of the cantatas already in the library, please stop by the associational office. The only requirement for donating a cantata to the library is that it be complete and usable. If I can be of any assistance please call me at the church office (901) 371-2233, Monday through Thursday, 8:30-5:00 p.m.

Sandy Duran from Calvary Baptist Church is directing the Associational Choir for the 1999 Centennial Celebration. Approximately 100 singers met September 28 at Supply Baptist Church. If your church has not registered please see or call Sandy.



The *Biblical Recorder* Associational Report - 1997

These are "watershed years" for Baptists! Analysts almost daily remind us that the radical changes in society and the erosion of so much that has been precious to us in our religious life is creating a time of major "transition" as we Baptists and other church groups face the 21st century.

The *Biblical Recorder* tries to tell the whole story with a focus on the many positive things people are doing in their churches and world missions, along with the crucial issues which cannot be concealed and ignored if we honor our heritage from yesterday and fulfill our mission for tomorrow.

There is no way to address these issues without correct and reliable information. The *Biblical Recorder* was born and continues to serve for that purpose. In the 164 years of state Baptist papers in North Carolina, never was the *Recorder* more needed than now for people to have the truth.

People are reading less than any time in recent history at the very time there is an increased number of publications and periodicals. It is true of secular publications, it is true of wholesome books from respected libraries, it is true of religious publications. We live in an electronic age, what some have described as an "information glut."

An informed Baptist is a better Baptist; no democracy, including our local churches, can survive long without an informed, involved constituency which makes decisions based upon accurate information from reliable sources.

The *Biblical Recorder* should be in every Baptist home in North Carolina. Your support as a subscriber and reader, coupled with your encouragement to others, will enable the paper to better serve the constituency with accurate and helpful information.

In order to save churches large amounts of money and to increase the readership of the *Recorder*, Church News Service (CNS) was launched in 1990. This system lets any congregation have their church news incorporated into the *Biblical Recorder* which saves staff time, postage and printing costs. Usually, for less than what it costs to produce the church newsletter, CNS gives the entire Baptist communication package to each family in the congregation. Recent and anticipated increases in mailing costs makes CNS a greater value now than ever before.

The paper deliberately focuses more attention on North Carolina Baptists with news, features and inspirational articles which will encourage individuals and churches in their witness and ministry. One sure way to conquer problems and overcome the barriers to effective witness and ministry is to have the facts, know the issues and be adequately informed.

That is why the *Recorder* was born; that is why it serves today. For more information on how your church can subscribe or use CNS, contact:

At the sound of a car in his grandmother's carport, Jason looked out the window, and was shocked to see his mother striding toward the house.

She was angry, and Jason shouted, "Lordy, it's momma," as he ran to the back bedroom to call the police.

Just 12 years old, Jason had lived in seven foster care homes and with his grandmother on and off since his father died seven years earlier. His mother's addictions cost her custody of her only son. For whatever reason, tonight she wanted him back.

Out of control, Jason's mother broke open the door and kicked grandmother to the floor. She grabbed her by the hair and "slung me around by the hair of my head," grandmother says, remembering.

Mother shouted for Jason to come out of hiding, and threatened to kill his grandmother. She grabbed a bottle, broke it, and held the jagged edge to grandma's throat, shouting that she would kill her if Jason didn't come out of hiding.

Just then Jason's aunt arrived from a house next door, and held his mother's arms until the police arrived.

Six years later, grandmother beams with pride for Jason, who overcame that tragic, traumatic start in life. Jason garnered academic, athletic and leadership honors in a steady stream at Tuscola High School in Haywood County and is starting college in August 1997 as a freshman at The Citadel.

At Tuscola, he was captain and MVP of the track and cross country teams and a conference champion, vice president for his senior class, Cadet Colonel and ROTC commander in a group of 115 cadets, in National Honor Society, in the top 10 percent of his class, attended leadership events at Western Carolina University and Washington, D.C., and was a peer helper and peer counselor.

At The Citadel he will study political science with a minor in military history and international affairs. He wants a military career as a fighter pilot, then to enter politics after retirement.

Jason credits Broyhill Home, his home since that traumatic night in his grandma's house.

"All the accomplishments of my life have been made possible by Baptist Children's Homes," Jason said at his final awards banquet at Broyhill Home, where he received top honors for the second year.

"Broyhill has made me into a young man with a future, who knows now where he is going and what he wants to do. They've opened the doors to enable me to do that."

As for grandmother, who was desperate to find a place for Jason after the incident in her house, she prays "every night and I thank God every night that we have a place like Broyhill Home and Baptist Children's Homes."

Jason's story is repeated hundreds of times each year at Baptist Children's Homes of North Carolina. Not all are as dramatic but everyone tells of a young person and a family at the end of an unraveling rope, and of BCH tying a knot in that rope and helping them to hold on.

As four residential campuses, six emergency care cottages, two homes for behaviorally troubled girls, a maternity home, a home for teenage mothers and their babies, therapeutic camping and model day care, 1,398 young people found help in troubled times last year.

During the past year BCH received $1.5 million through the Cooperative Program, and $724,000 through the Thanksgiving Offering. Total church gifts of $3.05 million comprised 25 percent of the BCH budget.

In June 1997 BCH successfully completed the $10.1 million "Light Their Way" Campaign to raise money for operations, capital needs and endowment. Two major priorities of the campaign will be completed in early 1998; the Winifred Lindsay Education/Administrative Center at Odum Home in Pembroke, and the John D. and Amelia W. Johnson Cottage at Mills Home. A third priority, the Huber M. Craig Lodge at Cameron Boys Camp, has been completed.

A new video, "Families Under Construction" is available to promote the 1997 Thanksgiving offering, which has a statewide goal of $750,000, the largest ever.

A model program for family preservation has been initiated at Mills Home in Thomasville. Two social workers are on staff to work intensively with families which are at risk of being separated, but who, with help, can overcome their issues and stay together.

Thomasville Area Director Bill Scarlett also is initiating ways for churches and their members to be directly involved on campus, from tutoring, to cooking, to spending early evenings giving personal attention to residents to free staff for more intensive counseling.

Baptist Children's Homes' work was featured in November on "The 700 Club" and in December on CNN. BCH also adopted a missions statement this year, which is "helping hurting children, healing broken families."

Wherever children are hurting and families are strained, BCH strives to heal.

Christian Action League of North Carolina, Inc.

ANNUAL REPORT TO THE ASSOCIATIONS 1997

According to Dr. James Kennedy of Coral Ridge Ministries, approximately 6 million crimes are committed in the United States annually. Murder arrests of teens are up 92% since 1985; the number of 13-to 15-year-olds arrested for murder nearly doubled between 1982 and 1992; 1.6 million cars are stolen each year; America spends $39 billion a year on police protection, $29 billion on prisons and $10 billion on legal and judicial costs for criminal cases; drunk drivers cost us $110 billion a year, and drug abuse costs $40 billion a year. With these alarming statistics, the Christian Action League of North Carolina is constantly working to restore moral and biblical principles to our state and nation through the legislative process and the public education system and by assisting communities in our state with local battles for civic and moral righteousness.

A. *Christian Values*

- It was the pleasure of the Christian Action League to sponsor the Second Annual Christian Heritage Week in North Carolina, March 16-22. The League encouraged schools, churches and communities to recognize, commemorate and learn about the Christian heritage and history of our nation. We mailed information about a League sponsored essay contest to be written on America's Christian Heritage to all high schools (public and private) in the state and hosted an awards ceremony and banquet for the top state winners of that contest in Raleigh.
- Lobbied for and promoted SB 442, The American History Act. A bill that would allow public school teachers to read or display historical documents even though they contain religious references. This bill passed the legislature and is now a law.
- The League continued a project in 1997 to distribute copies of the Ten Commandments throughout North Carolina. To date, over 10,000 copies of these prints have been distributed.
- Promoted Sanctity of Human Life Sunday.
- Presented copies of Dr. Billy Graham's speech to the May 5, 1997, Joint Session of the General Assembly on audio cassette to members of the Legislature and offered copies through our newsletter. Dr. Graham was being honored for this tremendous worldwide contributions to religion, morality, racial equality and family.
- Promoted and worked for the passage of HB 511, Evolution Not Taught as Fact.
- Published *The Beacon* newsletter quarterly with circulation of 22,000. Kept concerned citizens informed on moral issues via e-mail, fax networks, church and civic club presentations.

B. *Lottery*

Lottery proponents felt this was the year to bring a state-sponsored lottery to North Carolina. The League, through letters, e-mail and faxes, kept the Christian community updated on lottery information and encouraged its members to contact their legislators. The lawmakers received a barrage of letters and calls from across the state saying that the lottery was a bad bet for North Carolina. The League will continue to monitor this issue as the session nears an end, but as of today, the lottery seems to have been defeated for another session.

C. *Sex Education*

Worked with other Christian and pro-family groups to see that the state mandate for Abstinence Until Marriage education was implemented statewide. Also supported efforts to insure that federal grant money was used to promote abstinence education.

D. *Abortion*

The League lobbied for and encouraged its members through Legislative Alerts to write in support of HB 303 and SB 536 (Ban Partial Birth Abortion), HB 594 (Fetus Death from Criminal Act) and HB 536 (Abortion/Woman's Right to Know). We offered the video "Reversing Roe" through our newsletter. This video tells the story of Norma McCorvey (Jane Roe) of the infamous Roe vs. Wade Supreme Court case who after 25-years and 35 million aborted babies tells of her transformation from an abortion industry pawn to a pro-life Christian.

E. *Homosexuality*

CAL supported efforts to strengthen the traditional family and addressed the radical homosexual agenda. Successfully lobbied against legislation that would have eradicated present N.C. law making homosexuality illegal. Offered the powerful and emotional video of Michael Johnston "On Wings Like Eagles." This video tells of Michael's 11 years in the homosexual lifestyle and his struggle between right and wrong and about forgiveness and grace. Michael is founder of Kerusso Ministries, an organization to help others struggling with this sin.

F. *Alcohol*

Monitored all legislation concerning alcohol and other drugs. Successfully supported efforts to strengthen current DWI laws. Worked with communities in helping them set up an organization to combat liquor referenda. Lobbied against SB 838 (ABC Tourism Resorts Permits); SB 837 (Sports Club ABC Permits), SB 447 (Lumberton Economic Development District) and HB 651 (Interstate Economic Zones). These bills allow alcohol sales without the vote of local citizens. Provided awareness, education and resource materials related to substance abuse problems to churches, communities, etc.

G. *Pornography*

Lobbied for SB 452 (Local Regulation of Adult Establishments) and notified citizens to contact their legislators and encourage them to vote for this legislation that would give local governments more control in regulating these establishments.

Division of Evangelism 1997 Report
Baptist State Convention 1997

With joy I report that North Carolina Baptists are continuing to experience progress in our evangelism efforts. Both our full time staff and field staff consultants are leading a variety of evangelism training events in many associations as we encourage churches to learn and use creative methods for doing evangelism. As a result of the prayers and labor by the members of North Carolina Baptist churches empowered by God's Spirit, baptisms in this state increased again for the third consecutive year. Based upon data taken from the Annual Church Profiles (ACP) and subsequent inquiries, total baptisms reported in 1996 were 25,674. This is a 1.9% increase over 1995. Many of our churches failed to submit an ACP and their baptisms are not recorded in this report. In addition to the numerous training events we conduct across the state each year, we also present a traditional statewide evangelism conference. The purpose of this event is to offer spiritual enrichment and motivation through dynamic preaching and outstanding music. This conference encourages church leaders to emphasize the importance of evangelism. In 1998 the State Evangelism Conference will be held at War Memorial Auditorium in Greensboro, February 2-3.

In cooperation with the Southern Baptist Convention, our theme for 1997-2000 in evangelism will be CELEBRATE JESUS 2000 (CJ 2000). This is a four year plan to share a gospel witness with every person in the United States. The emphasis for this strategy will be: 1997 Prayer, 1998 Personnel Witnessing, 1999 Proclamation and 2000 Preservation. Promotional packets related to CJ 2000 have been mailed to churches. Local associations have both a packet and a video to assist in this emphasis. Our goal is to touch every home in North Carolina with a gospel witness before the beginning of 2001. In addition to the Evangelism Division staff, special assistants known as Field Staff Consultants have been trained to help associations and churches in N.C. develop strategies which will enable them to achieve this goal. These specialists are available to assist in association or church evangelism planning, training and implementation.

When we recognize that 45-50% of the more than seven million residents of North Carolina are not actively affiliated with any church, do we realize that we must penetrate our culture with the gospel of Jesus? The staff of the Evangelism Division is available to help reach these people with the message of Christ's redeeming love. Often, most newer members in our churches are coming as transfer members from other churches while we are failing in our responsibility to reach those who have no relationship with Christ. Look around your community! Discover where the unchurched are! Determine their physical and emotion needs. Develop attractive innovative ministries which will give you the opportunity to meet their spiritual needs through the power of Christ.

We are continuing in our efforts with the North American Mission Board (NAMB), Communication Services and Pubic Relations of Baptist State Convention to develop a plan which will allow us to broadcast more spot announcements via radio and television. This will enable us to highlight both a Christian message and our North Carolina Baptist work.

PERSONAL EVANGELISM

The work of our Personal Evangelism Department continues to grow under the creative and resourceful leadership of Nelson Searcy. Recently available is a new electronic magazine which contains articles, book reviews, educational materials, facts and trends in evangelism, success stories from local church evangelism activities and ideas you can use. Subscribe today be sending an E-mail request to nsearcy@bscnc.org or call our office.

WITNESS TRAINING - Exciting plans are being made to provide opportunities in 1998 for more Christians to become confidently equipped to effectively share their faith. Numerous personal witnessing approaches can be learned through BWR, CWT, WIN Schools, One-Day Soul Winning Workshops, People Sharing Jesus and others. To schedule a seminar or training program, contact the Evangelism Division.

JESUS VIDEO - Another new and creative way for sharing the Gospel is available by using the new JESUS video produced by Campus Crusade. This 2 hour film presents the story of Christ and then tells how the viewer can receive Jesus as Savior. Copies of this video can be purchased through the Evangelism Division for $5.00 each when purchasing more than 5 copies. It is available in several languages at an additional cost. This is an excellent way to saturate a new commu-

nity, reach language groups or share the gospel with a friend through a videopresentation. Individuals may wish to give copies to a video store to be placed in their family video section.

YOUTH EVANGELISM - More than 2,600 youth and their leaders attended the Youth Evangelism Spring Thing and the two Youth Evangelism Weeks at N.C. Baptist Assembly. During these conferences, more than 2,050 youth were trained to share their faith. Also, a total of 704 decisions were recorded which included 177 professions of faith, 465 recommitments, 25 special service and 37 other. SUPER SUMMER 1997 at Carowinds, another special youth evangelism event of the Evangelism Division, was very successful with more than 26,000 in attendance despite the rains and flooding resulting from hurricane "Danny." More than 2,822 youth recorded spiritual decisions during the worship celebration including 563+ professions of faith.

The Personal Evangelism Department began offering a collection of ten Youth Evangelism Seminars (Y.E.S.) designed to assist associations and churches in reaching lost and unchurched youth in their areas. Many of these conferences were conducted across the state in 1997. Our staff is available and desirous to help association and church leadership plan youth evangelism events in your area.

STUDENT EVANGELISM TEAMS - Our two student evangelism teams maintained their normally busy summer schedule of music and ministry for state, association and church youth events. They performed each day during our Youth Evangelism Weeks, Single Adult Evangelism Retreat at Caswell and SUPER SUMMER at Carowinds. The EVANGELS conducted three-day Youth Happening events for 16 associations and churches. Their ministry activities included music, drama, Bible studies, testimonies, recreation and personal evangelism. WITNESS presented 35 concerts in 29 churches in addition to their dialy music and testimony concert ministry in youth conferences at Caswell, Mundo Vista, Baptist Children's Homes, and resort areas. Many youth responded during the invitations presented at each concert. Contact the Evangelism Division to request one of these youth evangelism teams for the summer of 1998.

COLLEGE/UNIVERSITY CAMPUS EVANGELISM - We continue to work with the Youth and Campus Ministry Division and BSU Campus Ministers in offering witness training to Christian students on campus. Cooperative plans are also in process for a major statewide evangelism event which will target college students.

SINGLE ADULT EVANGELISM - Each spring we sponsor an evangelism retreat at N.C. Baptist Assembly. In June, 210 singles of various ages enjoyed this conference which included equipping seminars, worship services and free time.

EVANGELISM DEVELOPMENT

We continue to expand the work of our Evangelism Development Department. During his tenure as a full-time employee, Ed Bullock opened new doors of partnership with N.C. Baptist Men as we moved three laity ministries under the Evangelism Division umbrella and joined efforts with the Baptist Men's Division. These are: North Carolina Baptist Lay Witness Foundation (NC BLWF), Lay Renewal and Prayer for Spiritual Awakening. At the end of 1996, Ed Bullock retired from full-time status with the Evangelism Division, but continues to work part time as a Consultant. Some of his responsibilities include Executive Director of the Lay Witness Foundation and staff liaison with Lay Renewal. His voice mail is Extension 562.

EVANGELISM STRATEGIES - In July of 1997 we produced a new three volume set of training videos which accompany Darrell Robinson's third edition book Total Church Life. This is an excellent tool for developing a church vision which focuses on reaching people with the Gospel. We also offer a seminar entitled "Developing a Strategy For Evangelism In the Local Church." We are encouraging churches and associations to develop joint mission partnerships and crossover events to strengthen evangelism in selected local areas. Reaching the Cities, Towns and Villages is a strategy we have created to identify one or more peolpe in every post office community who will lead a nucleus group of people in their respective areas in a mission of acquainting every person in their locale with the plan of salvation. Through computer technology, we now have the capability of supplying a church with a map of their community with designations indicating where church members, visitors and inactive residents are located.

MASS EVANGELISM, through the ministry of vocational and bivocational evangelists, has increased in 1997. We provide a training and fellowship conference annually for our N.C. vocational evangelists. Another aspect of mass evangelism relates to our large tent. Numerous associations and churches working in cooperative endeavors use this tent each year for mass evangelism events. In 1998 we will produce an attractive color booklet to help present the Gospel to some of the 25 million tourists who visit N.C. each year. As a part of CJ 2000 Baptist associations are encouraged to begin establishing plans now for area wide evangelistic crusades in 1999.

INTERFAITH WITNESS - With the fast growing international population of our state and nation, tremendous needs exist for helping Christians understand the spurious beliefs of non-christian religious groups. This aspect of evangelism is rapidly becoming most important. Our division offers training in interfaith witnessing which can enable Christians to know how to share the Gospel with sincere religious people who have unknowingly been deceived. In addition, we maintain a list of specialists who have been certified to lead interfaith witnessing conferences in churches.

The Solarium Programs for Older Adults suffering from dementia related disorders are well established in the Prince Nursing Center at Brookridge Retirement Community in Winston-Salem and in the Rickman Nursing Center at the Western North Carolina Baptist Home in Asheville.

A new home and community based program offering respite care to Older Adults in the Asheville area began this year. This service provides safe, structured, creative enrichment for seniors diagnosed with dementia-related disorders such as Alzheimer's disease, and provides relief for families giving in-home care to these dear ones.

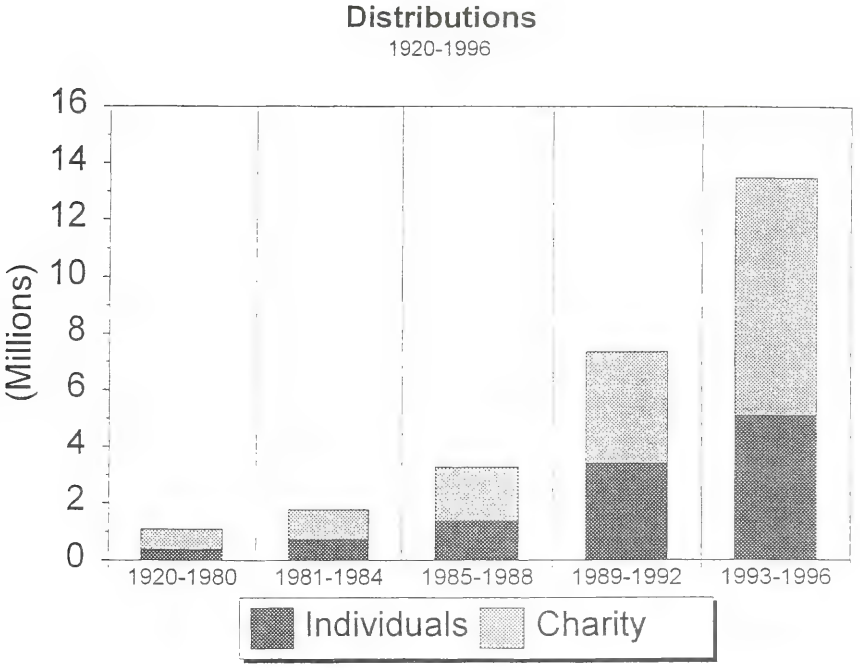
North Carolina Baptist Foundation, Inc.
1996 Annual Report



The mission of the North Carolina Baptist Foundation since its inception in 1920 has been to assist the Convention and its institutions and agencies in generating endowment to enhance their permanent financial support. The uniqueness of the ministries and services provided by the institutions and General Board staff merits increased individual collective financial support. The Baptist Foundation is committed to assisting individual church members through creative stewardship methods to provide permanent financial undergirding of these ministries.

As of December 31, 1996, the Foundation held $60,892,220 under management. In 1996, $2,600,680 was distributed to Baptist work and $1,259,082 was distributed to individuals for a total distribution of $3,859,762.

The income distributions for the entire 77-year history of the N.C. Baptist Foundation totals: $10,932,764 income paid to individuals and $16,059,259 to Baptist churches, institutions and mission causes for a grand historical total of $26,992,023.

HOSPITAL HIGHLIGHTS

Since opening its doors in 1923, The North Carolina Baptist Hospitals, Incorporated has remained fully committed to the purpose of carrying out a ministry of healing as taught by Jesus Christ. It is this Christ-like spirit that has led patients such as Helen Keller to write: "When I was coming out from under surgery, they treated me with fine love, and I could feel it. I have been in places where it didn't matter how many times you pressed the call button, you would just lie there and wait, but the nurses at Baptist Hospital always came right away. If I ever have to go back to a hospital, this is where I would come."

Baptist Benevolent Care Fund

Baptist Churches from all across North Carolina joined us in mutual mission through the Mother's Day Offering. This annual ingathering of love was approved by the Baptist State Convention of North Carolina in 1924. In 1996 the MDO amounted to $456,497.00. It was used exclusively to help patients who had little or no health care insurance or other financial means to pay their hospital bills. From this past year's offering, over $200,000 was used to assist members of our Baptist Churches. May God bless all those who gave so generously.

Division of Pastoral Care

During the year the Chaplains and Staff of the Pastoral Care Department provide worship services in Davis Chapel on Monday, Wednesday, Friday and Sunday for patients and family members. The Pastoral Care Department staff supervised 65 students during the year. They made more than 50,000 ministry contracts, an increase of 10% over the previous year.

CareNet, Inc. continues to grow. There are now 13 counseling centers located in strategic areas across the state. During the year these centers will provide over 26,000 hours of counseling.

The Center for Congregational Health, Inc., continues to expand its assistance to ministers and churches. Programs and assistance offered to churches include Consultants and Intentional Interims working with churches as they face the challenges of today. The Young Leader's Program helps in leaderships development, and the Clergy Wellness Program, Turning Point, is designed to foster a holistic growth-approach to the individual minister's life calling.

Points of Emphasis and Progress

J. PAUL STICHT CENTER - In April the J. Paul Sticht Center on Aging and Rehabilitation opened the doors of a new 240,000 square foot state-of-the arts building. Here services are provided to older adults. These services include a geriatric assessment clinic, Acute Care for the Elderly clinic, Alzheimer's disase and memory disorders clinic, osteoporosis clinic, geriatric gynecology clinic, a women's health center, education services, and a legal clinic for seniors. It houses a true "Day Hospital" for seniors - the first in the state - which provides therapy, examinations and rehabilitation as day-time treatment, eliminating costly overnight stays.

COMPREHAB - On November 4, 1996, the doors were opened to The Medical Center's new CompRehab Center. The 70,000 square-foot building houses a full spectrum of physical rehabilitation and related clinical services, including a Sports Medicine Center, Foot and Ankle Center, The Hand Center, Outpatient Physical Therapy Center, Spine Center, and the Neurorehabilitation Center.

TRAUMA CENTER - The Medical Center has the only designated Level I trauma center in Northwest North Carolina. In the trauma center our goal is for the patient to be in an operating room 10 minutes after arriving at the Emergency Department. Surgeons, anesthesiologists and staff remain on duty 24 hours a day to handle such emergencies.

TOPS IN RESEARCH - According to a report in the February issue of *Applied Clinical Trials,* Bowman Gray School of Medicine ranked in the top 10 U.S. clinical research institutions.

QUALCHOICE - Established by The North Carolina Baptist Hospitals, Incorporated, The Bowman Gray School of Medicine, and Wake Forest University, this managed care plan provides quality health care and patient physician choice. QualChoice is now able to offer coverage to ministers and church staffs.

WEB SITE - You can learn more about The North Carolina Baptist Hospitals, Incorporated by checking us out on our Web site at: http://www.bgsm.edu. Here you can find helpful information about nutrition, research, and the division of Pastoral Care.

HEALTH ON-CALL™ - Need a physician or answers to questions about health topics? Dial (800) 446-2255. A registered nurse will take your call and help you select the right physician, answer your questions, provide information or mail printed material to you.

SWITCHBOARD - Assistance and information can be obtained by contacting one of our helpful and courteous switchboard operators at (910) 716-2011.

A CLOSING WORD

In the midst of changing health-care norms, we will not deviate from the mission entrusted to us by the Baptist people of North Carolina. We stand fully committed to excellence and compassion, and remain visionary as we face the demans of the health care market. Under the providence of God, we will continue to find the ways and means to be successful without compromise.

Respectfully submitted,
Len B. Preslar, Jr., President

The messengers from the Missionary Baptist Churches comprising the Brunswick Baptist Association do hereby declare the following to be the Constitution and Bylaws governing the functioning of the Brunswick Baptist Association.

ARTICLE I - NAME

The Association shall be denominational and shall be known as the Brunswick Baptist Association.

ARTICLE II - PURPOSE

The prime purpose of the Association shall be to counsel together for enlargement and strengthening of God's Kingdom and promoting unity and growth among the churches composing it, and by cooperating with the Baptist State Convention of North Carolina and the Southern Baptist Convention and their agencies in the work of Missions, Christian Education, and Social Service.

The means of accomplishing the purpose of this Association shall be in strict conformity with the New Testament and the guidance of the Holy Spirit.

ARTICLE III - MEMBERSHIP

Section 1. This Association shall be composed of the cooperating churches which have been received into and continued in the fellowship of the Association.

Churches may be received into fellowship only after having been under the watchcare of the Association for one (1) full year. Application for membership shall be made in accordance with the rules and regulations established by the Association. Churches under watchcare of the Association shall make written reports of their progress and cooperative efforts as required by the Association.

Section 2. The Association shall be the sole judge of its membership and may receive churches into its fellowship, or reject churches, according to its Constitution and Bylaws. Affiliated churches may also withdraw as they desire. For a body to be considered for membership in the Association, it must:

(1) Be a church applying from a sister association, coming in good standing, or

(2) A duly constituted church formerly sponsored as a mission for at least one (1) full year by a current member church, or

(3) A mission, under the sponsorship of the Association, that has been constituted as a church, or

(4) An established church desiring affiliation, giving satisfactory evidence of their belief in Southern Baptist faith and practice.

ARTICLE IV - MEETINGS

Section 1. The Associational year shall close on the 30th of September. Letters from the churches shall, as soon thereafter as possible, be transmitted to the Clerk of the Association for consolidation and use at the annual session, which shall convene on Thursday afternoon, Thursday night, and Friday morning and after-

noon, after the third Lord's Day in October of each year, except, however, when compelling conditions make it necessary to change this date, in which event the Executive Board shall be empowered with authority to determine the date of the session.

Section 2. Special meetings may be called by the Moderator provided two (2) weeks' notice is given to all affiliated churches.

Section 3. Messengers of the churches to the meetings of the Association shall be composed of the Pastor or Interim Pastor of each of said churches, and three (3) messengers from each church whose membership is 200 or less, and one (1) additional messenger for every 100 members or fraction thereof in excess of 200. Such messengers must be certified by their churches to the Association.

Section 4. Only certified messengers from affiliated churches shall vote on matters before the Association.

ARTICLE V - AUTHORITY

Section 1. The New Testament is the sole authority for the faith and practice of this Association. The doctrinal statement known as the New Hampshire Declaration of Faith, as revised by the Southern Baptist Convention in 1963, reflects in general the doctrinal beliefs of this body.

Section 2. In no instance shall the Association presume to direct or control any member church with reference to its own government or internal policy, but shall be ready and willing at all times to counsel, advise or assist any member church, when so requested.

ARTICLE VI - GENERAL OFFICERS

Section 1. The general officers of the Association shall be Moderator, Vice Moderator, Clerk, Statistician, Treasurer, Parliamentarian, and Chairman of Trustees. These officers shall be known collectively as the Administrative Service Officers.

Section 2. They shall be elected annually by the Association and shall assume their responsibilities at the close of the session at which they are elected and serve throughout the ensuing year.

Section 3. The elective term of the Moderator shall be limited to two (2) consecutive years; provided, however, after a lapse of two (2) years he shall be eligible to again be elected.

Section 4. In the event a vacancy occurs in the office of the Moderator, then the Vice Moderator shall immediately and automatically become the Moderator for the unexpired term of office. In the event a vacancy occurs in any other administrative service officer position, then that office shall be filled by the Executive Board upon a majority vote.

History of Oak Grove Baptist Church

Oak Grove Baptist Church was constituted in April, 1891, as Caison's Chapel. They used this name until 1895. The congregation now meets in the church's third building. A centennial celebration was held April 14, 1991.

The first building was destroyed by fire in 1910. The second building was erected in 1912, a one-room, 24 feet by 38 feet frame structure with a bay window, bell and belfry. The building was located in front of the Oak Grove Cemetery and faced the intersection of Empire Road and Highway 130. In 1950 the church was remodeled and four classrooms were added. During 1969-1971 three more classrooms and two bathrooms were constructed.

The church broke ground January 7, 1973, for the building which it has occupied since March 3, 1978. The church is located about one-half mile from the original site on land donated by Olen and Martha Clemmons, with additional acreage given later by Dayton and Lou Ellen Rhodes. Work on the fellowship hall began in 1982 and was completed in 1985, with porch and breezeway added. Since then stained glass windows and a fiberglass steeple have been installed. Groundbreaking was held for a new parsonage in September, 1998.

From its start with 27 members, Oak Grove has continued to grow in membership each year. The church has reported a Sunday School since its beginning.

Starting with the Rev. E.L. Swain, during its 108 years the church has called at least 21 pastors. Rev. Albert Young has served the church since 1997.

Oak Grove has licensed three ministers - Rev. John Hewett, Rev. Emery Hewett, and Rev. Laury Evans, and has ordained two - Rev. Emery Hewett and Rev. Laury Evans.

Oak Grove has been a member of the Cape Fear Association, 1891-1898; of Cape Fear-Columbus Association, 1899 and the Brunswick Association since 1899.

The church last hosted the Associational meeting in 1916. That year the copy of the proceedings of the meeting were lost after reaching the office of the High Point Enterprise.

Director of Missions Report

Boy, it has been an exiting year! We will long remember 1998 as a year of testing for the churches of this association. We were tested as how we stood on church autonomy. Baptist have a history of disagreeing but, continuing to love and respect each other as Christians. The churches of the Brunswick Baptist Association made a collective decision this year for church autonomy as has been the way of Southern Baptists even before I can remember. We, as individuals and churches, think and believe differently about some issues, but it is healthy for all

of us. Even though it is difficult at the time of decision making, and was for us this year, it is sometimes best. Sometimes God allows these times in order that we might grow stronger individually and collectively. This year's experience can be a big stepping stone to the future of this association.

We have continued to see a migration of people to Brunswick County in 1998. A lot of change has taken place in the county since our last annual meeting on October 24, 1997. We are continuing to experience a high level of growth that has and will affect the churches of this association and, in turn, affect how our association will look ten years from this date, if the Lord tarries. Many of our churches are experiencing congregational growth which leads to a higher demand for quality Bible study, preaching, worship and Christian fellowship. We must take notice that our greatest opportunities are before us. May God help us as we plan for the future. God, please give us wisdom and vision for the future.

The Associational Centennial Committee is continuing to work toward the 100 year celebration of the association. Many of the churches have completed their history and are getting pictures and other memorabilia together for the event. It has already been exciting and will be an exciting event October 23, 1999.

The Brunswick Counseling Service, Inc. is continuing to grow. A new addition to the staff this year has helped provide diversity and security to the counseling ministry. Dr. Gary Brown has come on board with Dr. John Gray and they are providing a good quality ministry to those who are seeking counseling services. At the present, a woman counselor is going through the employment process with The Baptist Hospital to come on board with the Brunswick Counseling Service who will bring a new dimension by offering counseling for children. We thank God for sending skilled and trained staff to work with hurting persons in our area.

A small church from South Carolina has joined in with Cornerstone Baptist Church in Calabash and the combined churches voted to change the name to Carolinas Fellowship Baptist Church. The church has a strong desire to grow and realizes that the potential for growth is at it's highest level ever. We look for great things in the coming year from Carolinas Fellowship.

We have had many opportunities for ministry during the past year even though some of our energy was focused on a matter that the association felt was important. Some of the opportunities were:

- CHURCH HISTORY CONFERENCE, October 20, 1997, Mt. Pisgah Baptist Church
- RA TRAINING, January 19, 1998, Supply Baptist Church
- YOUTH LEADER TRAINING, March 12, 1998, with Hal Melton, Resource Center.
- ASSOCIATIONAL YOUTH NIGHT, March 14, 1998, with Giles Blankenship, First Baptist Church of Oak Island.
- DEACON TRAINING, March 13-14, 1998, Supply Baptist Church
- RA ASSOCIATIONAL CAR RACE, March 21, 1998, Antioch Baptist Church
- VBS TRAINING, March 30, 1998, Supply Baptist Church
- MEDICAL/DENTAL BUS, June 8-11, (Boot Camp helped a great number of people in the county.)
- YOUTH RALLY, October 10, 1998, "Morning Sky" from Campbell University, Faith Baptist Church (Three decisions for Christ)

The Baptist Men have done a tremendous amount of work in the association meeting the needs of people. Our Disaster Recovery Trailer has provided the

equipment the men needed to do the work. This year the association voted to allow a Disaster Recovery building to be built on property next to the associational office and for the men to solicit money and man power to build the building.

The building will be a 40X90 structure to house the disaster trailer, equipment and other materials to repair and provide assistance of those in need. The facility will also have showers and bathrooms for those who come from another area to help us. It will also have restrooms for the softball fields.

We are continually grateful for the leaders and workers in the association. Thank you for your efforts and commitment.

Respectfully submitted,
William L. Smith,
Director of Missions

1998 Clerk's Report to the Association

October 23, 1998

As of this date I have received the Annual Church profiles from 32 churches in our Association. I really appreciate the time, hard work and effort of the church clerks to get these to me.

I have not received the ACP's from Bethel, Bolivia, FBC Southport, Fellowship, Lebanon, Mt. Pisgah, Peace Memorial, Sunset Harbor First, and Woodburn.

I hope there are people here today that have brought the ACP's from these churches.

Some of the following statistics from the 32 reporting churches are as follows:

Total baptisms for the year 232.
Number of churches reporting no baptisms 9.
All other additions to church rolls 330.
Total Sunday School enrollment 4,548.
Sunday School average attendance 2,416.
Discipleship Training enrollment 1,453.
Vacation Bible School 2,221.
Total to date of all reported membership is 12,316
Sunday School enrollment 4,548.
Total Church membership 7,768.

Although the response has been good in getting the Annual Church Profiles to me before this annual meeting, I still need your help in getting the others. If I do not have all the letters I cannot give you an accurate report. This also means those churches are not included in the report I send to SBC Headquarters in Nashville and the State office in Cary.

There are a few annuals left from last year - if any one would like one (the cost is $3.00 each) see me or Bill Smith. Just as a way of notifying you ahead of time - the cost of the annuals this year will be higher than last year - as soon as we know the exact price we will let all of you know. Also we will notify you as soon as we get the annuals for this years meeting - hopefully it will be earlier than we were able to get them for 1997.

Arlene J. Hallman
Clerk

Before I read my report - I wanted to read to you a list of "Early Birds" - these are the churches that sent their Annual Church Profiles to me quickly.

Prospect	Beach Road
Faith Baptist	New Life
Soldier Bay	Bonaparte
Friendship Baptist	Jennies Branch
Old Shallotte	Sabbath Home
Longwood	Gospel Center
Oak Grove	Mill Creek
Boones Neck	Community Chapel
Supply	Elah
Southport	Carolinas Fellowship (Cornerstone)

It's really good to see some different churches among the early birds this year-maybe next year we will have even more getting their reports in early.

The Executive Board of the Brunswick Baptist Association met in regular session on Monday, January 12, 1998, at First Baptist Church of Leland with moderator Avery Lumsden, presiding.

Following the call to order by the moderator, James Buchanan of Leland First Baptist Church, led in the singing of several praise choruses. The welcome, scripture, devotion and prayer was given by Rev. Chris Hall, pastor of the host church. Then Lydia Coyner and Scott Spangler each favored us with a song.

The attendance report was given showing 14 pastors, 22 churches, 35 representatives, 5 general officers, and 26 visitors present for a total of 80.

The minutes for the October, 1997 were read and approved. The financial report was presented by the association secretary in the absence of the treasurer, and approved.

Following a hymn a special recognition was given in honor of Mr. E.J. Prevatte who has faithfully served the Lord in the Brunswick Baptist Association for nearly sixty (60) years. Bill Smith, Director of Missions shared some thoughts then Mark Owens, former pastor at Southport Baptist Church where Mr. Prevatte is a long-time member, related some special memories he had of Mr. E.J. Mr. Owens also explained the impact Mr. Prevatte has had on this association thoughout his years of service. Mr. Prevatte was then presented with a plaque from the association expressing it's gratitude for his years of service.

Prayer concerns were shared. The moderator requested we pray for the churches without pastors and the pastors of the association. The associational prayer was offered by Jackie Spillers, pastor of Mt. Pisgah Baptist Church.

Unfinished or old business: In a motion at the Executive Board Meeting on October 13, 1997, the moderator and the nominating committee was requested

to pick a study committee of not more than six (6) but not less than four (4) people to study the topic "Women in the Pastorate as it Relates to Associational Work" and to bring their recommendation at the January 12, 1998 meeting of the executive board for approval. This study committee will then bring their findings to the April meeting of the executive board for approval. Charles Smith, pastor of Soldier Bay Baptist Church and chairman of the associational meeting of the executive board. Charles Smith, pastor of the Soldier Bay Baptist Church and chairman of the associational nominating committee, brought the following names of people to serve on this committee: Debby Simmons, Boiling Springs Lakes First; Gwen Causey, Prospect; Vardell Hughes, Soldier Bay; Marvin Gold, Brunswick Islands; Paul Early, Southport; and Robby Brown, Leland First. A motion was made to accept these names. It was voted on and passed. Mr. Smith thanked the nominating committee for their hard work.

New business: Charles Smith brought the nomination of Rex Gore to serve on the Constitution and By-Laws Committe of the association. Moderator asked for any more nominations from the floor; there were none. It was then voted on and approved.

The Missions Ministry Director,. Jack Hancox presented an update report of ministries ongoing in the association. Have eight (8) of our Baptist churches involved in the Community In Schools "Adopt-a-School" program. Habitat for Humanity has two lots in the Southport-Oak Island and Boiling Springs Lakes area. They are receiving applications for the houses to be built on these lots.

Bill Smith, Director of Missions, then brought his report. He called on Tyler Potter, Brotherhood Director, to present the Brotherhood request for financial help from the churches to construct a building to house the Disaster Relief Trailer. The cost will be $12,000 - $15,000. Help has already been offered to build. Mr. Potter asked that on Sunday, January 25, 1998, Baptist Men's Day, churches take up a special offering for this much needed building. Mr. Smith mentioned that it was in the works to complete the softball fields and that someone has donated money for the lights. He listed several events coming up in the association.

Announcements were made.

Leo Cannon, pastor of Faith Baptist Church, gave the benediction. Refreshments were served in the fellowship hall.

EXECUTIVE BOARD MEETING
APRIL 13, 1998

The Executive Board Meeting of the Brunswick Baptist Association met in regular session on Monday, April 13, 1998, at Faith Baptist Church with moderator, Avery Lumsden, presiding.

Following the call to order by the moderator, the welcome, scripture and devotion was given by Leo Cannon, Pastor of the host church.

The attendance report was given showing 27 churches, 22 pastors, 31 representatives, 11 general officers, 1 director of missions and 19 visitors for a total of 84 in attendance.

The minutes for the January 12th meeting were read and approved. The financial report was given by the treasurer and approved.

The hymn "Grace Greater Than Our Sin" was sung by everyone in attendance. After this hymn we were favored with special music by Laddy Cannon.

The associational prayer was given by Darrell Floyd, Pastor of Sabbath Home Baptist Church.

Unfinished business: the resolution concerning Goshen Baptist Church calling a woman as pastor was the main matter to be discussed. A resolution was read by Paul D. Early for the majority. A sub resolution was read by Robert L. Brown for the minority. All the members of this association have received copies of these resolutions. A vote taken on the sub resolution was not approved by the majority of the board. After much discussion, both pro and con, the original resolution given by Mr. Early was approved by the majority of the members of the board.

New business: Clark Cassanova asked the board to help support the Christian Motor Cycle Association called "Knights of the Lite" by giving them a donation in the amount of $500.00. This matter was to be referred to the finance committee, but then was decided since they needed the money by the end of the month that they would forego that and decided to approve the donation at this meeting.

Margaret Clemmons announced that there would be a library event at Caswell May 15 - May 17. Jack Miller from Elah left it be known that any one needing free wheeling wheel chairs - he knew of ten (10) that are free for the asking - just give him a call and he will be able to help you make arrangements for these. Jackie Smith invited everyone to come to the association fair at the resource center on May 23rd.

Jack Hancox gave us an update on what is going on in the local missions program, such as the Resort Ministry and boot camp for all youth will be June 6 - June 13. He also mentioned that Beach Rd. Baptist Church is helping Ebenezer Church to get going.

Bill Smith, director of missions, gave us an update on what is happening at the Associational Office.

Announcements were made by our moderator and any other member of the association that needed to do so.

The next item on the agenda were the refreshments so Pastor Cannon gave us directions to the fellowship hall.

Media Library Report

Media Ministry, as we are now called, all in all, had a good year.

Met at Calvary and had a program on table top promotions using napkins of all kinds as the center point.

Your director attended both the Key Leadership Conference and the Annual State Media Library Workshop at Ft. Caswell. Then, your director helped Prospect Baptist Church get a media library started for their church.

Brunswick Islands Baptist Church is interested in starting a media library in limited space. Plans were given to them on how to make a mobile media library which can, of course, be used after new facilities allow for a media library to be

built. The director met with Brunswick Islands to see where the library could be put. Taught them a little on how and what needed to start a media ministry.

Many new books and videos have been categorized and placed in the Resource Center for the use of churches in the association. Please come by and use them.

Migrant Ministry Report

God continues to bless our association richly in outreach opportunities and Christian fellowship with our migrant friends. Laura Smole and a group of youth from Virginia were instrumental in providing a Vacation Bible School for the migrant. FBC, Boiling Spring Lakes, Friendship, Sabbath Home, and Soldier Bay were churches involved in collecting and assembling care kits. These kits contained basic care items. Our association hosted the Medical /Dental bus this year. Many of our migrant friends had opportunity for free medical /dental care. English classes were provided for those who were interested in learning to speak English.

It has been wonderful working with you this past year. God willing, there are many more good years ahead of us, sharing ourselves with one another and with a people so greatly in need of God's reconciling love. Thank you for your thoughtfulness and generosity.

Charlie Smith, Migrant Ministry Director

Backyard Bible Club Report

This past year, 1998, we worked with the Boot Camp group as Caswell, again, to help in VBS and Backyard Bible Clubs.

On Saturday and Sunday evening the Boot Camp kids went to training sessions in preparation for the week. A small group of the Boot Camp kids (15) went to Boiling Spring Lakes First Baptist Church to help in VBS. The attendance was about 90 children and adults. Also, during the week, we had two Backyard Bible Clubs; one at Supply Baptist Church and one at Gospel Center Baptist Church.

We are grateful for those who helped make this possible. We look forward to the 1999 year in the Backyard Bible Club ministry.

Evangelism Report

Evangelism is alive and well in the churches of our association. At last count, over eighteen (18) churches held revival services and experienced revival! Vacation Bible Schools also reported a large number of children reached for Christ during weeks of ministry.

There really seems to be an "uplift" in all of our activities especially, in our evangelism outreach. The Holy Spirit is working in mighty ways among us, so let us praise the Lord together!

The most phenomenal evangelism happening is still going on at First Baptist Church of Woodburn. Brother Doty recently reported at the pastor's conference that the Sunday School has grown from 9 to over 100. Three Bible classes are going weekly and reaching dozens of people. And, since the first of the year, forty-one (41) precious souls have been baptized!! Presently, the pastor has forty-two (42) persons in his "pastors' class." May our Centennial Year 1999 be remembered as a great year of evangelism. Start now and prepare for a great harvest.

Missions Development and Missions Ministry Report

The year 1998 turned out to be a great year for mission development. Four years ago I set a goal to involve at least twenty of our churches in ministry-mission outreach. At our August meeting, I was pleased to note that we had surpassed that goal. Today THIRTY of our churches have attended at least one mission development council meeting! We give God the glory for this remarkable response.

As we move toward our great Centennial Year (1999), we are planning some exciting advances in mission development to enhance this event and to launch the next hundred years of mission advance. Please share with me any ideas that might be developed into ministries. Together we may get something exciting started for the Lord.

Please accept my sincere appreciation for your help in assisting our churches to become more involved in the global missionary outreach. It is clear to me, that if we do a good job in our local church and association, God will be pleased and He will help us move effectively out into the world for His Son's sake.

The Migrant/Spanish Language work has made important gains this year. Charlie Smith and Soldier Bay Church are leading out with the significant assistance of Juan Cohen (Antioch). Other churches need only to contact Charlie to get involved directly.

Resort Ministries at Sea Mist were again ably led by Terry Foss, pastor of Bonaparte Baptist Church. The Cabana services at Long Beach were led by the First Baptist Church of Oak Island with great help form Gaylin Huff and the Caswell staff. We expect to see this ministry expand greatly next summer.

More churches are realizing that ministry opportunities exist for church volunteers in Hospice, Hope Harbor Home, Habitat for Humanity, Brunswick Agency for Family Assistance, Literacy Council, and our newest helping agency, Providence Home, emergency teen shelter, at Southport

Several of our churches have been blessed by their involvement in the

Communities in School - "Adopt-a-School" Program. Nine (9) of our churches now participate in this exciting ministry.

A food distribution program managed by Peace Memorial Church now touches people throughout the country. The Lord is blessing this ministry in a great way. Brunswick Islands Baptist Church also organized a food distribution program and is reaching many people in their area.

Some of our church people are helping with the Brunswick Learning Center, Southport, in a "Be a Friend" program. That matches up students, teachers, and church people on the campus daily!

Other ministries in which our people from our churches have been involved include: Caswell Boot Camp, Backyard Bible Clubs, Promise Keepers, Tailgate programs at local football games, a bus ministry to kids, outreach to singles, sending children and youth to camps (those unable to pay), Bible classes in the high schools, outreach to nursing/retirement homes, home repairs and yard work for shut-ins, a CROP Walk for the hungry.

Relationships with our brothers and sisters in the black churches have deepened and expanded, New Ebenezer Church is now in their new building. Beach Road Baptist Church has been a hardworking partner in this wonderful project!

So much is going on and all we can do is praise the Lord. Antioch Baptist Church has just launched a Helping Hands Ministry; preparing and delivering hot, nutritious meals to the homebound in their area.

We have had a great year in missions development and God has greater things ready for us - when our churches are ready! So, let the Lord lead you to minister to the "least of these" our brethren and His children. Continue to pray to Him that outreach may become a matter of serious concern in our churches.

Please note: NEXT MEETING is set for November 3, 7:30 PM at the Resource Center. Make sure that your church has at least one representative in attendance. Let's pray for each other!

Sunday School Report

The Nominating Committee has asked me to serve as the Sunday School Director for the 1998-99 year. At the time I was asked it was too late in the year to plan for, and get people organized for, training. However, we hope for a better year in 1999.

We did have opportunity to go to Caswell October 2-3, 1998 for the E.T.C. Conference sessions. This was promoted in and through the associational office.

Thanks for your confidence and support in the Sunday School work.

Christian Life and Public Affairs

Christian Life and Public Affairs has focused on two issues during the 1997-98 fiscal church year.

One: The Calabash area is going to be th home of the first "adult" club in Brunswick County. This club will be located near residential areas. Brunswick County government has ordinances prohibiting these clubs, but national promoters of these kind of establishments have found they can slip into small towns within the county because their ordinances are not strong enough to prohibit this. We are trying to provide the towns with information on how to strengthen their laws and keep the "clubs" out of towns.

Two: "First Place" -- This is a Christ centered health program. It's focus Bible verse is "Seek ye first the kingdom of God and His righteousness and all these things shall be added unto you." Matthew 6:33 KJV. Group meetings are held once a week for 12 weeks. Meetings consist of food planning, behavior modification, class participation and discussion, Bible study and prayer. A person who wishes to participate in the program is asked to commit to nine commitments:

1. Attendance
2. Prayer
3. Scripture reading
4. Memory verse (one per week)
5. Bible study (one each day - about 10 minutes)
6. Live-it-Food sheets to fill out daily
7. Fact sheets (about nutrition, exercise, health facts)
8. Phone calls (making one call per week to encourage a member of the group)
9. Exercise

"Whether, therefore, ye eat or drink, or whatever you do, do all to the glory of God." I Corinthians 10:31 KJV

Seven "First Place" programs have been established:

Town Creek - 2	Pine Valley, Wilmington - 1
Faith - 1	Ocean View Methodist - 1
Boiling Spring Lakes - 1	Westside Baptist, Tabor City - 1

"First Place" is the most effective weight loss program of which I have ever been a part. The diet consists of healthy foods that are readily available. There are no "gimmicks" or pills. Members in Brunswick County have lost from 10 to 80 pounds each! The most wonderful result of the program is the growth in the four areas of the member's life stressed by the program (spiritual, mental, emotional, physical.)

Focus for 1998-99

Continuation of the 1997-98 activities:

A seminar on "Walk Right" (Christian Guide for Proactive Discipleship.) Some focal points of study are:

- Knowing God's Laws Though Moral Education
- Knowing and Following God's Moral Code Leads to Moral Responsibility
- Ethics is About Right Walking
- Right Walking is about Faith in Action.

This seminar will be open to all Christians.

Work with the Christian Action League to fight any legislation that would open the door to legalized gambling in North Carolina, specifically a state sponsored lottery.

We as Baptists must become more vocal and involved in these kind of issues. As Paul admonishes, pray for our leaders in government. "...pray...for kings and for all that are in authority, that we might live a quiet and peaceable life in all goodness and honesty." II Timothy 21:2 KJV

History Committee

All three members of this committee continue to work closely with the Centennial History Committee. Two members serve on the Centennial Committee. This past year we have stressed the importance of having a written record of your church's history to document the heritage of the church.

Bill Sumners, archivist at the E.C. Dargan Library, The Sunday School Board, says every church needs an archives to serve as a repository for the official records and historical materials that document the heritage of the church. A church archives' holdings records, financial records, Sunday School and church attendance records, committee files and reports, the files and papers of church staff members, photographs, slides, newsletters, programs, publications, Brotherhood and Woman's Missionary Union records, clipping files and scrapbooks. Some collections include motion picture films, videotapes and sound recordings as well.

Continue to collect, preserve, arrange, describe and make available for use the records and materials that document your congregation's heritage.

Women's Missionary Union 1997-98

What a year it has been! Come train with us, our training church WMU leaders was held at Faith Baptist Church on November 11, 1997. This was also the deadline for soap we collected for the red Christmas boxes for the North Carolina Prison Ministry. What a response we had!! We met our quota and then some. Brunswick WMU said to those incarcerated in prison "God Loves You and So Do We" as we loaded the DOM's truck with soap as he headed to the state office in Cary.

On December 5, 1997 the WMU leadership team hosted brunch for the pastors of the Brunswick Baptist Association. Cara Lynn Croom, from state WMU in Cary presented a nice WMU pen to those pastors that come by to meet and chat with the WMU team.

The week of prayer for international missions and the international mission study was observed and taught in 21 churches. All churches exceeded their goals for the Lottie Moon Christmas offering.

On March 5, members of the WMU leadership team attended the mission extravaganza at Ridgecrest. They attended workshops for their respective age-levels, met and talked with missionaries and shared in "Mountain-Top" experiences with other WMUers from over our state.

April 17, 1998, GA day camp at Antioch was a huge success. Buddy and Sarah Parker were guest missionaries and the 65 girls attending joined in song, bible study, craft, and studying about and meeting "Real Live Missionaries." We praise God for Carla and her efforts in her first very successful day camp!

Week of prayer for North American Missions was observed in many of our churches and again the churches exceeded their goals as they gave to the Annie Armstrong Easter Offering for North American Missions.

"Margaret" made a whirlwind appearance at the Love Your Neighbor Banquet held at Supply April 25, 1998. Members from churches that had attended WMU age-level organizations for 50 years or more were recognized as we celebrated and shared our love with them.

Perhaps the highlight of our year was our associational mission fair extravaganza, sponsored by the WMU. The resource center and its grounds became a fairground as we shared the many things that Baptist offer to the Brunswick County population and its visitors. We were joined in our displays by many of our county and state organizations. An Associational fair showing the public what God has to offer in the Brunswick, what a witness to the residents of Brunswick County!!

May 29th and 30th the Associatonal Leadership Team went to Caswell for training for the 1998-99 church year. Every age-level had someone being trained to teach our church leaders in the Brunswick Association and they came away "transformed".

WMUers worked with the North Carolina medial dental bus during boot camp week June 7-13, 1998, providing health kits, cold beverages, snacks and workers at the churches the bus visited.

A display of missions in the Brunswick Association was prepared by the Leadership team at the Leadership Training Workshop at Caswell. A video showed WMU in action in the Brunswick Association. An outstanding display!!

Christmas in August at Mill Creek was really Christmas! We read the Christmas story, sang Christmas carols and packed boxes with gifts of health supplies, school supplies, literature, books and bibles (540 pounds) and sent it to the Gulfstream Baptist Association to help with their ministry. The spirit of love was evident as the churches shared so generously with Gulfstream.

GA mother/daughter Banquet was well attended at Calvary Baptist church on Sep. 12, 1998. Girls and their mothers shared food, fellowship, prayed, sang and worshiped together.

Then, on Sept. 25, 1998, we celebrated the good things God had done and shared with us at the Annual WMU meeting at Elah Baptist Church. We cele-

brated our cultural diversity in special singing, prayers, and missionary message, brought by Mary Hunt, approved state worker of the Burnt Swamp Association and North Carolina Resource Team member. Leaders and Acteens from Mt. Pisgah shared their experiences as they attended the National Acteen Convention with Acteens from all over the United States.

Together in 1997-98 we heeded the call to "Come and Go" to tell the story of Jesus and his redeeming love through WMU. We stand on the brink of a new associational year, ready - "to go, to witness, to work for our Lord." We await the call of the churches in the Brunswick Association, it is our desire to see our county "Transformed for Jesus."

Transformed for His service,
Brunswick WMU Leadership Team

Associational Youth Ministry

Associational Youth Night

Associational Youth Night was held March 14, 1998 at First Baptist Church - Oak Island. The membership there prepared a very tasty meal of hamburgers and hotdogs with all the trimmings and desert as well. Our appreciation goes to everyone at First Baptist - Oak Island for a wonderful evening of fun and fellowship in the Lord. Special thanks to Hope Shadding for coordinating all the thousand and one things that need to come together to make such an event happen.

The worship service that evening was lead by Giles Blankenship and Jeff Allen of Different Drummer Ministries. ***(ddministries@mindspring.com)*** Giles is a graduate of Campbell University and may be remembered by some as being a member of WITNESS when they were here in the Brunswick Baptist Association three years ago. Jeff Allen attended North Carolina State University and Campbell.

Giles lead a worship in song and a time to have fun and praise God at the same time. He also took a few minutes to share a personal testimony with the group with a message to "slow down and come around and get your mind on God." He reminded the gathering that "nothing sticks closer than Jesus to you."

Jeff delivered a moving message on the quality and value of each individual life. His message to the group was that your life was UNIQUE (1 John 3:1-3). "We are what we believe we are so be an eagle," he told the young people. Our lives are EXCITING (Ephesians 4:7, 11-13). Jeff exhorted the young people and adult leaders present to find something new each day that make our lives exciting. Finally, our lives are MEANINGFUL (John 10:10 and 15: 9-11). Jeff cautioned each one present to "be honest with yourself"

Jeff also provided some light-hearted moments with his discussion of things to do in a Wal-mart store. Such things as test drive a bicycle or set all the alarm clocks to go off at different times.

More than 150 youth and their leaders from thirteen different churches in the Association attended the services that night. At the close of service, more than 30 youth came forward to pray at the altar in response to the Spirit tugging at them.

Fall Youth Rally

Our final event for 1998 was held on October 10th at Faith Baptist Church in Bolivia. Our thanks to Faith for hosting this event and special thanks to the good cooks at Faith for a wonderful meal of hotdogs and hamburgers with all the trimmings and lots of desserts.

The worship service for the evening was led by Morning Sky, a group from the Campbell University Baptist Student Union in Buies Creek, North Carolina. The team was led by Amber Crowe a sophomore at the university and Jeff Morrison also a sophomore majoring in Christian Ministries. The evening began with a few light-hearted songs to get everyone in the spirit of good Christian fellowship. Then came a time of singing songs of praise and worship to our God.

Following the music, the group performed a skit about a group of young people coming home late from a concert. They are in a van that wrecks and each one is called before God to answer the question, "What have you done for the Kingdom of God?" For Jeff, it was "I don't believe in Heaven." Woody said he "always hung around with friends who went to church." Grace used the excuse that her "father was a preacher" and David said, "he sometimes helped out by being an usher or something." Rachel answered that she was a "good person and she felt she was good enough."

The last person called was Amber. Amber said she believed in Christ and that He had died for her sins. When she asked why she had not told her friends about Jesus, she replied, "I was too embarrassed and I was too busy to tell them." At that, all of her friends that had been in the van with her began to circle around her and accuse her for not telling them. At that, Amber and the rest woke up from their "dream" and as they resumed their trip home, Amber had the van stopped and she said, "I have something I need to tell you. I want to tell you about my friend."

It was a very moving skit and let into the message presented by Samuel Fortend. His message was on the five excuses that Moses gave God in the burning bush and was tasked by God with bringing His people out of Egypt. First, Moses said that he was a nobody. To which God answered, "I will be with you." The second excuse was that he did not have anything to say. God replied, "Say I AM has sent me." Moses' third excuse was that no one would believe him. For this excuse, God gave Moses a set of wondrous signs to show the people. For his fourth excuse, Moses told God that he really was not very good at speaking. To this, God told Moses that He had made him that way and he could use him that way. All Moses had to do was go do it and to send someone else. At this, God became angry with Moses and told him that he would provide someone to help but that He would tell Moses and Moses was to tell the helper and the helper would tell the people.

God used a reluctant Moses to accomplish his will in bringing His people out of bondage in Egypt. Moses had lots of excuses for not wanting to do what God wanted him to do. The challenge of the message was not to make excuses but to be like Isaiah when he responded to the call of God with "Here am I, send me!"

The 129 youth and youth leaders from eleven churches that were present sat in quiet stillness as the call to respond to Christ was given. Three young people made a first time profession of faith and many others raised their hands to say "I am tired of making excuses and I am ready to resume my responsibilities to

answer the call to service." For these, we give thanks to our Lord and praise his Holy Name!

Youth Leader Training

The Associational Youth Council held one training event during the year for youth leaders. This event was held on March 12th at the Resource Center and was led by Hal Melton from the Youth and Campus Ministries department of the North Carolina Baptist State Convention. Hal's message to the 16 youth leaders from six churches that evening was on dealing with disciplinary problems that you might encounter when working with young people. Hal reminded the group that you had to love them for who they were and understand where they were coming from. It was a very informative session with many things to think about as you work with young people.

THE BIBLICAL RECORDER
Associational Report -- 1998

"A democracy can only survive and flourish as a nation of readers," says Daniel J. Boorstin, a Pulitzer Prize-winning historian and former Librarian of Congress.

He is correct! Thomas Jefferson said the purest form of democracy he had ever seen was Baptist Churches. We Baptists cherish our soul-liberty, and its corporate corollary--the autonomy of the local church.

But Baptists will never preserve their democratic form of decision-making if they are not properly informed. A democracy demands an informed constituency, whether they like the news or not!

The Biblical Recorder tries to tell the whole story with a focus on the many positive things people are doing in their churches and world missions, along with the crucial issues which cannot be concealed and ignored if we honor our heritage from yesterday and fulfill our mission for tomorrow.

There is no way to address these issues without correct and reliable information. The Biblical Recorder was born and continues to serve for that purpose. In the 165 years of state Baptist papers in North Carolina, never was the Recorder more needed than now for the people to have the truth.

Because people are reading less than any time in recent history at the very time there is an increased number of publications and periodicals, the Recorder has kept the pace with the state-of-the-art in print media, and entered the world of electronic communications with an attractive and effective Web site. The Web site address is: http://www.biblical recorder.org.

The Recorder Web site was officially launched in September 1997. The number of persons using the Web site has grown substantially. Each month there are 15-18,000 hits from around the world, literally--from Asia, Africa, Europe, South

America, the Pacific Rim, even Australia! In the United States, people from several states regularly use the Recorder as their source of dependable Baptist information.

The Biblical Recorder should be in every Baptist home in North Carolina. Your support as a subscriber and reader, coupled with your encouragement to others, will enable the paper to better serve the constituency with accurate and helpful information.

In order to save churches large amounts of money and to increase the readership of the Recorder, Church News Service (CNS) was launched in 1990. This system lets any congregation have their church news incorporated into the Biblical Recorder which saves staff time, postage and printing costs. Usually, for less than what it costs to produce the church newsletter, CNS gives the entire Baptist communication package to each family in the congregation.

The paper deliberately focuses more attention on North Carolina Baptists with news, features and inspirational articles which will encourage individuals and churches in their witness and ministry.

That is why the Recorder was born; that is why it serves today. For more information on how your church can subscribe or use CNS, contact:

Baptist Children's Homes of North Carolina - 1998

Sybil Stewart, Trustee Chair
Michael C. Blackwell, President

Her voice steady and quiet, Christy delivers her personal story like a letter dropped into an anonymous mailbox at a shuttered house on a nameless street.

Her grandparent's murder had unleashed memories of her own abuse. Family members encouraged her to leave her home and repeatedly told her she was worthless.

"I've had a rough life," she says. I've been through about anything I can possibly go through."

Christy admits carrying a short fuse and outbursts, physical abuse and a dangerous living situation brought her to Mills Home in November 1997.

She continues her quiet story about coming to Mills Home, about doing well in school, and tutoring two residents in Alumni Cottage. She's glad she can help, because "learning comes easy to me, and I want to help someone if I can."

Julie, her first child care worker at Mills Home, became a real friend who "helped me turn my life around," Christy says, her face at last beginning to brighten. "She was there for me when I needed somebody. My parent's weren't there. Nobody wanted me. It was fun being around Julie. She showed me she cared about me and that I could be loved."

She Didn't Plan to See 16

Julie couldn't realize how important her friendship was, or how close Christy came to giving up. Christy admits to two suicide attempts, and believed she would never see age 16.

"I used to dread getting up," she said. "I didn't know if I would get my mouth busted or my arm broke."

Even now, there are days Christy doesn't want to get out of bed. But she does, and she goes to school and earns mostly "A's" and stars on the varsity basketball team, and tutors other residents in math, and went to New York for a summer basketball tournament and is planning to attend college to study a helping profession.

Now she is planning to live, not planning to die. BCH is giving her opportunities to live for.

Christy's story is repeated hundreds of times each year at BCH. Not all are as dramatic but every one tells of a young person and a family at the end of an unraveling rope.

At four residential campuses, two homes for behaviorally troubled girls, a maternity home, a home for teenage mothers and their babies, therapeutic camping and model day care, 1,560 young people found help in troubled times last year.

During the past year BCH received $1.6 million through the Cooperative Program, and $752,000 through the Thanksgiving Offering. Total church gifts of $3.3 million comprised 18 percent of the nearly $18 million in revenue. Because of a positive investment environment, BCH investments of endowment funds provided 33 percent of revenue.

Buildings Dedicated

Two major priorities of the $10.1 million "Light Their Way" Campaign were dedicated: The Winifred Lindsay Education/Administrative Center at Odum Home in Pembroke on Jan. 20, and at the John D. and Amelia W. Johnson Cottage at Mills Home on May 12.

U.S. Congressman Mike McIntyre, co-chair of the Congressional Task Force for Responsible Fatherhood, spoke at the dedication of the Lindsay Center. He said BCH has the "purpose, people and passion" to successfully help children and families turn their lives around."

"When we reach out to our children we're making the best investment for tomorrow we could ever make for our country," he said.

Winifred Lee Herbert Lindsay, for whom the Lindsay Center is named, died Nov. 21, 1997.

Primary funds for building Johnson Cottage were given by Phil and Sharon Drake, of Franklin, in memory of Sharon's father and in honor of her mother, a BCH trustee.

"God has given me more than I deserve," Drake said in a brief emotional address at the dedication. He said giving money to build the cottage was the "easy part" compared to the cottage worker's task of making a difference in children's lives.

Michael C. Blackwell celebrated his 15th anniversary as president of BCH on July 1, 1998.

The video, "A Long Walk Home" is available to promote the 1998 Thanksgiving Offering, which has a statewide goal of $800,000, the largest ever. Wherever

chilren are hurting and families are strained, BCH strives to heal. To secure a video or a speaker for your church or civic group, or to access services, call **(800) 476-3669.**

ANNUAL REPORT TO THE ASSOCIATIONS
1998

It is a joy for the Christian Action League of North Carolina to serve the churches of this great state. We continue to work to inform the Christian community about the moral issues that face our state and nation. Our goal is to address these issues with the principles of God's Word, the cornerstone of all truth.

A. Christian Values

• It was the pleasure of the Christian Action League to be one of the Third Annual Christian Heritage Week of North Carolina held March 15-22. The League encouraged schools, churches and communities to recognize, commemorate and learn about the Christian heritage and history of our nation. CAL sponsored a state-wide essay contest for high school students (public, private and home schools) and presented state winners with awards for excellence.

• Continued to promote Christian citizenship throughout the churches and communities of our state. CAL has distributed over 12,000 copies of the Ten Commandments to churches, businesses, schools and homes across North Carolina. Promoted Sanctity of Human Life Sunday and the National Day of Prayer statewide.

• Held a Church Leadership Legislative Day on June 23. The purpose of this day was to have pastors and church leaders to come together and enjoy fellowship, meet and hear some of our legislators and become more aware of how state government and the legislative process works.

B. Gambling

Lottery proponents continue in their efforts to bring a state-sponsored lottery to North Carolina. CAL monitors these efforts and updates the Christian community on lottery information through letters, calls and our fax and electronic mail networks. Lawmakers have continued to receive a barrage of communications from across the state saying that the lottery is a bad bet for North Carolina.

CAL also monitored the work of the Legislative Study Committee on Bingo Relations.

C. Sex Education

Worked with other Christian and pro-family groups to see that the state mandate for Abstinence Until Marriage education is implemented state-wide. Also, supported efforts to insure that federal grant money designated to promote abstinence education was used properly. Informed citizens and legislators concerning attempts to fund school-based clinics in North Carolina schools.

D. Abortion

CAL promoted HB 303 (Ban Partial Birth Abortion), HB 536 (Woman's Right to Know before Abortion) and HB 594 (Fetus Death from Criminal Act). We also encouraged lawmakers to maintain funding reductions and restrictions on the state abortion fund. These actions have resulted in only two qualifying abortions being paid with taxpayer funds in the last two years.

E. Alcohol

CAL monitored all legislation concerning alcohol and other drugs. Successfully supported efforts to strengthen DWI laws. Assisted communities in organizing committees to fight alcohol and drug use. Worked to defeat legislation that would have approved alcohol sales without the vote of the people. Provided awareness, education and resource materials related to substance abuse problems to churches, communities, etc.

CAL will host a national conference in September of the American Council on Alcohol Problems.

F. Pornography

Promoted and saw ratified SB 452-Local Regulation of Adult Establishments. This legislation gives more authority to local communities to regulate and control adult entertainment establishments.

G. Homosexuality

CAL supports efforts to strengthen the traditional family and continues to monitor and inform the public about the activities of those who promote the radical homosexual agenda. Successfully lobbied against legislation that would have made homosexuality legal in North Carolina. Offered the video "On Wings Like Eagles", the testimony of deliverance from homosexuality by Michael Johnston of Kerruso Ministries.

North Carolina Baptist Colleges and Universities
Council on Christian Higher Education

The Council on Christian Higher Education was founded by the Convention in 1944. It was established to assist colleges and churches within the Convention. The Council does not exercise any authority over the Baptist colleges. The competent leadership of trustees, administrators, and faculty guide them as they fulfill their missions. It does, however, study and recommend to the General Board in matters related to Baptist colleges and the Baptist State Convention.

Four men have led the Council as its Executive Director. Claude Gaddy served as the Council's founding leader. Harold Cole served briefly. Ben Fisher succeeded him. T. Robert Mullinax joined the Council in 1971. Mullinax retired this year from the post he has faithfully guided for 27 years.

The Council and Executive Committee of the General Board invited Wayne D. Wike to become the Council's fifth leader. Wike comes to his post from the pastorate. He has served four North Carolina churches as pastor.

He and his wife, Debbie, are alumni of Gardner-Webb University. In addition, he is a graduate of the Southern Baptist Theological Seminary and Union Theological Seminary.

Wike has already served North Carolina Baptists in a number of ways. He served on the Committee on Committees, Chaired the Committee on Nominations, and Chaired the General Board Membership Study Committee.

Council members have greatly assisted each one of these leaders through the years. The college presidents, provosts, and chairmen of Boards of Trustees, along with an equal number of General Board members, serve as members of the Council.

The strength of the Council lies in its voluntary concept of community rather than competition. The Council has proven to be a mediating influence in relating the colleges to each other, to the church, and to the convention.

The Council is currently involved in strategy planning. It is seeking to prepare for the new millennium. The future holds great promise. The Council and its member colleges want to be prepared for it. The Baptist churches in North Carolina will benefit as a result.

Making Life for Older Adults...

The Best of Times

Treasures Old and New

In concluding a series of parables related to the wise use of God's gifts, Jesus ended with these words, *"Every scribe which is instructed unto the Kingdom of heaven, is like unto a man that is a householder, which bringeth forth out of his treasure things new and old," Matthew 13:52*

During this past year God has enriched Baptist Retirement Homes with special treasures.

Treasures Old

THE TREASURE OF OUR NORTH CAROLINA BAPTIST FAMILY - Our 500 residents plus all the staff who make up the Baptist Retirement Homes part of the family, say, "Thank You," to the rest of our North Carolina Baptist family.

Thank you for giving so generously through the Cooperative Program and through the North Carolina Offering for Older Adults enabling Baptist Retirement Homes to lead the way for the state of North Carolina in providing benevolent care for Older Adults. Every dollar that comes through these channels is designated to provide care for the "poor elderly."

THE TREASURE OF OUR BAPTIST VOLUNTEERS - These volunteers range from a W.M.U. group that provides regular monthly programs plus special activities such as ice-cream socials at The Taylor House in Albermarle, to a friend who spends hours each week giving manicures at The Hamilton Baptist Home in Hamilton, to a B.S.U. group that provides a weekly program at the Prince Nursing Care Center at the Brookridge Retirement Community in Winston Salem, to a preschool day care class that comes twice a month to visit their "grandfriends" at the Western North Carolina Baptist Home in Asheville.

Treasures New

TAYLOR GLEN RETIREMENT COMMUNITY IN CONCORD - For more than a decade Baptist Retirement Homes have been dreaming with North Carolina Baptists of the Cabarrus / Mecklenburg / Rowan / Stanly area about providing quality residential and health care living opportunities and services to Older Adults. Because of the encouragement given by Baptists of the area, and as a result of the philanthropy of Cabarrus County natives, Carrol and Geneva Taylor, this dream will soon be a reality.

FIVE NEW TWO BEDROOM APARTMENTS AT BROOKRIDGE - These apartments are nearing completion as an addition to the Main Building at the Brookridge Retirement Community in Winston Salem. Bringing the total number of independent living apartments to 146.

RESIDENTIAL UNITS FOR MEMORY IMPAIRED - Special units for those Older Adults dealing with dementia related conditions such as Alzheimer's Disease, will be developed at the Western North Carolina Baptist Home in Ashe-

ville and the Brookridge Retirement Community in Winston-Salem. In Asheville the unit will be created via a significant renovation within the current home. In Winston Salem new construction will be required.

This report is sent with heartfelt gratitude for your prayers, your deeds of kindness and your gifts enabling us to make life for North Carolina Baptist Older Adults... ***The Best of Times!***

North Carolina Baptist Hospitals

HOSPITAL CELEBRATES 75 YEARS OF SERVICE

In May 1998 the North Carolina Baptist Hospitals, Incorporated celebrated 75 years of service to the community and the region. During these years the hospital has been faithful to the vision of the North Carolina Baptist State Convention when the hospital was birthed: to extend the healing ministry which was demonstrated by Jesus Christ. Many challenges have been faced through these years, but the commitment to compassionately strive for innovative excellence has remained the same.

Baptist Benevolent Care Fund

Baptist Churches from all across North Carolina joined us in mutual mission through the Mother's Day Offering. This annual ingathering of love was approved by the Baptist State Convention of North Carolina in 1924. In 1997 the MDO amounted to $500,747. It was used exclusively to help patients who had little or no health care insurance or no other financial means to pay their hospital bills. From the offering this past year, well over $200,000 was used to assist members of our Baptist Churches in North Carolina. May God bless all those who supported us with prayers and gave so generously.

Division of Pastoral Care

During the year the chaplains and staff of the Pastoral Care Department provide worship services in Davis Memorial Chapel on Monday, Wednesday, Friday and Sunday for patients and family members. The Pastoral Care Department staff supervised 64 students during the year and made more than 53,000 ministry contacts.

The Department of Pastoral Counseling, CareNet, Inc. continues to expand its ministries. There are now 13 Christian counseling centers located in strategic areas across the state. During the year these professionally staffed centers will provide over 26,000 hours of counseling.

The Center for Congregational Health, Inc. continues to expand its mission of helping congregations become healthier communities of faith. **Programs and assistance** offered to churches include: Consultation, Intentional Interim Ministry, and Leadership development. **Resources for ministers** include: Young Leaders Program, Turning Point, Interim Ministry Training, International Interim Ministry training.

Facts about Wake Forest University Baptist Medical Center

• With more than 10,000 employees, four restaurants, two banks and a post office that handles more mail than some towns, the Medical Center has been called a city-within-a-city.

• The Medical Center successfully proposed to Forsyth County Commissioners to purchase the county's indigent health care clinic, Reynolds Health Center. The Center also serves as a primary care training facility for our medical students and residents. Construction is expected to begin in the spring on a $5 million, state-of-the-art facility.

• Building strong relationships with community hospitals and other academic medical centers was a hallmark of the past year. Hospital and clinical affiliations grew to 22 by December '97.

Points of Emphasis and Progress

ALS CENTER - Wake Forest University Baptist Medical Center has opened a specialized center to provide coordinated care for patients with amyotrophic lateral sclerosis (ALS), often referred to as Lou Gehrig's disease. The Medical Center's ALS program is the only center in western North Carolina devoted to ALS patients.

TRAUMA CENTER - The Medical Center has the designated Level I trauma center for northwest North Carolina. In the trauma center our goal is for the patient who needs surgery to be in an operating room 10 minutes after arriving at the Emergency Department. Surgeons, anesthesiologists and staff remain on duty 24 hours a day to handle such emergencies.

TOPS IN RESEARCH - According to a report in the February 1997 issue of *Applied Clinical Trials,* Wake Forest University School of Medicine ranked in the top 10 U.S. clinical research institutions.

RANKED AMONG THE NATION'S BEST - The North Carolina Baptist Hospitals, Incorporated is among the nation's best hospitals in nine of 17 specialties, according to rankings published in the July 1998 issue of *U.S. News & World Report.*

NEW HEART VALVE - Wake Forest University Medical Center is one of the first centers in the country to offer a new "natural" valve replacement to patients with diseased or damaged aortic heart valves. The Freestyle valve was tested extensively in six centers - including Wake Forest University Baptist Medical Center - before being released for general use.

NEWEST TREATMENT FOR EPILEPSY - Wake Forest University Baptist Medical Center offers a new treatment for epilepsy - a "pacemaker for the brain" that can help control seizures in patients who are not helped by medication and are ineligible for surgery.

INFORMATION AND APPOINTMENTS - For more information, contact one of our operators at (336) 716-2011. To make an appointment with a physician, contact HEALTH-ON-CALL at 1(800) 446-2255.

A CLOSING WORD

Seventy-five years ago the North Carolina Baptist State Convention gave us a directive to extend the healing ministry of Jesus Christ. For three-quarters of a century, we have sought to carry out this ministry of healing with compassion and integrity. Those who come here for care expect outcomes unachievable elsewhere. We must constantly rise to meet and exceed this expectation. Every patient and family member has a right to expect from us excellence in health care, delivered with compassion.

History of Jennies Branch Baptist Church

Jennies Branch Baptist Church was organized in 1895 with 14 charter members. The original church structure was located in an area south of Shallotte near a stream called Jennies Branch, which crossed what is now Hale Swamp Road, and toward the western end of Goose Creek Road. The first buildings were heated by a wood stove, fired and cared for by the members. The first pastor was Rev. Dempsey L. Hewett.

In 1933, the church decided to "move the building to a more central location in the community," one mile east of the present location. This was done in 1934.

The church grew and additional classrooms were added in 1940. In 1942, the sanctuary, a frame building, was made about 10 feet longer, adding a steeple and front porch. More classrooms were added in 1949.

From its inception, the church experienced steady numerical growth. From its 14 charter members in 1895, the church grew to nearly 200 in membership by 1970. A building committee was elected and a new structure, our present fellowship hall and classrooms, was occupied on Sunday, January 1, 1970. The people worked hard and gave generously and were debt-free by September of 1972. This was a great accomplishment.

In 1976, a planning and survey committee was appointed to begin plans for a sanctuary. Work on the new buildings began in the fall of 1977, with the first worship service being on Sunday, June 25, 1978.

Jennies Branch has been blessed throughout its history with excellent leadership as realized through its pastors and lay people. Through its 100 year history they have begun new ministries and developed well-rounded programs of worship, music, youth, missions, recreation, fellowship and Bible study.

Rev. Jessie Bentley, along with his family, led during much of the growth known by Jennies Branch, serving as pastor for 25 years from 1965 to 1990. He was our guest minister for the 100th Anniversary Celebration, Sunday, September 24, 1995. Rev. and Mrs. Judson Rotan, a former parsonage family and now the Director of Missions in Asheboro, N.C. were also present for this occasion.

Rev. Herman Absher came as pastor in August of 1990. Additional properties (4+acres) were purchased August 25, 1995. A planning and study committee has been chosen to recommend a plan of action for the best use of these additional properties and present facilities. Our present membership is now 302. There was an average of 126 present in Sunday School during the 1994-95 church year. The church family is still growing and responding to the challenge of ministry in the name of Christ.

The church has paid off the indebtedness for the property bought and is now debt free.

Director of Missions Report

We are continuing to see a migration of people to Brunswick County. From 1990 to mid-July, 1999, eighteen thousand people have moved into the county. The possibilities of reaching people are greater in Brunswick County than they have ever been. Many of our churches are continuing to reach some of these people but many are unreached for Christ and we are not as prepared to give quality Bible study, worship and Christian education as we would like to be. We need to prepare for the change that will come our way in the 21st Century. People will be looking for quality in our Bible study, worship, Christian education and even fellowship to gain their attention. Whether we think this is right or wrong, it will become reality. Time is and will be more valuable to the younger generation than it has ever been in the past.

Brunswick Baptist Association has the greatest opportunity, greater than it has ever had, to reach people. We must seize the opportunity.

I think that at least four things must be put in place for us to move forward. One: We must increase our prayer life. We must seek the guidance of the Holy

Spirit of God in all matters. We should ask ourselves the question "What would God have us to do in this association?" Second: Recognize the fact that we need to change something in our churches, update the method but let the message remain the same. Be willing to try something new as God leads. Third: We must better prepare ourselves to teach God's word, preach, worship and to provide Christian education for our teachers and church members. Fourth: We must start new churches in strategic areas of the county where growth is taking place. It has been proven that in most cases, new churches grow faster than older established churches. Another matter that we must address is the Spanish speaking population in the county. A large migration of Central and South American people are coming our way. We need to be preparing for this migration. We will need to minister to and prepare them to be able to minister. God has placed us in a strategic place at this specific time in history, with a tremendous responsibility to share the gospel of Christ. We will have other ethnic groups coming our way in the future.

The Associational Centennial Committee has been working for about four years in preparation for the Associational Centennial Celebration. The day has come where we will celebrate 100 years of Brunswick Baptist on October 23, 1999, at the Odell Williamson Auditorium. We trust this will be a memorable time for all involved.

The Brunswick Counseling Service is continuing to be active in helping people in the county. We thank God for trained staff who are bringing a new dimension to Brunswick Baptist. Many hurting people are being helped through this ministry.

We are blessed to have New Ebenezer Baptist Church join fellowship with the Brunswick Baptist Association this year. They were voted in at the April 12, 1999, Executive Board meeting at Oak Island First Baptist Church. We are grateful for Beach Road Baptist Church who sponsored this congregation. May God continue to bless both congregations.

We have had many opportunities to minister this past year. Some of them were:

- Youth Rally -- October 10, 1998, Faith Baptist Church
- Associational Youth Night -- March 13, 1999, Jennies Branch Baptist Church
- Operations Christmas Child -- November, 1998, Relay Station
- Associational Golf Tournament -- November 21, 1998, Brierwood
- Associational Bible Drill -- March 27, 1999, Calvary Baptist Church
- RA Car Race -- March 19, 1999, Faith Baptist Church
- VBS Clinic -- April 15, 1999, Supply Baptist Church
- Backyard Bible Club - Spring and Summer, 1999

The Baptist men of the association have had a busy year. They have done a tremendous amount of work in the area meeting the needs of the people. We have had three hurricanes with enough water to flood the ark. They have left families homeless and hungry. Truck loads of food have been disbursed throughout the country to help feed the needy. It will be weeks and months before many homes are repaired and rebuilt in some areas of the county.

We are still trying to move forward with the disaster recovery building. The weather has not cooperated with us this year as we have tried to lay blocks and pour the foundation in order to raise the building. We will continue with the building as soon as it is dry enough to work.

We are grateful for the leaders and workers in this association. We cannot accomplish the work that God has for us without you. You are very important to

God's kingdom here in Brunswick County. Thank you for your commitment.

Respectfully submitted,
William L. Smith,
Director of Missions

1999 Clerk's Report to the Association

October 22, 1999

As of this date I have received 34 Annual Church Profiles from churches in our association. I want to thank all the church clerks that have taken the time, for their hard work and also for their effort in getting these to me. I also want to thank the clerks, that I had questions about their ACP's, for their cooperation in helping get the information that I needed.

I have not received the ACP's from Bethel, Lebanon, New Ebenezer, Peace Memorial, Sabbath Home, and Woodburn First. If there is anyone here today from any of these churches - I hope they brought the ACP's with them. For those of us who don't know - Carolina's Fellowship church is no longer in existence but we have a new member - the New Ebenezer Baptist Church on Route 211 - therefore our number of churches in the association remains at 40.

Some statistics from the 34 reporting churches are as follows:

Total baptisms for the year 264 (32 more than last year)
Number of churches reporting no baptisms 7.
All other additions to church rolls 8,486 (this is 718 more than last year)
Total Sunday School enrollment 4,671 (this is 123 more than last year)
Discipleship Training enrollment 1,746 (256 more than last year)
Vacation Bible School 2,369 (148 more than last year)
Total to date of all reported membership is 13,157 (841 more than last year)
This figure is made up of:
Sunday School enrollment 4,671
Total Church membership 8,486

Although the response has been good in getting the Annual Church Profiles to me before this annual meeting, I still need to get the remaining six (6). If I do not have all the letters - I cannot give you an accurate report. This also means that those churches are not included in the report that I sent SBC Headquarters in Nashville and the State offices in Cary. So, if any of you happen to know anyone from any of these churches - I would appreciate it if you would maybe remind them to send in their ACP's to me - I would greatly appreciate it. It would certainly be great if I could send in the report from all 40 of our churches.

Just a word about the 1998 Annuals - we have a number of them left yet. If anyone is interested in getting one - we have them here today and if you see Patricia Lewis she will be able to help you - the price is still just $3.00 each.

Thank you.

Arlene J. Hallman
Clerk

Before I give my report - I would like to read a list of the churches that sent their Annual Church Profiles to me quickly: better known as the "Early Birds".

Bonaparte	Bolivia
Prospect	Town Creek
New Life	Old Shallotte
Boones Neck	Sunset Harbor
Calvary	Soldier Bay
Mill Creek	Longwood
Southport	First Baptist of Oak Island
Shell Point	Oak Grove
Antioch	Community Chapel
Elah	Beulah

I think it is really great to see the different churches among the early birds again this year. It would be nice to have even more of you getting your reports in early next year.

But, actually this year you all did a good job at seeing that I got the reports in before this meeting today. Thank you.

A Missions Development report was given by Jack Hancox. The next meeting of the Missions Development Group will be February 9 at 7:00 PM. There are 45 ministries going on in our churches. After a slow start the jail ministry is going strong. Hope to develop some kind of follow-up program. Anyone in the churches can minister to the men and women in the jail are encouraged to do so.

Bill Smith, Association Missionary Director, reported that the Disaster Recovery building has not been started yet. Jay Houston, who has done the

plans, has had to reapply for the septic permit several times. Hopefully, this will be accomplished soon and work will begin. Bill mentioned that the Centennial celebration is coming quickly and we need to be sure we are ready. We are looking for a good time together celebrating this milestone. The lease of the land to the Brunswick Family Assistance Agency, Red Cross, and Literacy Council is being revamped. Will be a year or so before things get going because they are working on getting the money for the project. Looking at procuring land in the southern and northern parts of the county to begin new work. Hoping to provide places of worship for those in the county and coming into it whose needs are different.

Old business: Charlie Smith, chairman of the associational nominating committee, stated that when the committee presented the Missions Performance Group members they did not have anyone committed to be Sunday School Director at the time. However, they did have someone now and wanted to place into nomination Avery Lumsden as Sunday School director for the association. Other nominations were called for and none given. It was then voted on and passed.

> The Missions Performance Group moves that the property in Calabash owned by the Brunswick Baptist Association be sold and the proceeds from that sale be used to purchase a more suitable piece of property in the Calabash area to be used for a new church work there. If any monies from the sale of the Calabash property remain after the purchase of the new property, those funds will be put toward the establishment of a new church work in the area of Calabash.

Mr. Batten stated reasons for this action and for the timing of this decision. Discussion was called for and there was none. The motion was voted on and passed.

The Compassionate Friends, a support group for parents who have lost children, meets every second Monday of the month and is a vital ministry for anyone who has lost a child. A Mentoring Program for students at the Brunswick Learning Center, the alternative school for students at the Brunswick Learning Center, the alternative school for students in the country, is being started. Soldier Bay Baptist Church and pastor Charlie Smith are a lighthouse for Hispanic work in our association. Mr. Smith requested that the churches call the association office with the final head count of those church members that will be attending the Centennial Celebration. The memorabilia can be viewed starting at 9:00 am and the program will begin at 10:00 am. Dr. Roy Smith will be the guest speaker. Lunch will be served immediately following the program. Sunday School training will be held at Supply Baptist Church on Tuesday, November 9, 1999 at 7:00 pm. The Long Beach property sold for $45,000 less commission, for total income of $41,154.73. There have been many truckloads of food sent to various areas due to the hurricanes. These included Old Dock and Supply. Mr. Smith recognized Patricia Lewis for her hard work and commitment.

The moderator called for announcements.

Virgil Batten gave the benediction. The meeting was adjourned and refreshments were served in the fellowship hall.

Missions Development and Missions Ministry Report

The year 1999 turned out to be a great year for mission development. Five years ago I set a goal to involve at least twenty of our churches in ministry-mission outreach. At our last meeting, I was pleased to note that we had surpassed that goal. Today THIRTY-TWO of our churches have attended at least one mission development council meeting! We give God the glory for this remarkable response.

As we are now into our Centennial Year we are pleased to report many exciting advances in mission development to enhance this event and to launch the next hundred years of mission advance. Please share with me any ideas that might be developed into ministries. Together we may get something exciting started for the Lord.

Please accept my sincere appreciation for your help in assisting our churches to become more involved in the global ministry outreach. It is clear to me, that if we do a good job in our local church and association, God will be pleased and He will help us move effectively out into the world for His Son's sake.

The Migrant/Spanish Language work has made important gains this year. Charlie Smith and Soldier Bay Baptist Church are leading out with the significant assistance of Juan Cohen (Antioch). Other churches need only to contact Charlie to get involved directly. The big news here is the availability of a four acre tract of land in the Ash area for a Spanish speaking church.

Resort Ministries did not work out this summer. New plans are being made for next year. If your church has any interest in resort ministries, please contact us.

More churches are realizing that ministry opportunities exist for church volunteers in Hospice, Hope Harbor Home, Habitat for Humanity, Brunswick Agency for Family Assistance, Literacy Council, and our newest helping agency, Providence Home, emergency teen shelter, at Southport.

Several of our churches have been blessed by their involvement in the Communities in School - "Adopt-a-School" Program. Fourteen of our churches now participate in this exciting ministry and two more churches are completing arrangements.

A food distribution program managed by Peace Memorial Baptist Church now touches people throughout the county. The Lord is blessing this ministry in a great way. Brunswick Island Baptist Church also organized a food distribution program and is reaching many people in their area. They call this ministry "Loaves and Fishes".

Some of our church people are helping with the Brunswick Learning Center, Southport, in a "Be a Friend" program. A new mentoring program is being launched in October.

Our newest ministry is just beginning. We are developing a Christian Student Ministry at the Brunswick Community College. Pam Johnson of Supply Baptist Church is our director. About twenty students signed up for the program. Please pray for this vital outreach. Contact us for more information.

Our Jail Ministries have really advanced this year. Several churches are helping us to provide three services every Sunday at 3:00 p.m. Bible studies are conducted on Thursday evenings at 7:00 p.m. If you are interested, please contact me.

First Baptist Church of Woodburn has developed a community outreach min-

istry for Saturday afternoons. After a big meal, prayer and testimonies take over. Many people have been reached for Christ through this ministry.

Other ministries in which our people from our churches have been involved include: Caswell Boot Camp, Backyard Bible Clubs, Promise Keepers, Tailgate programs at local football games, a bus ministry to kids, outreach to singles, sending children and youth to camps (those unable to pay), Bible classes in the high schools, outreach to nursing/retirement homes, home repairs and yard work for shut-ins, a CROP Walk for the hungry.

Relationships with our brothers and sisters in black churches have deepened and expanded. New Ebenezer Missionary Baptist Church is now a member church of the association.

So much is going on and all we can do is praise the Lord. Antioch Baptist Church is continuing its Helping Hands Ministry, preparing and delivering hot, nutritious meals to the homebound in their area. On a recent Saturday, over 160 hot meals were delivered.

We have had a great year in missions development and God has greater things ready for us - when our churches are ready! So, let the Lord lead you to minister to the "least of these" our brethren and His children. Continue to pray to Him that outreach may become a matter of serious concern in our churches.

Please Note: NEXT MEETING is set for November 2, 7:00 p.m. at the Resource Center. Make sure that your church has at least one representative in attendance. Let's pray for each other!

Respectively submitted,
Jack Hancox
Missions Ministry Director

Discipleship Report

The Great Commission says *"Make disciples ..."* That's the only imperative in the Commission, Make Disciples.

Ephesians 4:14 says, *"Then we will no longer be infants, tossed back and forth by the waves, and blown here and there by every wind of teaching..."* Boy if that doesn't describe so many churches today!

Hebrews 6:15 says, *"Therefore let us leave the elementary teachings about Christ and go on to maturity..."* Hello, what a need that is! It's time to move beyond pasting beans on construction paper!

Is there help? Yes, yes, yes!

Discipleship Training has so many answers ... so much to offer!

We could easily say that the 1990's have become the decade of Discipleship. There are studies for couples, men, women, youth, children. Just look at the various courses available:

Experiencing God (not only for adults, but a youth version and a pre-teen version), The Mind of Christ (incl. Youth Edition), Bible Drill and Speakers Competition, Disciple PrayerLife, Aerobic Ministry startup, Building Strong Families, Fresh encounter, A Heart Like his, A House of Prayer, Jesus on Leadership, Kingdom Principles, Life in the Spirit, MasterLife, Serving God: Discovering and Using your Spiritual Gifts, Share Jesus without Fear, Teaching

with Style, Breaking the cycle of Hurtful Family Experiences, Conquering: Chemical Dependency/Codependency/Eating Disorders, Making Peace with Your Past, Moving Beyond your Past, Quitting for Good: A Christcentered Approach to Nicotine Dependency, Recovering from the Losses of Life, Search for Significance, Shelter from the Storm: Hope for survivors of Sexual Abuse, Strength for the Journey: a Biblical Perspective on Discouragement and Depression, A Time for Healing: Coming to terms with your Divorce, Untangling Relationships, Forward Together: A New Vision for Senior Adult Ministry, Grandparenting by Grace, In God's Presence, Meeting Needs, Sharing Christ, The 7 Laws of the Learner, The Financially Confident Woman, To Live is Christ, A Woman's Heart, The Man God Uses, Leading Criminal Justice Ministry, How Much is Enough? Christian Life and Public Affairs Report 1998-99

Christian Life and Public Affairs concentrated on two projects during the 1998-99 church year. One: "First Place", a Christ centered nutrition program with an emphasis on weight control. Seven churches have participated in the program. We continue to receive requests for information about the program. Many have testified that participation in "First Place" has dramatically changed their life in all four areas the program teaches. These are spiritual, emotional, physical, and mental.

The second project was opposing a lottery for North Carolina. We were able, once again, to defeat efforts by some members of the North Carolina General Assembly to pass a bill which would set up a statewide binding referendum to establish the lottery in North Carolina. Praise the Lord, the bill never reached the floor of the General Assembly.

The success of this defeat was due in part to your efforts as Baptist Christians. On April 12, 1999, the Executive Board of the Brunswick Baptist Association unanimously approved a resolution which stated its opposition to any bills being introduced in the N.C. Senate or House of Representatives which would result in the presentation of a binding referendum on this issue of a state lottery or any form of legalized gambling. This resolution was sent to our House of Representative members of the 14th district and our Senator representing the 16th district plus to some who represented other districts in the state. Individuals called, e-mailed and wrote letters expressing their opposition. This proves that when Christians become concerned about issues that have a negative impact on

morality or quality of life in our society they do make a difference.

Christian Life and Public Affairs will continue to inform and educate Baptists on issues and ask for your prayers and or action.

God Bless You All,
Shirley Babson, Director
Christian Life and Public Affairs

Backyard Bible Club Report

Several Backyard Bible Clubs were held in the Brunswick Association during the 1999 year. Approximately 150 kids participated in Backyard Bible Clubs during the year.

We began with one being conducted by a group of Acteens from Mount Pisgah Baptist Church during their spring break from school in April. Brunswick Islands Baptist Church hosted a mission Backyard Bible Club for a group from Piney Grove Baptist Church of Williamston, North Carolina. About 40 persons were involved in this event that took place in Varnamtown in June.

The director also attended the Key Leadership Conference in May at Caswell.

Looking forward to the Centennial Celebration.

Hopefully, in the new millennium, more churches will see the need of media/library ministries. Call 253-6849 if I can be of assistance.

Scheduled meetings in the year 2000:

January 11 -- 7:00 PM
April 11 -- 7:00 PM
May (late) -- Media Ministry Workshop at Ft. Caswell

History Committee

During the compilation and writing the associational history several things have come to my attention.

Many churches do not know where their church records, especially the older minute books, are located. They seem to be scattered among the past church clerks. These books need to be returned to the church for safe keeping. A complete history cannot be written unless all the church records are readily available.

Few churches have updated histories. Most churches responded to Rev.

William Deitz's request for a history in 1976. However, these histories have not been updated. As a result of our centennial history Beach Road, Calvary, Community Chapel, Elah, Faith, Goshen, Gospel Center, Longwood, New Ebenezer, Mill Creek, New Life, Peace Memorial, Prospect, Sabbath Home and Soldier Bay updated their history. Of these Elah, Faith, Gospel Center, New Life, Prospect, Sabbath Home and Soldier Bay churches have a thorough and complete history. Congratulations to these churches for all their hard work and effort.

A picture collection would be a valuable resource for every church. A church needs a picture of each pastor as well as other church leaders. Photographs of the church building and grounds will add to the picture collection. This collection can serve as a resource for other churches and historians.

Church records need to be preserved for future generations. The Baptist State Convention maintains a historical collection at Wake Forest University. Here church records, new items, photographs, written histories, bulletins, etc., are filed in individual folders. Every church has a file. Some contain numerous items while others have just a few. John Woodard, Director of History Collection, will microfilm your church records and then return them to you. Researchers and writers recognize the value of the Baptist History Collection and constantly make use of it in their research.

The centennial history, GREAT IS THY FAITHFULNESS - A Glorious Century, is printed and ready for distribution. Once more, let me thank those who supplied information, pictures, recollections, and emotional support. Without the help of others, this book could have not been written.

Woman's Missionary Union of the Brunswick Baptist Association

WMU began the 1998-99 church year with leader training at Shallotte First Baptist. Those attending left the training session "Transformed" with a desire to help transform others.

One on one meetings like the one at Boiling Springs Lakes First gave opportunities to share ways we could be "transformed".

International Mission Study Week, Nov. 15-18 found most of our churches participating in the study, God is moving, who will follow.

Week of Prayer for International Missions and the Lottie Moon Christmas Offering was observed in 37 churches. WMU and the churches rejoiced as most churches went over their goal for the Lottie Moon Christmas Offering.

Soap! Soap! Soap! How the churches responded to the call for soap to be sent to Cary to the WMU office for the Red Christmas Boxes for the NC Women's Prison Ministry project. WMU thanks our DOM for his delivery of the soap (we could never have afforded to ship that much soap to Cary!).

Shoeboxes were packed by many of our churches for the Operation Christmas Child project. WMU joined with Baptist Men in this.

WMU leadership team and Women on Mission from various churches prepared the noonday meal at the ground breaking for the building to house the disaster relief van.

Oak Island First Baptist held a prayer retreat and made the transformed aporns. Sabbath Home made transformed aporns, also.

Soldier Bay Baptist Church was a delightful host for the study of the book, "Transformed" taught by Phyllis Elliot-Ellington on January 25, 1999. Over 100 were in attendance.

WMU Focus Week Feb. 14-21 was culminated with a kitchen shower for the Resource Center. Many needed and useful items were donated. WMU is working on getting the kitchen completely stocked.

GA Day Camp was held at Friendship on April 9. Girls were everywhere! Singing, crafting, learning about missions and taking part in Hands on Mission Action projects! Good job Carla!

What can we say about the WMU banquet held at Sabbath Home in May? Over 150 persons registered! Cynthia Tart from Communities in Schools spoke, "Candy" from Mt. Pisgah sand and we shared in food and fellowship, "Transformed, In Love".

The first ever Associational Acteen Day was held at Mt. Pisgah, with workshops, a Teen Missionary speaker, and mission action involvement. We praise God for the efforts and organization that O'Linda Sellers and Linda McDonald did.

Members of your Associational Leadership Team in all of these projects and events. Five team members attended training at Ridgecrest, and ten attended Associational Leadership Training at Caswell.

As we write this report, three other events will end our year, and will have accrued by the time you read this report. They are (1) Annual Training for Church WMU Leaders at Mt. Olive Baptist Church on Sept. 9., (2) The Annual Meeting of WMU ("our biggie") at Brunswick Islands Baptist Church on Sept. 24., (3) GA Mother Daughter Banquet - Sept. 25.

We anticipate a big turnout at all of these events for we the Woman's Missionary Union of the Brunswick Baptist Association are - "Transformed, To Take The Stand" in 1999-2000.

Resolutions Committee

The Resolutions Committee recommends that this 101st Session of our association enter into our records the following expressions of appreciation:

1. That we, as messengers to the Annual Session of the Brunswick Baptist Association, give praise and thanks to our Lord for His bountiful blessings given to us during the flooding and aftermath of Hurricane Floyd, and especially for the many volunteers who gave of their time and talents to aid in the recovery and restoration process.

2. That we express our thanks to Jennies Branch Church for their marvelous and loving hospitality to the messengers and visitors.

3. That we commend the officers of the association for their faithfulness and devotion. They, along with our Director of Missions, Rev. William L. Smith, lend stability to the work of the association. And to all others who have served the

association in any capacity during the year, we thank you.

4. That we express to Rev. Michael Cummings, President of the Baptist State Convention, and Rev. Anthony Clemmons our gratitude for the soul-searching messages and challenges presented to us by way of their preaching and explanation of God's Holy Word.

5. That we also acknowledge with gratitude the services of those who helped plan and prepare for the program which we have enjoyed today. May the joy of Christian fellowship we have experienced today carry over to the Centennial Celebration tomorrow. May we commit ourselves to prayer that God would continue to unite us in His service for many more productive years.

Michael C. Blackwell, *President*

Three rocks beside her trailer house warned four-year-old Mamie not to tell anyone of the way her father was abusing her.

If she ever told, her father said, those stones would mark her grave and the graves of her two best friends.

"He had already killed my dog," says Mamie, now 16. "So I believed him."

When authorities discovered Mamie's abuse at the hands of her father, she was taken from him, and he was charged, but released on bond. He came to the house where Mamie was staying to kill the people in the house...and her. But he was subdued. She heard him through the wall threaten her death while she cowered inside.

Mamie's mother, who left the family when Mamie was six weeks old, attended her father's trial, but only "to see if Mamie looked like me." Mamie never saw her.

George and Linda Hogan, believing "every child deserves a childhood," took Mamie in and raised her as their own. They met her while delivering communion elements to her grandmother.

"It's been a struggle, but you do the best you can," said Linda, who suffers with diabetic ulcers. After her 71-year old husband had a second heart attack, Mamie became too much for the couple to handle.

She lives now at Moody Home, a structured value change home for girls in Franklin, one of 13 facilities operated by Baptist Children's Homes of North Carolina.

Shredding the Safety Net

Mamie pressed the boundaries of love, and George and Linda weren't physically able to pull her back to safety.

"I tried to push the boundaries a little further and a little further, to see how far I could push before they snapped. Finally, they couldn't take it anymore," Mamie said.

Baptist Children's Homes serves families who "can't take it anymore," who have children or grandchildren whose behaviors are out of bounds.

In 1998-99 BCH served 1,646 children and their families through 13 facilities statewide. BCH operates residential campuses in Thomasville, Pembroke, Kinston and Clyde; a maternity home in Asheville; a teen mother/baby home in Lenoir; values change homes for girls in Franklin and Lenoir; therapeutic camping in Cameron; crisis cottages at the residential campuses and in Waynesville; and model day care in Thomasville.

Beginning with Easter 1999 and continuing through Thanksgiving 2000, BCH instituted a 20-month institutional emphasis of *"Quality Service Through Quality Relationships."* Michael C. Blackwell, president since 1983, is "committed to keeping our staff and our services fresh and vital to meet ever changing needs."

The emphasis places top priority on relationships to achieve the highest quality of service possible. The QSTQR operating theme will permeate every action, program and effort within the institution and without.

The word "quality" has been overused and under-realized, and it too often cloaks mediocrity with imagined value. There will be no such veneer at BCH.

Building and Renovating

BCH moved ahead its Odum Home campus in Pembroke to meet new challenges April 27, 1999 by dedicating two major campus renovations. Space for 10 boys was added to the old "main" building which was named Luther and Audrey Carter Hall, in honor of the donor couple who left their estate to BCH.

The former house used for a director's residence was renovated to serve five girls in transitional care and named for longtime trustee and supporters Abe and Jackie Elmore.

Total renovations increased capacity at Odum Home from 28 residents to 45. Additionally, 10 day students from Pembroke Middle School will be served at the Winifred Lindsay Education/Administrative Center. These students have issues to resolve that do not require them to be in residential care.

At Cameron Boys Camp May 4, two important staff lodges were dedicated: the A.J. Fletcher Lodge and the Hubert M.Craig Lodge. These lodges provide staff housing, a rare commodity in wilderness setting in which Cameron Boys Camp operates.

"North Carolina's largest family" is grateful to our North Carolina Baptist partners, as together, we help hurting children and heal broken families. To secure our new video about BCH, schedule a speaker or access services call (800) 476-3669.

"Lord...you have made my lot secure. The boundary lines have fallen for me in pleasant places; surely I have a delightful inheritance."
-Psalm 15:5-6

Because of your generosity, Psalm 15 can be the testimony of over 500 elderly saints who reside at the Baptist Retirement Homes of North Carolina. Their lot is secure. They live in pleasant places. They have a delightful inheritance.

"...You have made my lot secure"

Through Cooperative Program gifts and special offerings, Baptist Retirement Homes is providing $1.7 million in benevolent care for the elderly poor of North Carolina during 1999.

Additional benevolent care at The Gardens at Taylor Glen, a new continuing care retirement community being built in the Concord/Cabarrus County area.

For the growing numbers of individuals and families facing life-changing decisions about care for their aging loved ones, Baptist Elder Care Network offers cost-free information from knowledgeable and caring resource counselors. Regardless of the aging-related issues families face, our statewide system of counselors can provide answers that are reliable and reassuring.

"...The boundary lines have fallen for me in pleasant places."

In June, the Fowler Memory Enhanced Residence at the Western North Carolina Baptist Home in Asheville was completed. This new area is designed to meet the needs of the many older adults who experience memory-related conditions, such as Alzheimer's Disease. At the Fowler unit, residents whose perception of reality may change noticeably from day to day find stability in a "home-like" environment. They function more confidently amid the familiarity of a traditionally furnished living room, kitchen, dining room, and bedroom, and they sense peace and serenity as they wander among flowers, fountains and walking trails of the garden area.

Similar facilities will soon be available at Baptist Retirement Homes' Brookridge Community in Winston-Salem and at the Gardens at Taylor Glen Community in Concord.

"...Surely I have delightful inheritance."

Being part of the Baptist Retirement Homes Family and resting comfortably in its care is a wonderful inheritance. Thank you for helping us make life for our elderly...The Best of Times!

Biblical Recorder Associational Report
July 1, 1999

The *Biblical Recorder* is the official news journal of North Carolina Baptists. The earliest version of the *Recorder* was founded in 1833 by Thomas Meredith, who had also been influential in the birth of the Baptist State Convention in 1830. The *Biblical Recorder* was owned and operated as a private enterprise in support of Baptist work in North Carolina until 1938, when the paper was purchased by the Baptist State Convention and incorporated as an agency of the convention.

A number of able editors have served the *Biblical Recorder,* which is widely acknowledged to be in the top echelon of state Baptist papers. The current editor is Tony W. Cartledge, whose tenure began on January 1, 1999.

The *Biblical Recorder* plays a strategic role in promoting God's kingdom work through North Carolina Baptists. On April 22, 1999, the Board of Directors of the *Biblical Recorder* adopted the following mission statement: ***"Our Mission is to further Christ's kingdom by providing relevant news, insightful opinions and supportive resources to North Carolina Baptists in a timely and accessible fashion."***

The *Biblical Recorder* belongs to all North Carolina Baptists, and appropriately reflects the geographical, ecclesiological, and theological diversity that is typical of the churches making up the Baptist State Convention. The editors and staff of the *Recorder* work diligently to offer a fair and balanced presentation of the news that most affects the life and ministry of North Carolina Baptists. Opinions advanced through editorials, letters and analytical essays help to spark the thinking of North Carolina Baptists who want to make up their own minds about important issues. Feature stories about notable or innovative activities of churches and associations, regular reports on partnership missions efforts, and weekly commentaries on the most popular Sunday School lessons offer ideas, encouragement, and inspiration to readers of the *Recorder.*

To communicate more effectively and to present the most important news in a more timely fashion, the *Biblical Recorder* has developed a popular presence in the World Wide Web. The *Recorder's* website at *http://www.biblicalrecorder.org* offers Internet users an opportunity to read much of each paper's content several days before printed versions arrive. This is particularly helpful during convention meetings and at other times when frequent updates are desirable. As time and resources allow, additional features will be added to make the website an even more valuable source of information for North Carolina Baptists.

The *Biblical Recorder* works in partnership with the Baptist State Convention, and receives annual support from Cooperative Program gifts as an agency of the Convention. This support makes it possible to offer the *Recorder* at very affordable subscription rates. Currently, the annual rates are:

- Church News Service (incorporates church newsletter into the *Recorder*) - $6.36
- Every Home Plan (20%+ of church families, paid through the church budget) - $7.42
- Club Plan (4 or more persons in a church subscribe together) - $8.48
- Individual Subscription - $10.60

Subscription packets and free sample issues are available. For more information, please contact:

ANNUAL REPORT TO THE ASSOCIATIONS
1999

It is a joy for the Christian Action League of North Carolina to serve the churches of this great state. We continue to work to inform the Christian community about the moral issues that face our state and nation. Our goal is to address these issues with the principles of God's Word, the cornerstone of all truth.

A. Christian Values

- It was the pleasure of the Christian Action League to be one of the sponsors of the Fourth Annual Christian Heritage Week of North Carolina held in March. The League encouraged schools, churches and communities to recognize, commemorate and learn about the Christian heritage and history of our nation. CAL assisted in sponsoring a state-wide essay contest for high school students (public, private and home schools) and presented state winners with awards for excellence.
- Continued to promote Christian citizenship throughout the churches and communities of our state. CAL has distributed over 14,000 copies of the Ten Commandments to churches, businesses, schools and homes across North Carolina. Promoted sanctity of Human Life Sunday and the National Day of Prayer statewide.
- Held a Church Leadership Legislative Day on April 6, 1999. The purpose of this day was to have pastors and church leaders to come together and enjoy fellowship, meet and hear some of our legislators and become more aware of how state government and the legislative process works.
- Promoted awareness of the worldwide persecution of Christians through faxes, emails and newsletter.

B. Gambling

Lottery proponents continue in their efforts to bring a state-sponsored lottery to North Carolina. Four lottery bills were introduced this session. CAL monitors these efforts and updates the Christian community on lottery information through letters, calls and our fax and electronic mail networks. Lawmakers have continued to receive a barrage of communications from across the state saying that the lottery is a bad bet for North Carolina.

C. Sex Education

Worked with other Christian and pro-family groups to meet that the state mandate for Abstinence Until Marriage education is implemented state-wide. Also, supported efforts to insure that federal grant money designated to promote abstinence education was used properly. Informed citizens and legislators concerning attempts to fund school-based clinics in North Carolina schools.

D. Abortion

CAL monitored SB 349/HB 1066 (Act to Ban Partial Birth Abortion), this legislation would have made this type of abortion a class H felony for anyone who performed the late-term procedure. This bill died in committee. Successfully encouraged legislators to limit the State Abortion fund to cases resulting only from rape, incest and the life of the mother. In the last four years, only one abortion has occurred under these circumstances using tax-payer funds.

E. Alcohol

CAL monitored all legislation concerning alcohol and other drugs. Successfully supported efforts to strengthen DWI laws. Assisted communities in organizing committees to fight alcohol and drug use. Informed citizens statewide about legislation that would have approved alcohol sales without the vote of the people. Four bills were introduced this session that would have permitted alcohol sales without a voter referendum; SB 17, SB 173, SB 606, SB 607 and HB 1043. Provided awareness, education and resource materials related to substance abuse problems to churches, communities, etc.

F. Pornography

Worked against HB 1248 which would have allowed individuals to perform in the nude if it "occurs as part of a play, dance performance or artistic creation that contains serious literary, artistic, political or scientific value." The bill died in committee.

G. Homosexuality

CAL supports efforts to strengthen the traditional family and continues to monitor and inform the public about the activities of those who promote the radical homosexual agenda. HB 884 and SB's 701, 884, and 759 were all introduced to promote the acceptance of homosexuality as an alternative lifestyle. CAL with other like-minded organizations fought these bills and they were defeated. Worked against HB 1398 (Needle Exchange Program) which would have allowed the state to furnish free needles to drug users using tax-payer dollars.

"N.C. Baptists have been involved in Christian higher education since the day the Baptist State Convention (BSC) was born," wrote Dr. Jim Royston, Executive Director-Treasurer, Baptist State Convention of North Carolina, for *The Biblical Recorder.*

Dr. Royston's correct. North Carolina Baptists have placed a high priority upon Christian higher education through the years. As a result, a large number of pastors, staff ministers, and lay leaders have been educated by one of our Baptist institutions, helping our churches develop as places where the Gospel is treasured and Christ is honored.

Maintaining close ties to our churches and associations is important to our institutions. This is one of the primary missions of the Council on Christian Higher Education. Founded in 1944, the Council seeks to foster good communications between our churches, associations, and institutions of higher education.

Divinity schools and centers for congregational growth serve as positive demonstrations of our institutions' desire to enhance the life of our churches and associations. Current and future leaders are being trained through these facilities.

According to the Executive Director of the Council on Christian Higher Education, Dr. Wayne D. Wike, "North Carolina Baptists are fortunate to have administrators and faculty members who are committed to enriching the life of our Convention."

Gifts to the Cooperative Program assist in helping our institutions fulfill their missions. Members from cooperating churches are eligible, as a result, to be considered for scholarships to attend one of our colleges or universities. In addition, North Carolina Baptists who meet the admission requirements for the divinity schools at Campbell and Gardner-Webb Universities are eligible to receive $8,100 grants toward their theological education. Students who choose to attend another divinity school are eligible to receive $3,000 toward their educational expenses. All of these are made possible as a result of gifts presented to the Cooperative Program of the Baptist State Convention of North Carolina.

As Dr. Royston wrote, "Baptist colleges are still a priority of our state Convention. It is my hope and dream that more and more students from our churches will attend our schools, and graduate as leaders for our state and nation, as well as for our churches."

Our colleges and universities share Dr. Royston's hope and dream. They, too, believe graduates from our campuses will make a difference in our state, nation, and Convention.

The North Carolina Baptist Foundation, Inc. 1998 Annual Report

The mission of North Carolina Baptist Foundation since its inception in 1920 has been to assist the Convention and its institutions and agencies in increasing an awareness among North Carolina Baptists of Christian estate stewardship principles as a means of financially undergirding churches, institutions and mission endeavors on a permanent basis. The uniqueness of the ministries and services provided by the institutions and General Board staff merits increased financial support. The Foundation accomplishes these objectives by offering assistance in estate planning counsel. Will preparation, planned giving, charitable remainder trusts, endowment funds and church fund management.

During 1998, the Foundation provided assistance to individuals in establishing 28 endowment funds and 11 charitable remainder trusts totaling $1.4 million and received $3.8 million in contributions existing endowments all of which will ultimately benefit countless Baptist causes on a permanent basis. Programs were provided for 94 churches and associations during the year to promote Make Your Will Month, Christian estate stewardship, and church fund management.

Some $639,000 from churches came under management to enhance numerous church ministries including scholarships, building funds, cemetery funds, benevolence funds, general operating funds and other various mission causes.

The foundation employs professional money managers to invest these funds according to an investment policy adopted by its Board. Four investment pools are offered: a growth fund, an income fund and a fixed income fund. During the third quarter of 1998, the Foundation enhanced its position even more by engaging the services of Salomon Smith Barney to help select top money managers in the country.

As of December 31, 1998, the Foundation held $80,874,628 under management. This is an increase of more than $8 million over 1997. During 1998, $1,741,923 was distributed to individuals and $2,772,599 to Baptist work for a total distribution of $4,514,522. During the 79-year history of the North Carolina Baptist Foundation, Inc. $14,217,160 has been distributed to individuals and $22,305,008 to Baptist churches, institutions and mission causes for a grand historical total of $36,522,168.

Meeting the Challenges of Health Care

1999 Report to the Associations

"Touching Lives With Hope"

HOSPITAL CARRIES THE TRADITION

In May of 1999, The North Carolina Baptist Hospitals, Incorporated celebrated 76 years of service to the community and region. During these years the Hospital has been faithful to the vision of North Carolina Baptist State Convention. When the Hospital was birthed, the Convention stated the reason for doing so was: *to extend the healing ministry which was demonstrated by Jesus Christ.* Many challenges have been faced through these years, but the commitment to compassionately strive for innovative excellence has remained the same.

BAPTIST BENEVOLENT CARE FUND

Baptist Churches from all across North Carolina joined us in mutual mission through the Mother's Day Offering. This annual ingathering of love was approved by the Baptist State Convention of North Carolina in 1924. In 1998 the MDO amounted to $530,874. It was used exclusively to help patients who had little or no health care insurance or no other financial means to pay their hospital bills. From the offering this past year, well over $200,000 was used to assist members of our Baptist Churches in North Carolina. May God bless all those who supported us with prayers and gave so generously.

DIVISION OF PASTORAL CARE

During the year, the Department of Chaplaincy and Pastoral Education provided worship services in Davis Chapel on Monday, Wednesday, Friday and Sunday, as well as services in the J. Paul Sticht Center. Chaplain supervisors, residents and interns made more than 50,000 ministry contacts last year. Seventy-five students graduated from the Department's fully accredited Clinical Pastoral Education program. Maurice Briggs retired from the Department in February after 30 years of service. He was known throughout the Hospital for his pastoral presence and the depth of his sensitivity and care.

The Department of Pastoral Counseling/CareNet, Inc. continues to expand its ministries. There are now 13 Christian counseling centers located at strategic areas from Franklin to Wilmington. During the year these professionally staffed centers will provide over 26,000 hours of Christian counseling.

The Center for Congregational Health, Inc. continues to expand its mission of helping congregations become healthier communities of faith. **Programs and assistance** offered to churches include: Consultation, Intentional Interim Ministry, and Leadership Development. **Resources for ministers** include: Young Leaders, Leadership Development Group, Interim Ministry Training, and International Interim Ministry training.

FACTS ABOUT WAKE FOREST UNIVERSITY BAPTIST MEDICAL CENTER

- With more than 11,000 employees, four restaurants, two banks and a post office that handles more mail than some towns, the Medical Center has been called a city-within-a-city. We are the largest employer in Forsyth and Guilford counties.
- The North Carolina Baptist Hospitals, Incorporated has opened *BestHealth*, a community health information center, at Hanes Mall in Winston-Salem. The center will provide a library of books, audio and videotapes, limited Internet access, computer software and a variety of on-site programs to help area residents become better informed about their health and how to remain well.
- Building strong relationships with the community is important to us. A recent survey indicates that Medical Center employees donate more than 30,000 hours of volunteer service a year to more than 300 different organizations in our area.

POINTS OF EMPHASIS AND PROGRESS

Gamma Knife - The North Carolina Baptist Hospitals, Incorporated will have the only one in the state by this fall. Patients with inoperable or inaccessible brain lesions benefit from the availability of this noninvasive procedure that gives the same results as surgery but with no need to open the skull or make an incision. This procedure has been found to be three times more effective in treating recurrent cancerous brain tumors than other radiosurgical tools. The Gamma Knife uses radiation to destroy tumors, vascular malformations and other benign brain lesions with pinpoint accuracy without destroying healthy, normal tissue.

Trauma Center - The Medical Center has the only designated Level I trauma center for northwest North Carolina. In the trauma center our goal is for the patient who needs surgery to be in an operating room 10 minutes after arriving at the Emergency Department. Surgeons, anesthesiologists and staff remain on duty 24 hours a day to handle such emergencies.

NASCAR - The North Carolina Baptist Hospitals, Incorporated is working with Motor Racing Outreach (MRO) to serve the fitness and rehabilitation needs of NASCAR Winston Cup Racing. A mobile fitness and rehabilitation unit is being provided for NASCAR Winston Cup Racing drivers, crews and families.

Ranked Among the Nation's Best - The North Carolina Baptist Hospitals, Incorporated is among the nation's best hospitals in ten of 16 specialties, according to rankings published in the July 1999 issue of *U.S. News & World Report.* These 10 areas are: cancer, cardiology and heart surgery, geriatrics, gynecology, neurology/neurosurgery, orthopaedics, otolaryngology, rheumatology, digestive tract, and urology.

Newest Treatment for Epilepsy - Wake Forest University Baptist Medical Center offers a new treatment for epilepsy - a "pacemaker" for the brain that can help control seizures in patients who are not helped by medication and are ineligible for surgery.

A CLOSING WORD FROM THE PRESIDENT

From the beginning in 1923, The North Carolina Baptist Hospitals, Incorporated has dared to reach and grasp that which others thought was impossible. For many years we have been thought of as a referral hospital where we received the most severe medical cases. Over the years we have become one of the leading research centers in the Southeastern United States. Each role compliments the other. It is a great challenge to innovatively treat these extremely difficult cases and heartwarming to see our compassionate physicians and staff assist in the healing process. People have learned through the years to expect from us the very best in health care. We are committed to make sure that their highest expectations are always met or exceeded.

1998-1999 Annual Report
North Carolina Baptist State Convention

In keeping with its mission of providing a supportive atmosphere where faith, knowledge and service are the cornerstones of a Christian higher education, Wingate University gave significant attention to conversation and collaboration on faith issues this year.

Wingate hosted the first annual Faith Doing Justice Conference -- a Protestant-Catholic dialog about social justice and its relation to personal faith. Headlined by evangelical, social activist Rev. Tony Campolo and Charlotte Catholic Diocese Bishop William Curlin, the event brought together more than two dozen community leaders as well as interested individuals from the Protestant and Catholic traditions.

Wingate was also the host site for the celebration of the 75th Anniversary of Baptist Student Unions in North Carolina. Wingate students joined their peers from around the state in service during their Spring Break. Some helped build a Habitat for Humanity home in Marshville, while others led vacation Bible clubs for youth in a nearby trailer park. Some chose to work with young Hispanic children in area elementary schools.

Wingate's annual Interpretation of Scripture Conference brought pastors and lay people from Lancaster, S.C., to Black Mountain, N.C., together to discuss the Book of Joshua. This conference helped prepare participants to teach the winter Bible study.

Another event well-attended by Baptist teachers, ministers and laity was Wingate's Panel Discussion on Evolution and Creation with Dr. Man Wah Tan, a geneticist from Harvard University, and Wingate professors Dr. Chris Dahm, Dr. Todd Lake and Dr. Jim Peterson.

G.A., R.A. and Youth Days were attended this year by hundreds of youth from six area associations. The day-long programs focused on missions and featured home and foreign missionaries as the major speakers.

Wingate students continued to be energized about outreach and involved in many meaningful service activities. Wingate Works and the University and Community Assistance Network were two organizations active in community service throughout the year. Group members helped build two Habitat homes for poor families, did yard work and home repairs for the elderly, and cleared the trails at Union County's Cane Creek Park.

The Christian Student Union, Wingate's B.S.U., continued to be one of the largest organizations on campus with an ever-increasing attendance at weekly meetings. Small Bible study groups meet weekly in the residence halls, providing students a venue for reflection on scripture, prayer and fellowship. Ten C.S.U. students spent two weeks in Honduras working with the Baptist Medical and Dental Mission in May. Sarah Anderson left for Honduras shortly after her graduation from Wingate. She has spent all but one of her Spring Break vacations in service to others as part of Wingate's C.S.U.

"It's neat to be in the mission field and telling people that Jesus loves them -- helping people who can't help themselves," she says. "You learn a lot about yourself too and your relationship with God."

During the year, students and faculty were enriched through a program of spiritual events which included lectures from prominent Christian leaders on significant academic, ethical and religious topics. Guests this year included Dr. Ben Witherington, author of thirteen books on Jesus and the New Testament; Sister Helen Prejean, social activist and author of *Dead Man Walking;* Bruce Kuhn, Broadway actor who performed *Acts of the Apostles;* Millard Fuller, founder and president of Habitat for Humanity; Dr. William Edgar, who spoke on the Christian roots of jazz; and Rev. Al Cadenhead, Jr., pastor of Providence Baptist Church in Charlotte.

Other events held on the Wingate campus affirmed the close ties between the University and the Baptist community. In Union County and surrounding areas Wingate's cultural assets were a source of education and entertainment for both adults and children, teachers and parents attended cultural events on the University campus. More than a dozen Baptist organizations were among those in attendance.

A weekly television program on WUTV continued to strengthen the relationship between the University and area churches. Dr. Byrns Coleman hosted a program to prepare Sunday School teachers for their adult lessons. The program aired twice each week and frequently included local pastors and members of the Wingate faculty. Many members of the Wingate faculty, student developmental staff and adjunct instructors hold graduate degrees from Baptist seminaries. These members of the Wingate family are frequently called upon as resources for area churches.

Additionally, Wingate continued to provide direct financial benefits for its Baptist members. Partners in Education is a matching grant program available to North Carolina students in cooperation with their local Baptist churches. Through this program, many Baptist youth received the financial assistance that made attendance at Wingate possible. Ministers employed full-time by a Baptist church were eligible for tuition-free undergraduate courses through the Coy Muckle Scholarship fund. Other benefits included special scholarships for church youth leaders, dependents of ministers and dependents of foreign missionaries.

Of great significance this year was Dr. Keithen Tucker's work to enhance relationships between Wingate and Baptist churches across the state. As director of church relations, he traveled throughout the state visiting Baptist churches not only to share the good news of the University but also to confirm Wingate's commitment to serving their needs and welcoming with open arms Baptist youth who seek a quality education in a value-centered, Christian environment.

History of New Ebenezer Missionary Baptist Church

New Ebenezer Missionary Baptist Church was founded on April 19, 1992. Pastor Ronnie McCray, Jr. met with a small group of born again believers at the home of Samuel and Mildred Goodman. He shared a vision with the group that God had given him to start his own church. That very night, the vision became a reality.

The worship services and Bible studies rotated from house to house. God opened another door for New Ebenezer to have their worship services at Bolivia Elementary School where they remained until they moved into their sanctuary on Highway 211. The first service held at the new sanctuary was on the first Sunday in May, 1998.

God touched the hearts of the men at Beach Rd. Baptist Church along with many others who donated their time, finances, material and free labor. God is truly our "Jehovah Jireh," our provider. God has richly blessed this church in so many ways.

New Ebenezer is a growing ministry which consists of three associate ministers to work with Pastor Ronnie. The different ministries in this church are the jail ministry, children's ministry, Women outreach ministry and the young men's army ministry. New Ebenezer will continue to lift up the name of Jesus and press toward the mark for the high calling in Christ Jesus.

We lovingly dedicate this annual to Rev. William L. Smith, who served as our Director of Missions from August, 1992 to April, 2000.

Director of Missions Report

In October of last year, this association of churches celebrated her Centennial. That was truly a historic and momentous event. Many of you were there as we remembered and reflected on our beginnings. We were given occasion to recall the long and storied history of the people called Baptists who, long ago, envisioned the importance of building churches in their communities. They made them houses of worship, places to educate families in holiness, institutions for the safeguarding of public morality, and center from which the gospel of redeeming love was proclaimed. You will readily agree that we are deeply indebted to our forefathers! We build still today upon the dreams of that far off day as we seek to honor the vision of our spiritual fathers in the discharge of our own duty and the fulfilling of our calling.

Even this past year has been significant. Two new missions came into existence, and, in the very near future, will take a place beside their sister churches. I rejoice at that! In the recent past, steps have been taken to reorganize our committees and to change the way we exist as a legal entity. A new constitution has been adopted...and work is still underway to perfect that document. The fulfillment of a long-awaited dream occurred with the beginning of a work with Hispanics.

We experienced pain in the past year as our Director of Missions, William (Bill) Smith, retired. Our gratitude and appreciation is extended to Bill for seven and

one half years of his life during which he modeled Christian maturity and led us skillfully. What we are today has been impacted by his work and presence. He is assured of a place in our hearts and prayers.

But while looking into our past is pleasurable, it is not always helpful. Nor must we be content to measure the signs of vigor and vitality, of growth and strength, of size and might. True enough, our churches increase in every measurable dimension. Reports given here today support that claim. There are more churches with more members and more money and better buildings than ever before. For this, we must lift grateful praise to our Father in Heaven Who has called us to be His children.

We cannot rest on our past, however. The Lord told His servant, Joshua, that the Jews had to cross Jordan in order to fulfill their destiny and His purpose. In Joshua 3:4, the Children of Israel heard the Lord God say: *"Ye have not passed this way heretofore."* They could not remain in the Wilderness and become all that God intended for them to be!

NOR CAN WE!! We must face squarely and honestly the fact that we are not meeting the challenges of our day. There is growth, but we are nowhere close to staying abreast of the burgeoning growth of our county. Some churches, sadly, show little, if any, evidence of dynamic life. There are far too frequent episodes of conflict or wrangling or bitterness within our ranks. In the form of those who come to us from other countries, we are confronted with a veritable mission field. Clearly, then, we must look anew and afresh at who and what and where we are.

Somewhere recently I came upon an article that disturbed me. It was entitled, "Four Levels of an Effective Organization." I reproduce it here to emphasize what I want to say.

DYING ORGANIZATION:	10% of its energy used for its mission. 90% is used for maintenance.
DECLINING ORGANIZATION:	50% of its energy used for its mission. 50% used for maintenance.
NEUROTIC ORGANIZATION:	60% of its energy used for its mission. 40% used for maintenance.
EXCELLENT ORGANIZATION:	80% of its energy used for its mission. 10% used for maintenance. 10% is reserve energy for a crisis.

Someone once wrote: "If you always do what you've always done,
You'll always get you always got!"

Do I advocate change for the sake of change? Of course not. Do I suggest that change is inevitable and necessary? Not necessarily. But we do need to refocus and revision and regroup. Keep what is good. Revisit and refine and retouch ineffective and unproductive areas of ministry with the purpose in mind of improvement. Sharpen the old tools and add new ones that are available to us. Prudence and patience and persistence will prevail!

The task is greater than our strength. We must labor together - side by side,

hand in hand, heart to heart. Pepper Choplin, a North Carolina song writer says: *"We are joined at the heart."* We must enter the doors of opportunity that the Lord opens. Our focus must be on unity; not uniformity. The diversity we share is perhaps our greatest strength, because love has to discover a way to bypass that obstacle. And love will ever triumph!

This means that every member of every church is of vital importance to our mission. Every pastor is a key player in our common task. Singly, we will fail. Together... the *"gates of Hell shall not prevail against us."* The real question, indeed, the only question, is not whether we will win or lose; it is the final margin of victory! God has promised us that will be *"more than conquerors."* The outcome is predictable.

Let us, join together in a ministry of encouragement and support. Strengthen the hand of another Christian. Invest your life and power and ability in the work of God's church. If we follow the beckoning hand of our God, if we obey His voice, if we follow where He leads... *He is "able to do exceeding abundantly above all that we ask or think."*

My prayer is that God will bless this association with the greatness of His power, the vastness of His wealth, and the measurelessness of His love.

Respectfully submitted,
Avery Lumsden

2000 Clerk's Report to the Association

October 20, 2000

As of this date I have received 32 Annual Church Profiles from churches in our association. At this time I would like to thank all the church clerks for their hard work and also for their effort in getting these reports to me. The cooperation from all these clerks has been great - they were all very cooperative when ever I had any questions. It is a great help when we can work together to get the information that is needed to complete these reports.

I have not received the ACP's from Bethel, Bolivia, Grace, Lebanon, Mt. Olive, New Ebenezer, Peace Memorial, Sabbath Home, & Shoreline. If any of these churches are represented here today & if they just happened to bring their ACP's with them I would be very willing to take them off their hands.

Some statistics from the 32 reporting churches are as follows: (last year we had 34 churches reporting, so this will account for some of the differences)

Total baptisms for the year was 200 (104 less than last year)
Number of churches reporting no baptisms - 7 (same as last year)
Other additions to church rolls - 314 (25 less than last year)
Total Sunday School enrollment - 4614 (240 less than last year)
Discipleship Training enrollment - 1595 (151 less than last year)
Vacation Bible School - 2387 (94 less than last year)
Total to date of all reported membership is -
    Sunday School enrollment - 4614
    Total church membership - 8138
This figure makes a total of - 12752 (3851 more than last year)
    (This total is higher because we received ACP's from some of the bigger

churches in our association this year than last year.)

I really do appreciate the response from the churches in getting the ACP's to me before this annual meeting, but I need to get the remaining nine (9) letters. If I do not have all the letters - I cannot give you an accurate report on our association. This also means that those churches are not included in the report that I have to send SBC Headquarters in Nashville and the State offices in Cary. So, if any of you know or if you are the one responsible for getting these reports to me, I would really appreciate if you would see to it that I get these reports. Just think - how great it would be if we could send in a report from each of our churches - everyone would be included in all of the reports and everyone would be in the association annual for this first year of the new millennium.

Thank you,
Arlene J. Hallman
Clerk

Before I give my report from our last meeting - I would like to read the list of the first twenty churches that have sent their Annual Church Profiles to me before this meeting - They are in the order that I received them -

(1) Town Creek
(2) Bonaparte
(3) Shell Point
(4) Prospect
(5) Soldier Bay
(6) Gospel Center
(7) Old Shallotte
(8) New Life
(9) Oak Grove
(10) Antioch
(11) Supply
(12) Friendship
(13) Woodburn
(14) Faith
(15) Jennies Branch
(16) Sunset Harbor
(17) Farmers Chapel
(18) Longwood
(19) Oak Island
(20) Southport

I think that these 20 churches did a really great job of getting their reports to me - but, I still need almost the same number to be sent in to me or we will have a very small report this year. As most of you know these ACP's have changed again this year & with all the new things that I need to do with each one of them - it is taking longer than I expected. Of course there are a lot of things that need to be straightened out at headquarters yet - so this doesn't help. But I really would appreciate it if the ones that haven't sent their reports in yet - would do so in the very near future.

I have one request to make to all of the clerks, now for the records, they want me to put in the dates that the deceased members of your churches died, (if you haven't sent your reports in yet, don't worry about it), but next year I will need this information from everyone.

Thank you.

Board of Directors Meeting

JANUARY 10, 2000

The Board of Directors (formally known as The Executive Board) of the Brunswick Baptist Association met in regular session Monday, January 10, 2000, at New Ebenezer Missionary Baptist Church, with moderator, David Stratton presiding.

Following the call to order by our moderator, the welcome and devotion was given by Rev. Ronnie McCray, pastor of the host church. We were then favored with special music by some ladies from the choir of New Ebenezer Baptist Church.

The roll call showed 22 churches represented, 9 pastors, 33 representatives, 6 general officers, 1 director of missions and 17 visitors for a total of 66. The minutes for the October meeting were read and approved. The treasurer's report was presented and approved. The congregation then sang "Amazing Grace". The ladies group from New Ebenezer than sang for us again. The associational prayer was given by Albert Young, pastor of Oak Grove Baptist Church.

Unfinished Business - There was none.

New Business - Bill Smith, our Director of Missions, on behalf of Virgil Batten, the chairman of the Missions Performance Group, who was not able to be with us for this meeting presented a request from Trinity Missionary Baptist Church on Highway 130, in Shallotte. They requested to become members of the Brunswick Baptist Association. Mark Owens then made the motion that the Trinity Missionary Baptist Church be brought under the watch care of Brunswick Baptist Association for one (1) year. With the usual expectation of reports of their progress and cooperative efforts as required by the Association. At least but not limited to three areas of support will be considered in the progress reports while under the watch care of the association, those requirements are (1) prayer support, (2) financial support; support of the association, the Baptist State Convention and the Southern Baptist Convention, and (3) leadership support. And that the Trinity Baptist Church mail progress reports to the association for review by the missions performance group and the board of directors at their quarterly meetings. Motion carried.

The Missions Performance Group made a motion that we sell the land on Long Beach that was given to us by Judge Kirby Sullivan (Lot 2 Block 1.18 Sect. 2), for no less than $50,000.00 and that we give Brunswick Counseling Services $15,000.00 of the money to help fund this ministry. The balance of the proceeds to be placed in our New Work fund to start new churches. Motion carried.

Reports were given by -

Jack Hancox - Missions Ministry Director made mention of the meeting for the jail ministry for tomorrow night - inviting all the churches to get involved. He also thanked all the churches that have participated in the jail ministry and hopes that this will continue to grow with more people getting involved.

Our Director of Missions, Bill Smith, made announcements about up and coming activities going on in the association, such as the R.A. field day and car race on March 25th.

He commented on the Centennial Day Celebration, thanked Mark Owens, the chairman of that committee and also thanked Gwen Causey for all her hard work on the Centennial Booklet. He asked Ronnie McCray, Pastor of New Ebenezer Church, to tell us about how this church came into being.

David Stratton asked if there were any announcements - Margaret Clemmons - our Media Library Director - gave a report and also announced the upcoming meeting at her house and invited all the churches to have a representative attend. Anthony Clemmons also announced that his church, Mt. Olive Baptist is having their revival and asked for prayer from all the members. One of the women from New Ebenezer announced that they have Outreach meetings for all the women in the community, on the 2nd & 4th Thursday of every month at 7:30 PM. And invited the women to come.

Pastor McCray gave us directions to the fellowship hall for a time of refreshments and fellowship.

The Benediction was given by Leo Cannon, Pastor of Faith Baptist Church.

Moderator David Stratton, then adjourned the meeting.

BOARD OF DIRECTORS MEETING
APRIL 10, 2000

The Board of Directors of the Brunswick Baptist Association met in regular session Monday, April 10, 2000, at Brunswick Islands Baptist Church, with moderator David Stratton presiding.

Following the call to order by our moderator, the welcome and devotion was given by David Stratton, pastor of the host church. We were then favored with a song by, "The Messengers", a quartet from Brunswick Islands Baptist Church.

The attendance report was as follows: 21 churches represented, 8 pastors, 36 board members, 3 general officers, 1 director of missions, 6 mission performance group members and 7 visitors making a total of 61. The minutes for the January meeting were read and approved. The treasurer's report was presented and approved. The members then sang, "Love Divine, All Loves Excelling". The Messengers sang another song for us. The associational prayer was given by Dr. John Peverett, pastor of Calvary Baptist Church.

Unfinished Business - There was none.

New Business - The first thing under new business was the very sad news that our Director of Missions, for the last seven years, read a written letter to us stating that due to some things that his doctor and his daughter, who is a doctor, said to him - he has decided to retire as our Director of Missions, as of April 30, 2000. He said he is not going anywhere and that he will continue to help the association in any way he can. David announced that we would plan to have more organized affair of recognition in his honor at a later date.

In light of this announcement, The Missions Performance Group, recommended the following people be asked to be on the Selection Committee to find a new Director of Missions. They are Vera Bowling of Mill Creek Baptist Church; Ardis Shaw from Calvary Baptist Church; Rev. Wayne Adkisson from Southport Baptist Church; Rev. Ronnie McCray of New Ebenezer Baptist Church; Rev. Mark Owens of Brunswick Islands Baptist Church; Rev. Vic Potter of Town Creek Baptist Church and Rev. Charlie Smith of Soldier Bay Baptist Church. This was approved and carried.

The committee also recommended that Rev. Avery Lumsden be appointed as the full time interim Director of Missions, and that he be paid a salary at the state

wide average for an association of our size. Discussion was called for - one (1) question was asked - has he agreed to do this? The answer was - Yes! Motion was then called for and the motion carried.

Motion was then made and seconded that our moderator appoint a committee to have some sort of an affair to honor Bill and Ann - motion carried. The committee is to get with Miss Ruth Galloway, for the financing and to check with the churches to see if they wanted to take part in this by giving a little extra to help to cover this expense. This part of the motion also carried.

Bill Smith gave a report on the progress of the recovery building that is being built right next to the associational office. He also made mention of the lot that Mr. Kirby Sullivan gave us, on Long Beach stating that we would have a contract on that lot for $57,000.00 - he also stated that we would probably get $51,500.00 clear money out of this sale. Bill also recommended that we (the association) write Mr. Sullivan a note of thanks for what he has done for this association this past year. Just as a matter of record he has given us roughly over $100,000.00 through these lots, which means he has financially helped the association. He told of the Vacation Bible School meeting at Supply Baptist Church on May 4th, 2000 for the teachers. Also told us that they gave Randall Morrison of Century 21 the okay to try to sell the property in Calabash, he said they had three (3) people looking at the property and thinks that something might be settled soon.

Announcements - Brunswick Counseling Service will sponsor a golf marathon day at the Carolina National Golf Course -it is free! Along with a free golf shirt, free food, 100 holes of golf in one day (with modified rules) all you need to do is get sponsors - so much per hole to play golf.

Margaret Clemmons announced that there will be a Media Library meeting on April 28, 29 & 30. It will be held at Caswell and the cost will be $10.00 per day.

Faith Baptist Church is having a youth revival May 5, 6 & 7th.

The benediction was given by Jackie Spillers, Pastor of Mt. Pisgah Baptist Church.

Pastor of Brunswick Islands Church, Rev. David Stratton, gave us directions to the refreshments. He then adjourned the meeting with deepest appreciation and thanks to our retiring Director of Missions, Bill Smith.

BOARD OF DIRECTORS MEETING
JULY 10, 2000

The Board of Directors of the Brunswick Baptist Association met in regular session Monday, July 10, 2000, at Gospel Center Baptist Church, with moderator David Stratton presiding.

Following the call to order by our moderator, the members then sang "I Love Thee". In the absence of Pastor Doug Worley, who was away on emergency calls for some of his parishioners, the welcome of devotion was given by Richard Hallman, a representative from and also a member of Gospel Center Baptist Church. We were then favored with the song, "Holy City, New Jerusalem, by Charles & Sherrie Wilson, members of Gospel Center Baptist church.

The attendance report was given as follows: 19 churches represented, 12

pastors, 22 board members, 1 interim director of missions, 5 general officers, 4 missions performance group members and 10 visitors making a total of 53 in attendance. The minutes of the April meeting were read and approved. The treasurer's report was presented and approved. The members then sang "Be Strong in the Lord". Charles & Sherrie Wilson then sang "At the Shepherds Side" for us. The associational prayer was given by Charlie Carter, pastor of Oak Island First Baptist Church.

Unfinished Business - Shirley Babson gave us a report on what is going on in the state as far as their trying to get video gambling machines and the lottery into North Carolina. She asked us not to give up on our prayers concerning this matter - stating that the states people have not given up yet - they are still trying to get all this allowed in our state.

New Business - Our interim director of missions, Avery Lumsden, (in the absence of Charlie Smith who is the chairman of the nominating committee and was not able to be here for this meeting) read the recommendation for the slate of officers for the coming year, they are: Moderator - Mr. Virgil Batten; Vice Moderator - Mr. Vic Potter; Clerk - Mrs. Arlene Hallman; Associate Clerk - Mrs. Vicky Edge; Treasurer - Ms. Ruth Galloway and the Parliamentarian - Mr. Rex Gore. Motion made and seconded - Motion passed. Vic Potter, Chairman, gave a report on the search committee for a new director of missions. He asked that we pray for them. The Christian Life and Public Affairs Group was asked to bring back a recommendation to the association with regards to a stand on homosexuality - motion made and seconded. After some discussion the motion was passed. There was a recommendation made for the group to get the information out to the churches before our meetings, this way they could have a chance to discuss these things with their churches so they know how to vote. There was also a request made for each of the churches to get copies of the minutes of the previous meeting before the next meeting.

Avery Lumsden, our interim Director of Missions, gave a public thank you to Patricia for all her work in the association. He told us that our two (2) watch care churches, Shoreline Baptist Church and Trinity Baptist Church have been sending in their reports in a timely and orderly manner - he said that these reports are very encouraging and wants us to continue praying for them. Mr. Lumsden then recognized four (4) new pastors in our association. They are Richard Bradley of Boones Neck Baptist Church, Martin Stubbs of Farmers Chapel Baptist Church, Robert Daryl Oliver of Mill Creek Baptist Church and Charlie Carter of Oak Island First Baptist Church. He also had some new Sunday School material for us to take with us. Just to look it over and see if you might need some of this new material. He mentioned to our moderator before this meeting and then now to us about making a job description for the associational officers. This is included in our new Constitution and By-Laws and By-Law #10 stipulates the naming of a Personnel committee to take care of such things. He asked for volunteers to come and help work on the disaster building next to the Associational office. Next Mr. Lumsden introduced Mr. Walter Solano, who is now holding Hispanic services in Soldier Bay Baptist Church on Sunday afternoons. He offered to come and speak in any of our churches that would want him to come and explain his work with the Spanish people.

Our moderator asked Richard Hallman as to whether there was any refreshments and how to get them. He told them just to go through the door to the fel-

lowship hall and that there was a lot of food over there.

Richard Bradley, pastor of Boones Neck Baptist Church, gave the blessing on the food and the closing prayer.

The attendance report was given as follows: 16 churches represented, 11 pastors, 22 board members, 1 interim director of missions, 4 general officers, 1 missions performance group member and 12 visitors making a total of 51 in attendance. The minutes of the July 10th meeting were read and approved. The treasurer's report was presented and approved. The members then sang "Worthy of Worship." The choir then sang "Come Unto Me." The associational prayer was then given by Rev. Doug Worley, pastor of Gospel Center Baptist Church.

Unfinished business - our moderator made mention of a few things that were mentioned in our minutes from our last meeting - one was the sending of the minutes to the members prior to the next meeting and this was done and the other was the recommendation of Mike Blevins concerning homosexuality, which was not ready to bring to the association at this time. There was no other unfinished business.

New business - there was none.

They are - Mark Rogers, pastor of Bolivia Baptist Church, Will Thomas, youth pastor at Calvary Baptist and Rick Carter is the music director at Calvary Baptist, Rudy Remthal is the youth pastor at Southport Baptist, Vernon McCarthy is the new pastor at Trinity Baptist, and Marvin Gold is assistant pastor at Brunswick Island. He also read his Director of Missions Report. He gave us all a little saying to remember; it is - "We are praying Christians out of heaven, we should be praying sinners out of hell!"

Moderator, David Stratton, announced that in order to save time at our annual meeting, he is going to make a few changes in the listing of all the missions performance groups for their reports. He then asked the members if they had any announcements for the association and then had them give them.

Pastor of Trinity Baptist Church, Vernon McCarthy, gave the blessing on the refreshments and gave the closing prayer. The meeting was then adjourned by our moderator, David Stratton.

Missions Development and Missions Ministry Report

As the new millennium began to unfold, many of our churches seriously focused on enriching their present ministries and trying out new ministry ideas. When Jesus declared that the Son of Man rewarded only those who ministered "to the least of these my brethren, have ministered unto me!" Matthew 5:40.

Everything considered, 1999-2000 has been a good and productive year in mission development. Our churches are engaged in a variety of ministries and it is impossible to list all of them, but a few highlights will be noted. Volunteers from our churches are giving vitality and infusing hope into many area helping organizations. Some of these agencies which welcome volunteers are the following: Habitat for Humanity, Hope Harbor Home, Hospice, Literacy Council, Partnership for Children, Teen Court, Teen Shelter (Providence Home), Brunswick Agency for Family Assistance, Adopt-A-School (Communities in Schools).

New ministries are being developed and put in place by several churches. Some of these interesting and effective ministries are as follows: Tailgate ministries at local football games, Helping Hands (hot meals for shut-ins), outreach to singles, and "hotdogs with all the trimmings" ministry to nursing homes.

The Spanish language ministry has shown great progress this year. Regular services are held at Soldier Bay Church. There have been several professions of faith and a Spanish speaking pastor is now working with us. Please pray for this work - great potential for growth.

CROP Walk for the hungry registered the largest number of walkers from our churches ever. At least eight of our churches were registered to send walkers.

The jail ministries have expanded and now ten churches assist with Sunday worship services and weekend Bible study.

Food distribution to the needy remains a vital ministry, and several churches participate in this work of compassion.

We have recorded a great year in mission development, but some of our churches have not yet realized their role in our local mission field. I am available to visit your church and mission group to present the opportunities that challenge us here in Brunswick County.

Media Library Report

All in all, your media library has had a good year.

Key Leadership Conference and State Media Library Convention were both attended by your associational librarian and others.

Many new books and videos are in your associational library awaiting to be checked out.

If you need any help starting a new media library or updating an old one, or just need help in any way, contact Margaret Clemmons at 253-6849.

History Committee

We are now in the process of creating a history of the association for the next century. We have existed as Brunswick II Association since November, 1899. Briefly, from 1887 to 1894, 13 churches joined together to "urge the necessity of our Baptist churches to become fully interested in Christian work." They laid the foundation and created a structure of the present association. From ten churches in 1899 to 41 churches in 2000 is quite an accomplishment and speaks highly of the outreach ministry our churches have developed and used to reach the lost of Brunswick County for Christ.

As you collect and compile items for your history collection there are several things to remember. Keep legible records that are clear and concise. Use acid free paper whenever possible. Store photographs in acid free sleeves and store all items in fireproof boxes. Don't overlook the senior citizens of your church and the many memories they have of church activities. Make an audio tape of them or have them prepare a written account. The Baptist History Collection at Wake Forest University is a repository for church records. John Woodard, Director, will microfilm your church records and then return them to you. These records are valuable resources for researchers and writers. Whenever you're in Winston-Salem, make an effort to visit the Z. Smith Reynolds Library to explore the collection and take a look at your church's file.

Two books every church should have in their library are "HISTORY OF NORTH CAROLINA BAPTISTS, VOLUMES I & II" by G.W. Paschal and "NC BAPTIST 1727-1932" by M.A. Huggins.

The centennial history, "GREAT IS THY FAITHFULNESS - A GLORIOUS CENTURY," is available from the Resource Center. Every church should have at least one copy. Also, they are good gifts for visiting ministers, guest speakers, missionaries, birthdays and anniversaries.

Each year I include a report form with the Annual Church Profiles. This form, when returned, is stored in your church file and will serve as a thorough and complete record of your activities for future historians. Thus far, five churches have returned this form. Soldier Bay listed 21 events including an increase of 14 members and the beginning of the Spanish ministry that has already baptized three converts. New Life helped celebrate the 100th birthday of Mrs. Curtie Bennett and installed a sound system in the sanctuary. First Baptist of Oak Island is in the midst of a building program. Shell Point listed 28 items and is also in the process

of building a new fellowship hall. Youth activities made up the majority of their events. Prospect made a prayer covenant with the First Baptist Church of Copper Valley, Glennallen, Alaska. This is in conjunction with the North Carolina Partnership with Alaska.

We look back to the last century with pride and forward to the next century with anticipation of what we can do to advance the Kingdom of God on earth.

Woman's Missionary Union Report

The changeover in the Southern Baptist Convention's WMU year has caused some confusion and we have not been able to get reports from all the churches. However, we do find that twenty-four (24) churches are listing WMU Directors.

The current WMU year got off to a good start with the state held workshop for leadership team members in Greenville. Four of our team members, accompanied by our Interim Director of Missions, attended.

The annual GA banquet was held and the Acteens participated in a statewide Acteens meeting held at Caswell in September.

Thirty-eight (38) women, representing fifteen (15) churches, responded to the invitation to attend an Associational WMU Prayer Retreat held at Caswell on September 29th and 30th. The enthusiasm generated by this retreat has continued and almost daily we hear good things that have come as a result of the retreat.

We are beginning this new WMU year with a full slate of officers on the leadership team and a calendar of activities has been adopted. We urge all church WMU leaders to study the new calendar and plan to attend as many of the scheduled events as possible. The first two events will occur in November with a workshop on Friday, November 3 at Mill Creek and another on Friday, November 10 at Shallotte First. The two workshops will be identical in content and are being held at two separate locations for convenience of the organizational leaders. With gasoline prices sky rocketing, this will cut a few miles off.

Ann Price
WMU Director

Resolutions Committee

The Resolutions Committee recommends that this 102nd Session of our association enter into our records the following expressions of appreciation:

1. That we, as messengers to the Annual Session of the Brunswick Baptist Association, give praise and thanks to our Lord for His bountiful blessings upon us.
2. That we express our thanks to New Ebenezer Church for their marvelous and loving hospitality to the messengers and visitors.
3. That we commend the officers of the association for their faithfulness and devotion. They, along with our Interim Director of Missions, Rev. Avery Lumsden, lend stability to the work of the association. And to all others, who have served the association in any capacity during the year, we thank you.
4. That we recognize Rev. William L. Smith for eight years of dedicated service as Director of Missions.

5. That we express to Rev. Jim Royston, executive director of the North Carolina Baptist State Convention, and Rev. Mike Blevins, Pastor of Beulah Baptist Church, our gratitude for the messages and challenges they presented to us through their sermons.

5. That we also acknowledge with gratitude the services of those who helped plan and prepare for the program which we have enjoyed today. May the joy of Christian fellowship we have experienced today carry us throughout the coming year. May we commit ourselves to prayer that God would continue to unite us in His service.

Sunday School Report

The beginning of the new millennium was marked by significant changes in the way we do Sunday School. Perhaps the most troublesome difference involved the introduction of new curriculum series in the literature. Most of us are uncomfortable with change, and this one was no exception. We were fortunate to enlist the assistance of Linda Thompson from Lifeway to interpret and to explain the new material and guide us through the process of selection. Her help greatly eased the transition from one place to another. We are indebted to Ms. Thompson and to Lifeway for help at this level. Hopefully, the churches crossed this hurdle smoothly and are working to communicate Bible truths to our people.

Another thing that will affect the way we receive training for Sunday School leaders at a local and regional level is the policy change that controls the frequency and availability of assistance. The same training will be offered as before, but the geographic areas will be broadened and may require that we travel greater distances to receive help. I will do my best to continue to provide assistance to those from our churches who labor at teaching the Word of God.

A team of Sunday School workers from this association participated in a state level training session in Greensboro earlier this year. I can assure you with confidence that these stand ready to help. They are equally qualified to do that with compassion and skill. Listen for opportunities to increase your ability as a teacher. As soon as plans are formulated, that information will be channeled to the churches.

I want to declare my gratitude for my fellow-workers. Those who fill the leadership positions for Sunday School work in this association are special folks. It is my joy to be involved with them in this vital task.

Avery Lumsden, Director
Sunday School

Recreation Annual Report

God continues to bless our association richly in outreach opportunities and Christian fellowship through athletics. The Recreation Program of the Association continues with Men's Basketball, Coed Softball, Coed Volleyball and the annual Association Golf Tournament. Each sport is self-maintaining where fees are collected to fund expenses. The annual golf tournament actually makes a small

amount of money which will be used to fund future programs and to be used for the construction of facilities on the Association property. To God be the Glory!

Our largest program, coed softball, was again successful this past year and remains our most popular program. The league fielded 11 teams from Brunswick Islands, Boiling Springs Lake, Gospel Center, Jennies Branch, Mt. Olive, Mt. Pisgah, Sabbath Home, Oak Island, Town Creek and Southport. Southport Baptist had two teams in the league. Mt. Olive Baptist Church again won both regular season and the tournament. The most important award, the Christmanship Award, won by multiple teams for the first year. Mt. Pisgah, Oak Island, and Town Creek were each awarded a trophy based upon a virtual tie in the votes cast by the teams and umpires.

The annual golf tournament, held in November, continues to draw churches and players form Leland, Southport, Supply, Bolivia, Shallotte, Calabash, Ash and the beaches. A total of 122 men and women played in the 1999 tournament won by Calvary Baptist Church a tournament record score of 57. A total of $845.00 was netted after expenses and was added to the Associational Recreation Fund for the purpose of constructing and furnishing the softball fields. The tournament date this year is Saturday, November 18, 2000 and will be played again at the Brierwood Golf Course in Shallotte.

Another very popular sport among our young adults and teens is coed volleyball. It is normally played during the summer months of October and December. Last year, we had four teams in the league representing Southport, Brunswick Islands, Calvary, and Mount Olive. Southport won the regular season and the tournament. At the writing of this report, our season for this year appears to be in jeopardy due to the lack of available facilities. Please pray that God will provide these facilities for us.

Men's basketball starts in January and continues into April. Last year, we had nine teams representing the following churches: Boiling Spring Lake First, Gospel Center, Mt. Olive, Mt. Pisgah, New Ebenezer, Sabbath Home, Shallotte First, Shell Point and Southport. Southport won the regular season and the tournament.

On behalf of the participating athletes in the association, I wish to thank the association for its continued support in publicizing our activities and in the providing of information for churches. Please pray that God will lead us to the people who will help us complete the construction that has already started on our ball fields.

Please pray for me and for our athletes as we follow God's direction as He opens doors of opportunity with recreation.

In Service for the Lord,
Jay Houston, Recreation Director

Baptist Children's Homes of North Carolina

"**Quality Service Through Quality Relationships**" is not just a slogan. It is a foundational statement of philosophy. In our ministry, relationships are everything - relationships with children, with families, with placement agencies, with our own families and churches, and with each other. We are blessed by God in this work because we honor God in relationships.

During the QSTQR emphasis, all BCH staff at every ministry point have made

extra efforts to strengthen relationships with the people we encounter. We have incorporated the terms of quality, service and relationships into a plan of action. We have reflected our desire for quality relationships in everything we do in order to deliver quality services that change lives. QSTQR, celebrating the mission...the millennium...the ministry, was BCH's theme from Easter, 1999 through Thanksgiving, 2000.

Through Baptist Children's Homes of North Carolina, hundreds of children and families are given new hope for their futures...

Children like Linda and her two younger sisters. Linda feared for their well being. It was her responsibility to care for her sisters. Linda remembers moving to a shelter where she finally felt they were safe; there was enough food for the sisters and warm beds. The three children were later placed at BCH. Now, Linda is in a warm place where others care for her. Linda has discovered that God cares for her, too.

The McDonalds found the challenge of being a blended family difficult at times. Their son began to exhibit anger toward his parents. He would challenge their authority and began getting in trouble with some neighborhood kids. The situation was getting out of control. Corey's parents called BCH, where they found a staff willing to embrace the family with hope. Today, Corey has begun to deal with his anger, mistrust and behavior issues. His parents are learning how to better communicate with each other and with Corey.

During the past year, BCH served 1800 children and families through 13 facilities statewide. BCH operates residential campuses in Thomasville, Pembroke, Kinston and Clyde; a maternity home in Asheville, a teen mother/baby home in Lenoir; values change homes for girls in Franklin and Lenoir; therapeutic camping for boys in Cameron; emergency care cottages at the residential campuses and in Waynesville and Asheville; a model day care center in Thomasville.

In 2000, BCH began a new, innovative ministry caring for developmentally disabled adults and their families. Our Trustees unanimously approved a major undertaking this year by committing more than $3.5 million to replace, repair, construct and make much needed improvements at every BCH location. Most of the work is complete. You are invited to visit our campuses and other facilities to see first hand the difference you are helping us make.

The commitment to quality has been a cornerstone of this institution since its beginning. **"Quality Service Through Quality Relationships"** was a 20-month public demonstration of this cornerstone. The emphasis places a top priority on relationships to achieve the highest quality of service possible. Significant growth has been realized during this period. BCH has dedicated new structures at Odum Home, Cameron Boys Camp, Kennedy Home, Broyhill and Mills Home campuses and added new work in Waynesville and Asheville as well as Moody Home, Care House, Noel Group Home. Several significant anniversaries have been observed: the 85th of Kennedy Home in Kinston, the 30th of Baptist Maternity Home in Asheville, the 20th of Cameron Boys Camp, the 40th annual Western Area Conference, and the 115th anniversary of Baptist Children's Homes of North Carolina.

To help commemorate BCH's 115th anniversary and to celebrate the impact QSTQR has had on staff and children, approximately 600 children, administrators, childcare workers, social workers and staff were brought together June 28,

2000 from around the state for a day of inspiration, fellowship, food and fun. **"The Family Gathering"** was held at Mills Home where BCH began in 1885. This is the first time all the Baptist Children's Homes' "family" have been together at the same place and at the same time.

Baptist Children's Homes QSTQR emphasis will culminate at Thanksgiving. We invite you to attend BCH's 30 minute presentation at the 2000 annual meeting of the Baptist State Convention in Winston-Salem on Tuesday, November 14, 2000 at 2:10 pm. We encourage you to be part of our ambitious $1 million Thanksgiving Offering goal. That number may seem enormous, but there is also enormous need. For all the good North Carolina Baptists are doing to help children and families, there is still so much that needs to be done. We are confident our churches will help us meet this important goal!

The support of North Carolina Baptists through the Thanksgiving Offering, Cooperative Program, and individual gifts, memorials, honors, bequests and estate gifts help enable us to fulfill our mission statement: **"helping hurting children...healing broken families."**

North Carolina's **"largest family"** is grateful to North Carolina Baptists for prayers and support. To secure a video or speaker for your church, or for information about our services, please call (336) 474-1209.

Baptist Retirement Homes

In March 2001, the Baptist Retirement Homes of North Carolina will celebrate 50 years of service to Older Adults. It has been a wonderful half-century, and the "Homes" is thankful for the privilege of sharing in the life journeys of thousands of "Aging Saints."

The quality of life the "Homes" has brought to these Older Adults has been its best measure of success as it has helped ensure that residents live out their lives with autonomy, dignity, and comfort. The "Homes" dream is to make life for North Carolina Older Adults what God intended it to be..."The Best of Times."

The "Homes" corporation now owns and operates four retirement communities across the state: the Brookridge Retirement Community in Winston-Salem, a continuing care community offering independent living, assisted living and nursing care; the Western North Carolina Home in Asheville, a community that offers assisted living and nursing care; and the Hamilton Home in Hamilton and The Taylor House in Albemarle, communities that offer assisted living services. Later this year the "Homes" will begin construction on a new community - The Gardens of Taylor Glen a continuing care community near Concord.

The generous support the "Homes" has received from North Carolina Baptists has enabled it to make a unique promise to its residents: *whatever the future may hold, Baptist Retirement Homes will care for them for the rest of their lives.* Keeping this promise means overcoming many challenges. By 2020 North Carolinians past retirement age will make up 20 percent of the population. While medical science has prolonged life, the effects of aging are often intensified and extended over many years. Many Older Adults exhaust their personal resources and look to the "Homes" for significant financial assistance.

Still Baptist Retirement Homes stands ready to make good its promise of ongoing compassionate and quality care.

Biblical Recorder Associational Report June 2000

Since 1833, the *Biblical Recorder* has served North Carolina Baptists as the official news journal of the Baptist State Convention. Founded by Thomas Meredith, the *Biblical Recorder* was owned and operated as a private enterprise until 1938, when the paper was purchased by and incorporated as an agency of the Baptist State Convention.

The *Biblical Recorder* promotes God's kingdom work in accordance with its mission statement: ***"Our Mission is to further Christ's kingdom among North Carolina Baptists by providing relevant news, insightful opinions and supportive resources in a timely and accessible fashion."***

As an agency belonging to all North Carolina Baptists, the *Biblical Recorder* provides balanced news coverage of Baptist news from throughout the state and reflects opinions representative of the diversity that is typical of our churches. The *Recorder* also includes periodic features designed to offer ideas, encouragement, and inspiration to readers.

In keeping with current needs, the *Biblical Recorder* maintains a frequently used site on the World Wide Web. This site (www.biblicalrecorder.org) offers Internet users an opportunity to read much of each paper's content several days before printed versions arrive. This is particularly helpful during convention meetings and at other times when frequent updates are desirable. As time and resources allow, additional features are being added to make the site an even more valuable source of information for North Carolina Baptists.

The *Biblical Recorder* works in partnership with the Baptist State Convention and receives annual support from Cooperative Program gifts as an agency of the Convention. This support makes it possible to offer the *Recorder* for just pennies per issue. The *Biblical Recorder* has not raised subscription rates in five years, but a string of postage hikes will almost certainly necessitate modest increases in subscription prices beginning in 2001.

Currently, the annual rates (including tax) are:

- Every Home Plan (20%+ of church families, paid through the church budget) - $7.42
- Club Plan (4 or more persons in a church subscribe together) - $8.48
- Individual Subscription - $10.60

Subscription packets and free sample issues are available. For more information, please contact:

2000 Annual Report To The Associations

It is with humble gratitude that the Christian Action League of North Carolina serves the Lord Jesus Christ and the churches of this great state as a Beacon of light, guiding referendums and legislation through the murky waters of special-interest groups and educating God's people about the moral problems in our state and nation. Our goal is to encourage and organize the people of God so that our light will be seen brightly throughout our state; and when we speak, it will be in one accord and will resound loudly.

A. Christian Values

a. The Christian Action League again co-sponsored the Fifth Annual Heritage Week of North Carolina held in March. It was our pleasure to provide awards for excellence to those high school students who won the essay contest on America's Christian background.
b. CAL has continued to promote and distribute copies of the Ten Commandments throughout North Carolina. To date, over 15,000 copies have been mailed.
c. Promoted awareness of worldwide persecution of Christians (particularly in Sudan) through email alerts and radio.
d. Participated with the American Family Association in distributing copies of our national motto posters "In God We Trust".
e. Joined with Family Life Ministries in promoting and distributing copies of the Marriage Covenant Certificates.
f. Participated in the National Day of Prayer.
g. Set up CAL exhibit at Baptist State Convention and the East and West Districts of the Wesleyan Church conferences.
h. Worked in the General Assembly to stop a bill that would allow physicians to take immediate custody of a child that they felt had been abused. The bill died in committee.

B. Radio

"Christians In Action", Station WAGO (88.7 FM) Snow Hill, started Monday, January 3, 2000. This broadcast consists of a five-minute commentary on issues that affect our lives today. We will begin airing this program on Aug. 7 on New Bern (WAAE, 91.9 FM). Our projection is to ultimately reach the whole state.

C. Gambling

a. Video Poker Machines - The Christian Action League worked round the clock to get video poker banned in this state. We failed getting the ban but were successful in getting SB 1542 to strengthen the law and restrict the operation and expansion of video gambling in the state. We will work vehemently next session in pushing for a ban.
b. Joined Christian Coalition in survey on how Gubernatorial candidates stood on lottery/released results in newsletter.
c. Next session the Christian Action League will be on the front line in the Legislature fighting a state-sponsored lottery.

D. Abortion

a. CAL has purchased the rights through donations of a surgical procedure on a 21-week old fetus that proves that partial-birth abortion is murder. We want to see this picture used extensively in making our case for the pro-life agenda.
b. CAL participated in the Right to Life Rally held in Raleigh.

E. Alcohol

a. Participated in four LBD campaigns since January 11, 2000, and there are three scheduled for a September referendum. We help with their organizational meetings, rallies and providing educational materials.
b. Worked in the General Assembly for passage of HB 1499-Interlock/Open Container law. This bill bans open alcohol container in the passenger area of a motor vehicle on the highway or highway right-of-way. The bill was ratified on July 13.

F. Pornography

Have produced and aired several radio programs to inform the public of the internet pornography crisis. Educate communities on how they can rid their neighborhoods of adult establishments.

G. Homosexuality

CAL monitors and informs the Christian community of the current homosexual agenda through our email alert.

The Christian Action League of North Carolina produces a quarterly newsletter *The Beacon* that has a distribution of over 21,000. We also send out an email alert every Friday to over 150 members to keep them abreast of current moral, ethical and political issues that affect our state and nation. All services of the Christian Action League are provided at no charge. We depend on God's people to provide for His work.

Council on Christian Higher Education

Christian higher education represents one of our enduring values as North Carolina Baptists. From the founding of our Convention in 1830, we have supported Christian higher education. Our churches, associations, and state have benefited as a result.

Last year North Carolina Baptists provided special scholarship assistance to members from our churches who chose to attend one of our affiliated colleges or universities. Sixty-eight out of eighty associations were represented among the hundreds of students who received this special Convention sponsored scholarship assistance.

The institutions matched the Convention's support of these Baptist students through institutional support. For every dollar provided to students through the Cooperative Program, the institutions matched it with $2.50 of additional financial assistance. Forty-five percent (45%) of the on-campus student populations are Baptists.

In addition to support of undergraduates, North Carolina Baptists assisted 297 divinity school students last year. This financial assistance was made possible through churches giving through optional giving Plans B and C. Members from our churches who have sensed God's call upon their lives to serve as ministers or missionaries are eligible to receive a theological educational grant from the Convention.

If a student pursues their degree from the divinity schools at Gardner-Webb or Campbell, the student is eligible to receive a grant of $8,100. If a student pursues his or her theological education from other institutions, the student is eligible to receive a grant of $3,000 for their studies.

Reverend Shane Kirby recently graduated from the M. Christopher White School of Divinity at Gardner-Webb University. Upon graduation, Mr. Kirby, said, *"I couldn't be more happy that I was able to obtain my master's at a North Carolina*

Baptist institution. I look at it like the Baptists of this state invested in me. Now, I feel a sense of responsibility to the good of people of my denomination to serve them."

North Carolina Baptists can take pride in graduates, like Mr. Kirby, who want to serve our Lord and his churches in North Carolina.

Without the faithful support of the Cooperative Mission Budget of the Baptist State Convention, opportunities for our members to attend Campbell, Chowan, Gardner-Webb, Mars Hill or Wingate would not be possible.

Thank you North Carolina Baptists for your continued support of Christian higher education in our state.

Meeting the Challenges of Health Care

2000

Report to the Associations

"Touching Lives With Hope"

HOSPITAL CONTINUES THE MISSION

In May of 2000 The North Carolina Baptist Hospitals, Inc. celebrated 77 years of regional, national, and international service. During these years the hospital has been faithful to the initial vision of the North Carolina Baptist State Convention. When the hospital opened the convention stated the reason for doing so was: to extend the healing ministry which was demonstrated by Jesus Christ. Many challenges have been faced through these years, but the commitment to compassionately strive for innovative excellence has remained the same.

BAPTIST BENEVOLENT CARE FUND

Baptist churches from all across North Carolina joined us in mutual mission through the Mother's Day Offering. This annual ingathering of love was approved by the Baptist State Convention of North Carolina in 1924. In 1999 the MDO amounted to $531,452. These funds were used exclusively to help patients who had minimal or no health care insurance and had no other financial means to pay their hospital bills. From the offering this past year, well over $200,000 was used to assist members of our Baptist churches in North Carolina.

SCHOOL OF PASTORAL CARE

During the year the Department of Chaplaincy and Pastor education provided worship services in Davis Chapel on Monday, Wednesday, Friday and Sunday as well as services in the J. Paul Sticht Center. Chaplain supervisors, residents and interns made more than 50,000 ministry contacts last year. The Department's fully accredited Clinical Pastoral Education program graduated 65 students.

The Department of Pastoral Counseling, CareNet, Inc., continues to develop its ministries. There are now 16 Christian counseling centers located across the state. The newest center is now open in Greenville and is the staging ground for serving northeast North Carolina. During the year these professionally staffed centers provided 27,293 hours of Christian counseling, making CareNet the largest pastoral counseling system in the United States.

The Center for Congregational Health, Inc. continues to develop its mission of

helping congregations become healthier communities of faith. **Programs and assistance** offered to churches include Intentional Interim Ministry, strategic planning, staff and team development and conflict management. **Resources for ministers** include: Young Leaders Program, Leadership Development Group, Interim Ministry Training, and Intentional Interim Ministry training. The Center has served an average of 21 North Carolina Baptist congregations a month during the past year.

FACTS ABOUT WAKE FOREST UNIVERSITY BAPTIST MEDICAL CENTER

- With more than 9,600 employees, we are the largest employer in Forsyth and Guilford counties.
- A certificate of need was granted for a 47,000 square foot Downtown Health Plaza to be built replacing the Reynolds Health Center, which provides health care for underserved people in Forsyth and surrounding counties.
- Building strong relationships with the community is important to us. A recent survey indicates that Medical Center employees donate more than 30,000 hours of volunteer service a year to more than 300 different organizations in our area.
- Construction has begun on a 350,000 square foot addition atop Ardmore Tower. This will provide more space for Brenner Children's Hospital as well as additional operating suites and private patient rooms.

ADDITIONAL POINTS OF EMPHASIS AND PROGRESS

New Dental Program For Indigent Children - Baptist Hospital has become a major participant in a community partnership to provide dental care for indigent children. NCBH opened a dental clinic on May 8, 2000, where three dentists are treating hundreds of children who previously had little or no access to dental services. Children who had known dental pain as a way of life, or who had routine services because their parents could not afford it, are now being treated.

Physician Excellence - In 1999, 600 physicians in North Carolina were listed among "The Best Doctors in America"; 95 are WFUBMC physicians.

Nursing Excellence- Baptist Hospital was one of the first hospitals in the nation to receive Magnet Recognition for Excellence in Nursing, demonstrating exemplary nursing leadership and quality patient care from the American Nurses Credentialing Center, the nation's leading nursing credentialing organization.

Ranked Among the Nation's Best - North Carolina Baptist Hospitals, Inc., continues to be ranked among America's best hospitals in ten of 16 specialties, according to rankings published in the July 2000 issue of *U.S. News & World Report*. This ranking reflects the reputation of specialists at NCBH as seen by their peers across the nation.

Newest Treatment for Epilepsy - Wake Forest University Baptist Medical Center offers a new treatment for epilepsy - a "pacemaker" for the brain that can help control seizures in patients who are not helped by medication and are ineligible for surgery.

Information and Appointments - For more information and to make an appointment with a physician, contact HEALTH ON-CALL at 1-800-446-2255 or 336-716-2255.

A CLOSING WORD FROM THE PRESIDENT

From its dedication on May 28, 1923 to the present, North Carolina Baptist Hospital has been committed to our mission of providing the highest quality health care to our patients and their families in a compassionate, caring manner. This report reflects how our mission and values of excellence, compassion, innovation, and integrity are lived out every day. As a Medical Center we continue to be one of the leading research centers in the United States. We provide a wide array of comprehensive health care, across the spectrum of life, to people with the most severe medical conditions. Most importantly, this care is provided one person at a time in a way that reflects the Spirit of Christ, whose healing ministry forms our very foundation.

Respectfully submitted,
Len B. Preslar, Jr.
